### County Fruit Inspector.

Fred C. Potter of Wallowa has been appointed fruit inspector for Wallowa county, he receiving notice of the appointment last Thursday.

### Will Win Some Day.

From East Oregonian.  
The equal suffrage amendment has been defeated by a big majority of 9890, several hundred less than the majority against it two years ago. This is some hope, at least. Every vote gained is a victory and the friends of equal suffrage will never stop until that amendment is placed as a law upon the books of Oregon.

## INJUNCTION AND REVISION PLANKS

### Roosevelt Ideas Dominate Republican Platform at Chicago—Nominations in Progress Today.

Chicago, June 18, 1 p. m.—The Republican convention has adopted the tariff revision and anti-injunction plank advocated by President Roosevelt and Wm. H. Taft. Nominations for president are being made. Hughes, Fairbanks, Cannon and Taft have so far been placed in nomination. If it were not for Roosevelt's positive refusal he would be named by acclamation. The convention goes wild at every mention of Roosevelt's name.

### Taft Nominated.

Chicago, June 18, 4 p. m.—First ballot, Taft 703, La Follette 25, Foraker 16, Cannon 61, Fairbanks 40, Knox 63, Roosevelt 3. Taft's nomination made unanimous. Vice president will be nominated tomorrow.

### Game Law Violated.

Deputy Game Warden Joe Clemens is in the valley investigating numerous complaints that certain ditch companies are not obeying the game law. Residents of Wallowa have written to Salem making complaints and others direct to Mr. Clemens. The latter says there will be no fish in the river within two years if the laws are not obeyed. Mr. Clemens also says there are complaints against saw mill men who allow sawdust to flow into the streams. This is against the law and the penalty is quite heavy.

### Rushing Railroad Work.

A work train, carrying a bridge construction crew and trackmen passed through Elgin Tuesday morning to the front. The work of track laying up Wallowa canyon will begin as soon as the temporary bridge is finished across the Grande Ronde. Contractor J. E. Patterson is working on the grade near the Litch feeding trials, toward the Enterprise depot grounds.

### In Idaho in 3 Minutes.

The extradition proceedings to secure Thomas Tucker and Norfleet Hogan at

Asotin came to naught last week, all because of the absence of Governor Mead of Washington delaying the issue of the papers. The men were released from Asotin jail on a writ of habeas corpus before the arrival of the extradition papers. The telegram to Sheriff Bakely gave the information and he immediately added the men were in Idaho in three minutes after their release.

## Enterprise Wins Game At Joseph

It was not decided until 10 o'clock Sunday morning that there would be a game of ball on the Joseph diamond between that town and Enterprise and as a consequence few fans accompanied the team to that city on that date. At the phone call from Manager Stewart from Joseph the local aggregation—those who had not left town for a day's outing—plied into a couple of rigs and drove to Joseph and trimmed Stewart's bunch to the tune of 13 to 14 in eleven innings. The game was not a brilliant one, the grounds being in such poor shape that good fielding was out of the question. The boys report fine treatment from the Joseph people and express the hope that many more games will be played between the Enterprise and Joseph teams on the latter's grounds before the season is over.

### Base Ball Notes.

Zucher pitched the first half of the game at Joseph Sunday. He shows speed and good control.

Captain Eilyeo made good in the left garden Sunday.

Pace has the right system putting the runner out on third. The umpire in Sunday's game had a habit of "not seeing the play" when a Joseph man was caught between bases. A Joseph man attempted to steal third but Hammack catching for Enterprise whipped the ball to Pace who met the runner with open arms and held him and then yelled to the umpire. The man was promptly called out.

Work has been done on the Enterprise diamond this week that will add greatly to the pleasure of the players. The diamond has been leveled smooth and put in line shape.

The Wallowa fans have taken a hand in the securing of suitable and permanent grounds for their team. They propose to put them in the best of shape and may inclose them and also build a grandstand. They are determined to have a winning team.

