Attention, Men!

The men of the Congregational church believe that the greatest good can be accomplished only through co-operation and union. To this end a meeting was held in the church at 3:30 Sunday afternoon of January 12 for men. At this meeting a "Congregational Brotherhood" was organized. The following officers were elected: president, Mr. R. J. Coates, vice president, Mr. Glen Gelvin; secretary, Mr. Ingham; treasurer, Mr. John White. Every man in St. Helens is invited to join us. We need you and you need us.

New music for the choir has arrived and work has been begun on the Easter program. Expect something new—we have it.

Puzzles Wise Professor

"Prof. Pate is a very remarkable man. He attended every showing of a certain movie serial, whereas persons of less persistence usually give it up after witnessing half a dozen installments, discouraged over being unable to discover what it is about. But the professor stuck to the bitter end."
 "Ah! And did he finally learn what he wished to know?"
 "No. He says he did not expect to be able to find out what it was about, but he is much disappointed at being unable to find out why he couldn't find out what it was about."
