The growing importance of the merchant marine as a national issue is being recognized in all parts of the country. Representative N. R. UNION MEETINGS COMMENCE SUNDAY

EVANGELIST PRATT ARRIVED TODAY—EVERYTHING READY FOR BIG MEETING.

Dr. J. R. Pratt will arrive this (Saturday) afternoon and will open the union gospel meetings in the rink Sunday at 11 a. m.

The rink has been seated with the pews from the churches and stoves have been put in to warm the building properly. A number of workers are busy decorating with bunting and evergreens, and the rink has been transformed into a cheery, comfortable place of meeting.

It has been arranged that a big union Sunday school meeting will be held at the rink promptly at 10 o'clock Sunday forenoon, and in the evening at 6:30 the various young peoples societies of the city will meet in union worship.

A choir of singers from the several churches will lead the praise service. The new song books to be used in the meeting, have arrived and it is intended the singing shall be a specially attractive part of the service.

There will be a large crowd at the rink Sunday morning at the opening meeting, but if Dr. Pratt's powers in presenting the gospel have not been overestimated the rink will not begin to accommodate the people when the meetings are fairly under way.

The ushers are requested to meet at the rink 10 or 15 minutes before the morning service Sunday, to arrange their work.

Stores Close at 6 P. M.

The stores will close at 6 p. m. instead of 6:30 p. m. during the revival meetings except on Saturday evenings. This is to give the help and patrons all time to get ready for the evening services.

FEROCITY OF FOREST FIRES.

Can you think what it means when a country burns up—when not merely houses and other buildings are ablaze

and the great forest is a mass of flames, but even the ground itself is a fiery furnace? We have read of conflagrations in cities where whole blocks were reduced to ruins and thousands of people rendered homeless but here were the police and the fire brigades fighting to save life and property.

Hallow'en Parties

A delightful Hallow'en party was given Friday night by the girls of Class No. 3 of the M. E. Sunday school at the home of their teacher, Miss Jessie Robertson.

The party was of the "seek and find" variety, and the boys made several calls before they found the hostesses, all robed in ghosts' apparel at the Robertson home which was gaily decorated with the girls' colors, white and blue, and the boys' colors, purple and orange.

A delicious and elaborate supper was served, the centerpiece of the boys' table being a huge cake with the words, "B. A. C. Victory."

The girls won the banner last year and were entertained by the boys at the home of Sylvester Burleigh.

The hostesses Friday night were: Erma Hotchkiss, Esther Trueblood, Cressie Cramer, Minnie Willgerodt, Marie Browning, Vera Stubblefield, Nora Pearson, Gladys Amey and Miss Robertson.

Christian Endeavor Entertained.

The Christian Endeavor society of the Christian church were pleasantly entertained Friday evening at the home of Mr. and Mrs. Oren Wagner. Announcement had been made at church that all Endeavorers and would-be Endeavorers were invited.

SENATORS TO ASK GOVERNMENT AID

SENATORS BOURNE AND CHAMBERLAIN TO ASK \$156,000 APPROPRIATION.

Portland, Oregon, October 23.—What is regarded as the most important conference ever held between the Congressional delegation of this state and the commercial interests of Portland took place this week when the needs of the state were discussed for two hours and suggestions made as to needed improvements that require government aid.

Senators Bourne and Chamberlain met with 15 prominent business men and when the conference ended, the Senators had pledged their aid to secure as big appropriations as possible for this state. Among the big projects for which aid was enlisted were the improvement of the Columbia River from Portland to the sea; the free canal and locks at Oregon City; the Cello Canal and the improvement of Coos Bay.

These improvements are expected to cost about as follows: Columbia River improvement, \$15,000,000; \$3,700,000 for the completion of the Cello Canal; \$2,700,000 for the improvement of Coos Bay, and \$456,000 for the free canal and locks at Oregon City. Of the money needed for the latter project, the state has already authorized appropriation of \$3000,000, leaving only \$156,000 to be furnished by the government.

Portland may take in neighboring suburbs before the census of next year is taken. The matter was discussed by the Realty Board at the Commercial club this week and generally favored. This addition to the city would include only those districts lying so near that it is impossible to tell when passing from the city proper to the suburbs. An expression will be asked from the various districts as to their opinion on the annexation question.

Protest Against Dam.

A delegation of more than a score of Wallowa county citizens visited the fish hatchery Thursday to meet State Fish and Game Warden McAllister and make protest against the maintenance of the dam at the hatchery, which bars the migration of the fish to the upper portion of the Wallowa river and tributary streams. The matter will be given official investigation.