## ORANGE BLOSSOMS AND JUNE ROSES

### Church Wedding Amid Wealth of Floral Decorations Marks Wagner-Rennie Nuptials.

In a brilliant wedding at the Presbyterian church, Wednesday evening, marked by the beauty of the floral decorations, Miss Reta M. Rennie and Mr. Howard O. Wagner were married at 8 o'clock, by Rev. Seldon C. Adams, who used the beautiful ring ceremony. The church was filled with friends of the popular young couple when the bridal party entered to the strains of the Mendelssohn wedding march played by Mrs. W. C. Ketchum. The bride was on the arm of her father, J. G. Rennie, who a few minutes later gave her into the keeping of the groom. The latter was attended by Mr. Oren Wagner as best man, Miss Eula Forsythe, the bridesmaid, was dressed in white and carried yellow margerites. The ushers, Byron Mayfield and John Workman, and the best man wore boutonniere of white carnations. Little Weldon Hyatt bore the ring on a silver tray. Just before the ceremony, Miss Jennie Berland softly sang "Thou Art So Like Unto a Flower."

The bride was as lovely as the most delicate flower. Her dress was of white silk trimmed with chiffon lace, made on train. She wore a veil and carried a shower bouquet of bride's roses. The ceremony was performed at an altar of evergreen decked with roses. Above was a large white bow. The church decorations were all floral and were among the most beautiful ever seen in the city. As the bridal party left the church, their pathway was strewn with rose petals by the flower girls, May Sorensen and Alice Rennie, who were dressed in pink and blue and wore sweet peas.

Following the church service, the bride and groom held a reception at the home of Mr. and Mrs. J. G. Rennie. They stood in the parlor by a lace-covered table decorated with ferns and red roses. Refreshments were served and a social hour spent by intimate friends. Miss Forsythe caught the bride's bouquet. Out of town guests were Mrs. A. N. Hales and sons Willis and Howard of Walla Walla, Mrs. F. J. Iymhoec of LaGrande, Mr. and Mrs. Orville Poley and Miss Lenore Goodman of Lostine, R. V. Goodman of Ashland and Merrill Greshong of Corvallis.

Mr. Wagner is a young business man of this city of high character and his bride is a beautiful girl who has won a host of friends by her amiable and lovable disposition. They have the best wishes of all for a happy and successful life's journey to ether.

Miss Alta Haggerty, who will be married next Sunday to Mr. Ben Weathers, was given a pretty surprise Wednesday night at Emerald Rebekah lodge. Refreshments were served in a beautiful china service and the bride-to-be was completely surprised when informed the dishes were presents to her from the assembled friends. The members of the Sunday school class to which Miss Haggerty belongs, will be entertained by their teacher, Mrs. O. J. Roe of Alder Slope, Friday evening, in compliment to Miss Haggerty.

### Marriage Licenses.

June 17—Howard O. Wagner and Reta M. Rennie.

### Salt Lake Mining Men.

A party of three Salt Lake city mining men arrived in the valley Monday and have gone up in the mountains to examine properties owned by H. N. Williams, J. A. Burleigh and others. The completion of the railroad is going to usher in a real mining boom in Wallowa county.

### 'Twas A Hard Proposition.

It is how hard a proposition Wallowa was up against in trying for the removal of the county seat can be better appreciated by supposing that Wallowa had secured 600 additional votes, yet she would have lost. There were 1851 votes cast on the county seat question. Add 600 and the total would be 2451 of which Wallowa would have to get 99 per cent or 1471. She did get 864 and giving her the entire 600 a division would have brought her total to only 1464 or seven less than the required 60 per cent.

### ELK CREEK JOTS.

News was received here today of the serious illness of Mrs. John Flannery.

The children have all been called to her bedside.

The Misses Ida and Annie Bales are spending a few days with Mrs. John Baker and family.

John and Sam Baker have gone to bring the Baker and Flannery sheep from the spring range to the Martin shearing plant to be sheared.

