**HAS DONE MUCH GOOD.**  
From the Prescott (In.) Argus.  
We received last Thursday a copy of a small book advertising the county of Wallowa, Oregon. It was mailed to us from the postoffice of Enterprise, Oregon, and so we suppose it was sent by S. T. Daggett, whom we will thank until we learn differently. It is a very well gotten up advertisement and will certainly do the county much good. We do not see why a county like Adams could not be much benefitted by a publication of matter of this kind. We believe it would be money well spent for the county supervisors to have printed such an advertisement at the county's expense and then see to it that it is circulated where it will do the most good. There is no reason why all this good advertising should be done by the far western towns and draw settlers through the best country the sun shines on.  
Teddy Will Get \$2 Per Word.  
A New York publishing firm has contracted to pay President Roosevelt \$2 a word for his account of his hunting trip in Africa, that he is to receive a lump sum of between \$60,000 and \$75,000 for the serial privileges, and also a high royalty on the book when the magazine articles are published in that form. In all it is the highest sum ever given an author for a work of similar length.
