Hexamethylenetetramine.
 The above is the name of a German-chemical, which is one of the many valuable ingredients of Foley's Kidney Remedy. Hexamethylenetetramine is recognized by medical text books and authorities as a uric acid solvent and antiseptic for the urine. Take Foley's Kidney Remedy as soon as you notice any irregularities and avoid a serious malady. Burnaugh & Mayfield.

The Very Closest.
 "My boy," said the kind old uncle to his young nephew, "you are my closest relative, are you not?"
 "No, uncle," sweetly replied the little fellow, "my father has that distinction. He never gives me a cent unless I ask him for it."

Rich Men's Gifts are Poor
 beside this: "I want to go on record as saying that I regard Electric Bitters as one of the greatest gifts that God has made to woman," writes Mrs. O. Lhinevaut, of Vestal Center, N. Y. "I can never forget what it has done for me." This glorious medicine gives a woman buoyant spirits, vigor of body, and jubilant health. It quickly cures nervousness, backache, fainting and dizzy spells; soon builds up the weak ailing and sickly. Try them. 50c at Burnaugh & Mayfield's.

Answered.
 Captain Jerome while visiting Colonel Higginson took a Derringer from the table and asked, "This thing loaded?" But before the colonel could reply the weapon was discharged, the bullet tearing away one of the fingers of the visitor.
 The colonel, who is widely known on account of his extreme politeness, bowed gracefully and rejoined, "Not now, my dear captain"—Argonaut.

After exposure, and when you feel a cold coming on, take Foley's Honey and Tar, the great throat and lung remedy. It stops the cough, relieves the congestion, and expels the cold from your system. Is mildly laxative. Refuse substitutes. Burnaugh & Mayfield.

Insult Added to Injury.
 "That woman editor hurt my feelings terribly."
 "Did she tell you that she had thrown your poetry into her wastebasket?"
 "No," she said she had thrown it in her trash basket."

A Policeman's Testimony.
 J. N. Paterson, night policeman of Nashua, Iowa, writes: "Last winter I had a bad cold on my lungs and tried at least half a dozen advertised cough medicines and had treatment from two physicians without getting any benefit. A friend recommended Foley's Honey and Tar and two-thirds of a bottle cured me. I consider it the greatest cough and lung medicine in the world." Burnaugh & Mayfield.

Very Different.
 Wife—You're a different man from my first husband. Husband—Yes, I am. Thank goodness! I'm alive; he's dead.

Foley's Honey and Tar is the best and safest cough remedy for children. At the first symptoms of a cold give as directed, and ward off danger of croup, bronchitis, sore throat cold in the head and stuffy breathing. It brings comfort and ease to the little ones. Contains no opiates or other harmful drugs. Keep always on hand and refuse substitutes. Burnaugh & Mayfield.

Alone in Saw Mill at Midnight
 Unmindful of dampness, drafts, storms or colds, W. J. Atkins worked as nightwatchman, at Banner Springs, Tenn. Such exposure gave him a severe cold that settled on his lungs. At last he had to give up work. He tried many remedies but all failed till he used Dr. King's New Discovery "After using one bottle," he writes, "I went back to work as well as ever." Severe colds, stubborn coughs, inflamed throats and sore lungs, hemorrhages, croup and whooping cough get quick relief and prompt cure from this glorious medicine. 50c and \$1.00. Trial bottle free, guaranteed by Burnaugh & Mayfield.

Resigned to it.
 Taking oneself too seriously is supposed to be an American trait. At any rate, it is found in America. The late Edward Everett Hale in "We, the People," cites a remark of Thomas Carlyle apropos of this habit.
 Margaret Fuller had perhaps taken herself the least bit too seriously. She had said that she had determined "to accept the universe."
 "She had better," said Carlyle.

Looking One's Best.
 It's a woman's delight to look her best but pimples, skin eruptions, sores and boils rob life of joy. Listen, Bucklen's Arnica Salve cures them; makes the skin soft and velvety. It glorifies the face. Cures pimples, sore eyes, cold sores, cracked, chapped hands. Try it. Infallible for piles. 25c at Burnaugh & Mayfield's.

The Salted Thread.
 Soak a piece of thread in strong salt water, dry it and repeat two or three times. When thoroughly dry, tie one end to a chandelier and on the other or lower end tie a ring or some small but not too heavy article.
 It is now ready for the experiment. Set fire to the thread, and behold the ring does not fall to the floor, nor does the thread break.
 The explanation is: The thread has in reality been burned, but the salt with which the thread was saturated forms a solid column, and that supports the ring. Varied experiments can be made, using several threads for one article and, in fact, many others which may suggest themselves to the readers.

Mrs. S. Joyce, Claremont, N. H., writes: "About a year ago I bought two bottles of Foley's Kidney Remedy. It cured me of a severe case of kidney trouble of several years standing. It certainly is a grand, good medicine, and I heartily recommend it." Burnaugh & Mayfield.

Stung For 15 Years.
 by indigestion's pangs—trying many doctors and \$200.00 worth of medicine in vain, B. F. Ayscue, of Ingleside, N. C., at last used Dr. King's New Life Pills, and writes they wholly cured him. They cure constipation, biliousness, sick headache, stomach, liver, kidney and bowel trouble. 25c at Burnaugh & Mayfield's.

Both of a Mind.
 "I sometimes wish I were a mermaid beneath the dark blue sea!" exclaimed a romantic woman.
 "And so do I, my dear," replied her husband, who had just been treated to a long lecture. "Then you would have to shut your mouth or drown!"

Foley's Orino Laxative is best for women and children. Its mild action and pleasant taste make it preferable to violent purgatives, such as pills, tablets, etc. Cures constipation. Burnaugh & Mayfield's.

Legend of the Wrekin.
 For the benefit of those who do not know it may be worth while to tell the story of the Wrekin, that great hill overlooking the Severn which is in the center of Shropshire and therefore of the universe. It is said that so great was the flood of Welsh perjurers flowing down the Severn that the enemy of mankind found himself unable to deal with the supply, and to stop it he proceeded to dam the Severn, but the spadeful of earth slipped before he reached the river and formed the Wrekin.—London Black and White.
