

# GOV. LYNCH URGES WEST TO LAST BIG LOAN DRIVE

To the Citizens of the Twelfth Federal Reserve District: The Fifth "Victory" Liberty Loan is in sight. Let us thank God that it is not just the Fifth Loan. Victory means the end of the war, the end of loans, the dawn of peace

JAMES K. LYNCH  
Governor, 12th Federal Reserve District

and prosperity. It means that the market price of government bonds will soon stabilize at par or better. It also means that commercial, agricultural, and industrial affairs will stabilize, and that the Hun-inspired clamor will cease.

We were advised that the war would last through 1919, probably through 1920, so we were prepared for that; to have done less would have been suicide. We prepared to crush the Hun on his own ground, and he prudently quit. It cost us some money but it saved the lives of half a million of our men. Was money ever better spent?

Now we have bills to pay, promises to make good, our men to bring home. This will take from five to six billion dollars. Let us get ready and raise it. A big task, but the last, and therefore easy. All together, shoulder to shoulder, and the loan goes over!

The "Ninety-first" is the Pacific Coast Division; remember their achievement, and honor ourselves by living up to it.

JAMES K. LYNCH,  
Governor, Federal Reserve Bank of San Francisco; Chairman, Liberty Loan General Executive Board, Twelfth Federal Reserve District.

## When the Fat Years Return

By F. C. Ambulance 1-86, Western Front.

When the fat years return, and, rich and free, You half forget, as men have ever done, The price once paid for your security, Thinking too much of fortune lost or won, Too much of pride and laughter, food and ease, Or of some public favor cheaply earned, Oh, then turn back the page and think of these Who gave their bodies for freedom to be burned— For these lived, too; they, too, loved ease and laughter, Sunlight, the green earth. All that you still keep They had, and more—vision. If you come after And dare forget them, buried so young, so deep, And dare forget this faith for which they stood— Ah, but you will not, being of their blood! —The Outlook.