The Swamp Creek school closed the 12th day of June after a very successful two months and a half work by both pupils and teacher.

## Rev. Adams Begins Local Pastorate

Rev. Seldon C. Adams preached his first sermon in the Presbyterian church Sunday morning to a large congregation. He and his family arrived the latter part of the week having stopped a day or two to visit friends in LaGrande. Mr. Adams' family consists of wife and two sons, Seldon Carlyle and Robert Neal. Mr. Adams is a graduate of Northwestern University and his wife from the Cumbeck school of Oratory at the big Evanston college. The Kalida, Ohio, Record had the following to say regarding the departure of Mr. Adams:

"The Rev. S. C. Adams, for two years pastor of the Presbyterian church in this city, Sunday morning tendered his resignation to his congregation, effective June 1. From the pulpit Rev. Adams announced his acceptance of a call from the Presbyterian church at Enterprise, Oregon, a progressive little city of 1,000 inhabitants located in a beautiful valley and surrounded by a picturesque mountainous country."

The Rev. Mr. Adams was reluctant at resigning the local pulpit, but the Oregon charge held out such attractive inducements that he finally yielded. Before coming to Kalida Mr. Adams was stationed at New Salem, O., at which place he was ordained a minister. While young in the ministry his true devotion to the doctrines of the Presbyterian church and his eminent fitness in the execution of the many duties devolving upon him, has made him very popular, not only among the Presbyterian clergy and laymen in this section of the state, but also with all church-going people with whom he came in contact. Brilliant in the pulpit, painstaking, kind and alert to the needs of his parishioners and fearless in propounding the gospel, Rev. Adams has built up an enviable reputation for himself in Putnam county. He has served the county C. E. Union as county counselor, for three years was managing editor of the Sunday School Bulletin, and permanent clerk of the Lima presbytery. Only recently Mr. Adams declined a call from an important charge in Boston presbytery.

Rev. Adams expects to close his official labor here on Sunday, May 31, after which he and Mrs. Adams will leave for their western home. They will stop off in Chicago a few days to visit relatives and friends.

### Cove's Cherry Crop.

In the valley around Cove there will be produced this year 200 tons of cherries and 500 cars of apples. From 250 to 300 people will be needed in addition to the local population to pick and pack the cherry crop.

## CHARTER ELECTION SET FOR AUGUST 15

### Initiative Petitions Acted Upon by Council Friday Night—Water Rates Fixed.

The election on the amendment to the city charter, changing the required percentage for authorizing the sale of bonds for water works purposes from 60% to an affirmative majority, has been fixed for August 14 next, and notice issued to this effect.

Three initiative petitions containing 20 names each were presented to the council Friday night demanding this election, and it was ordered as the law directs.

A complaint by Mical Stubblefield was received, stating that litter and trash dumped on the hill east of town washed down onto his land. It was suggested that signs be put up giving notice that no more trash be thrown there.

At the first regular semi-monthly meeting of council Monday night, the city marshal was directed to collect the rent for use of water from the city ditch. The bill of K. S. Pace for \$21.25, for work on the ditch, was ordered paid. M. E. Botchkis was allowed to continue to use the hog pens at North and East First streets for the present.

An interesting meeting of the city council was held Friday evening in the council chambers, there being present besides Mayor Mayfield, presiding, Councilmen Bickford, Berland, Reavis, City Recorder Taggart, City Attorney Dill and a number of taxpayers.

First of importance came a report from the city marshal regarding applications for use of water by consumers from the city ditch. In all there were 13% blocks called for which, by placing the rate at \$8 per block, will add to the city revenue \$105 for the season.

A bill for \$16.47 for material used for crossings and covering ditches was presented by the Enterprise Plowing mill. This was audited by the finance committee and ordered paid.

### Children's Day Program.

Children's day will be observed at the Presbyterian church, Sunday evening, June 21, at 8 o'clock, with the following program:

- Opening Song.
