**JACK DEMPSEY
PLAYS SANTA CLAUS**

As might be sus-
pected, Jack Demp-
sey, star of the
Pathe serial, "Dare-
devil Jack," which
will be seen at the
Liberty theatre each
week, has made a
"barrel" of money
during his fighting
career. What may
not be suspected,
however, is the fact
that Jack has not
blown in his for-
tune foolishly.

When the Dempsey fist had landed
its owner at the top of the heap and
made him heavyweight champion of
the world, Jack did not take a day off
to buy diamond cuff links or a fleet
of high-powered motor cars or a
lake of champagne. He cast him-
self in the role of Santa Claus, in-
stead. To his father he presented a
537-acre ranch which cost about
\$53,000; to a mother he presented a
\$48,000 home in Salt Lake City,
and in addition deposited \$50,000 in
a bank to her credit. He set his
brother, John Dempsey, up in the
oil business in Texas, gave him \$1-
000 and told him to make good, and
established his brother, Jim, in an
automobile accessory business in Ore-
gon.

there are two John Dempseys in the
family. Jack's real name is William
Harrison Dempsey "Jack" is really
a nom de guerre.

Catarrhal Deafness Cannot Be Cured
by local applications as they cannot reach
the diseased portion of the ear. There is
only one way to cure Catarrhal Deafness,
and that is by a constitutional remedy.
HALL'S CATARRH MEDICINE acts
through the Blood on the Mucous Surfaces
of the System. Catarrhal Deafness is
caused by an inflamed condition of the
mucous lining of the Eustachian Tube.
When this tube is inflamed you have a
rumbling sound or imperfect hearing, and
when it is entirely closed, Deafness is the
result. Unless the inflammation can be re-
duced and this tube restored to its nor-
mal condition, hearing may be destroyed
forever. Many cases of Deafness are
caused by Catarrh, which is an inflamed
condition of the Mucous Surfaces.
ONE HUNDRED DOLLARS for any
case of Catarrhal Deafness that cannot
be cured by **HALL'S CATARRH
MEDICINE**.

Bread--The Staff of Life

You cannot imagine a
breadless meal. For ages
it has been the staff of life
—the most vital factor in
human subsistence. And,
naturally, the better the
bread the greater part it
plays in the sustaining of
life. Our motto is QUAL-
ITY. Only the best of flour goes into our products,
flour that is rich in the necessary food substances. This,
combined with the fact that we bake under the most
improved and sanitary conditions, brings our Bread and
Pastry up to a standard second to none, and we feel
justified in stating that it is the greatest domestic bread
in the word.

Ford
THE UNIVERSAL CAR
3,000,000 In Use
There are more than 3,000,000 Ford cars in
daily service throughout the world, and fully
eighty per cent of these are Ford touring Cars.
There are many reasons for this, not the least
of which is the simplicity in the design of the
car, so easy to understand; likewise it is easy to
operate; and mighty inexpensive compared to
other motor cars. On the farm, in the city, for
business and for family pleasure, it is the car of
the people, and the demand is increasing every
day. Let us have your order promptly if you

Pennies Count
The logical way to combat the high cost of living is
to watch the little savings—to buy where you can
save a few cents on this item or that. That is what
we endeavor to make possible for the housewife.
Little savings on every item that we sell, which in
a short time amounts to a tidy sum.
The following specials for
Saturday and Monday
are a good example of what we mean when we say
that the little savings count:
