Summer Luncheon Dishes.

"A hearty luncheon salad may be made of peas and hard-boiled eggs," writes Fannie Merritt Farmer in Woman's Home Companion for August. "Cold boiled peas unseasoned or canned peas may be used. If canned peas are used see to it that they are thoroughly rinsed with cold water and allowed to become reoxygenated. Marinate peas with a French salad dressing, cover, and let stand in a cold place one hour, and then mound on a salad dish. Arrange alternately around the base of the mound halves of hard boiled eggs cut lengthwise, and crisp lettuce leaves. Garnish with mayonnaise dressing.

"Dried chipped beef is an excellent substitute for fresh meat when made into heilbein dried beef: Finely choi cold boiled potatoes; there should be two cupfuls. Add three-fourths of a cupful of dried chipped beef cut into small pieces and three canned pimentoes finely cut. Season with pepper and add more salt if necessary. Cut fat salt pork in small cubes, and fry out, then drain; there should be one third of a cupful of fat. Put the fat into a frying pan, add the potato mixture and stir until thoroughly mixed

RAILROAD NEWS.

We have been reliably informed that the railroad will reach Enterprise not later than December of the present year.

With the advent of the road the necessity of carrying a large surplus in certain lines of merchandise will have been removed.

In anticipation of this we have inaugurated a clearance sale and have reduced prices on every article in the store, many of which we are selling below actual cost.

In making this substantial cut in prices we have a double purpose in view, viz:

1st—a reduction of a surplus in certain lines.

2nd—to get money to meet our maturing obligations which are usually large at this time of year with merchants doing a credit business.

We will therefore continue to sell

FOR CASH

at the cut prices which we have been selling until such a time when our stock shall be sufficiently reduced in those lines in which a reduction is demanded by changing conditions.

You can save 25 per cent by buying of us. Ask those who have been taking advantage of these sales, or what is better come to our store, examine our goods, get our prices and be convinced
