RECIPES Southern Fried Apples. Fry six slices of thin bacon and remove to a hot platter. Slice six large apples, reject core, and fry in the fat, stirring frequently. Add three quarters of a cup of light molasses and cook 10 minutes longer until a pretty brown. Serve on a platter garnished with bacon. Pot Roast Season a solid piece of beef, either the round or vein, with salt and pepper. Dredge with flour. Brown in a frying pan with a small amount of fat. Place in kettle, add one cup boiling water, cover closely and cook in slow oven until meat is tender. If the water cooks away, add just enough to keep the meat from burning. Serve hot with brown gravy or tomato sauce. Baking Powder Biscuit One quart flour, three teaspoons baking powder, one teaspoon salt. Put these ingredients through a sieve and half cup butter or butter-substitute (a little less butter or lard can be used if preferred). Mix, then add sweet milk and roll (This same recipe can be used for the crust of meat pie and for shortcake, only use a little more baking powder and maybe a little more butter. Potato Salad. Slice cold boiled potatoes and for a quart make the following dressing: Five tablespoonfuls of oil, two tablespoonfuls vinegar, one-half teaspoon salt, one-fourth teaspoon pepper, one-half small onion, finely minced, one green pepper, cut fine. Mix all with the potato and let stand. Serve garnished with hard boiled eggs, sliced in rings and sprinkled with chopped parsley. Mayonnaise dressing may be added if desired. Queen of Sauces. Heat a pint of milk and add four tablespoonfuls of sugar. Moisten a tablespoonful of cornstarch with a little cold milk and stir into it and cook until it thickens. Remove from the stove and add the whites of two eggs beaten stiff, a few drops of almond flavoring and a little grated nutmeg. Serve at once. The yolks can be used in the pudding. Creamed Codfish. Pick up the codfish; freshen it by pouring upon it boiling water, but do not soak it. When the fish is freshened to taste, place it in a pan, sprinkle it with flour, cover it with cold sweet milk and add a small bit of butter. Cook, stirring constantly, until soft and thick. Then season.

NATURALIZATION OF SERVICE MEN

A nation-wide campaign looking to the naturalization of the thousands of ex-service men of foreign birth has been inaugurated by the American Legion, Franklin D'Oiler, National Commander, having recently sent the following instructions to State Department Commanders, who in turn will transmit them in substance to the eight thousand Posts of the organization scattered throughout the country. "Above everything else, the American Legion and American Legion members stand for 100 per cent Americanism. Legion members are men who have fought to defend American ideals. Upon re-entering civilian life they are most anxious to see these ideals preserved. To this end, every effort should be made to see that all Legion members enjoy the rights and privileges and appreciate the duties of American citizenship. "The law provides that any man who served honorably in the Army, Navy or Marine corps during the war, who was not a citizen when he entered the service, may become naturalized upon presentation of his petition for naturalization, without making the preliminary declaration of intention, without proof of five years' residence within the United States and without payment of the

customary fees." Under the provisions of this law, many men were naturalized while at the training camps, and have already received their citizenship papers. However, there are still many eligible to immediate citizenship who have not as yet received their papers, and a special effort should be made to reach these men and see that they take advantage of their opportunity. Catarrahal Deafness Cannot Be Cured by local applications as they cannot reach the diseased portion of the ear. There is only one way to cure Catarrahal Deafness, and that is by a constitutional remedy. HALL'S CATARRH MEDICINE acts through the blood on the mucous surfaces of the system. Catarrahal Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing may be destroyed forever. Many cases of Deafness are caused by Catarrh, which is an inflamed condition of the mucous surfaces. ONE HUNDRED DOLLARS for any case of Catarrhal Deafness that cannot be cured by HALL'S CATARRH MEDICINE. All Druggists Rec. Circulars free. F. J. Cheney & Co., Toledo, Ohio.

Ford THE UNIVERSAL CAR INSIST on GENUINE FORD PARTS Imitation "Ford" parts are being sold by many mail-order houses, down-town stores and garages to unsuspecting Ford owners as "Ford" parts. But they are not Genuine Ford parts made by the Ford Motor Company. They are made by concerns who have no connection whatsoever with the Ford Motor Company. These imitation parts are not even made from the same grade of steel, or under the same formulas used by the Ford Company. They are counterfeit parts. Tests have shown them to break when the genuine Ford parts didn't even bend, and they are from thirty-five to one hundred per cent lower in quality. The Authorized Ford Dealers are your protection. As such, we handle nothing but the Genuine Ford parts. They are made from the famous Ford Vanadium Steel and each part—according to its use—is heat-treated in the way that will give it the longest wearing qualities. Every part is the same as its original in your Ford car or Ford truck. Our stock of parts is complete. And our Ford garage and Ford mechanics are at your service at all times. Drive in when replacements or repairs for your Ford car may be necessary. Save your Ford car and also your money. Fieldhouse Motor Company
