COUNTY CONVENTION NOTICE.

The Socialist Party of the county of Wallowa is called to meet in County Convention at Local Enterprise Headquarters, at Enterprise, Oregon, on the 31st day of July and the 1st day of August, 1910, for the purpose of nominating a county ticket for Wallowa county, and electing delegates to the State Convention to be held in Portland on the 7th and 8th day of August, 1910.

(Signed) C. W. BARZEE, State Chairman of the Socialist Party of Oregon.

Comrades are advised to meet at the appointed place on Sunday, July 30, for the purpose of preliminarily electing their ticket, and the regular County Convention can follow on the 1st day of August, wherein the ticket may be legally confirmed and delegates to the State Convention receive their credentials signed by the chairman and secretary of the convention.

If the county does not wish to make their county nominations on that date, the confirmation of the previously elected Delegates, in accordance with the S. P. Constitution (Art. 14, Secs. 1 and 2), must be made by placing the signature of the convention Chairman and Secretary on their credentials for presentation to the State Convention.

These credentials must also bear the signature of the Chairman and Secretary of the Local at which meeting they had been previously elected.

To explain: The Convention officers legalize the delegates credentials to the State Convention in accordance with the Oregon statutes. The signature of the party, local, officers confirms the election of the Delegates as per S. P. Constitution.

We are advised by Attorney General Crawford that this course of procedure gives us a place on the state ticket without any filing fee. We have the privilege of using one or more pages in the candidates election advertising sheet for the purpose of setting forth our party principles.

FRANK HAMBLEN, County State Committeeman for Wallowa County, Oregon.

MADISON SQUARE COMPANY ARE CAMPING OUT HERE

Lowe's Madison Square Theatre company, which made such a favorable impression during its week's stay at the opera house last month, has returned for the summer and is camped on the F. A. Clarke land, on the river, above town. It is the purpose of the company to play one or two nights each week, as circumstances seem to justify. The play his week will be the beautiful western comedy drama, "The Girl From Tennessee," one of the greatest hits ever produced, which will be seen on Saturday evening. "The Girl From Tennessee" is brim full of sentiment of the best kind and overflowing with humor. Nothing better has ever been seen in the city. Mr. Lowe has re-organized his company to some extent, his new leading lady being Miss Bea Curtice, who will be remembered as the very capable leading lady with the Branlon-Tucker company in "The Devil," two years ago.

It is the intention to add to the company from time to time until it is as strong as it is possible to make it.

Must Be Above Suspicion.

Kidney and bladder ailments are so serious in their consequences, and so unchecked so often fatal that any remedy offered for their cure must be above suspicion. Foley Kidney Pills contain no harmful drugs, and have successfully stood a long and thorough test. Burnaugh & Mayfield.

Scores of homesteaders on the Siletz reservation who have been struggling in vain for many years to get patent to their lands, will attain their end if the Senate passes the Hawley bill, which passed the House last Monday. This class of legislation is usually expedited in the Senate, and seldom calls forth protest, and it is presumed this bill will pass the upper branch of Congress and be signed by the President before adjournment.

Drives away Flies, Mosquitoes and Gnats. It protects horses and cattle from attacks of insects, enabling them to feed and sleep in peace. It prevents loss of weight and strength from worry caused by attacks of insects, and from the irritation of their bites and stings. There is a satisfaction in the relief it affords domestic animals from the scourge of maddening parasites and flies, besides the profit in return. Horses do more work on less feed and cows yield more and better milk when relieved from the frenzy incited by constantly fighting a swarm of voracious, insatiable insects.

Many improvements are planned by the commission of the Port of Coos Bay. The channel of the bay is to be widened, and to do this the commissioners expect to expend about \$150,000 of the port's money. The government will also spend \$50,000 on the channel, so altogether there will be a channel sufficiently wide and deep at all tides for even larger vessels than now enter this port.

That portion of the state board of fish commissioners at the capital and which has authority in the matter, is at a deadlock over the selection of a new master fish warden, with only one apparent chance of solving the difficulty. That chance is that the position may be accepted by Henry O'Malley, chief of the Oregon division of the United States bureau of fisheries.

Saved at Death's Door.

The door of death seemed ready to open for Murray W. Ayers of Transit Bridge, N. Y., when his life was wonderfully saved. "I was in a dreadful condition," he writes, "my skin was almost yellow; eyes sunken; tongue coated; emaciated from losing 40 pounds, growing weaker daily. Virulent liver trouble pulling me down to death in spite of doctors. Then that matchless medicine—Electric Bitters—cured me. I regained the 40 pounds lost and now am well and strong." For all stomach, liver and kidney troubles they're supreme. 50c at all druggists.

Foley's Kidney Remedy will cure any case of kidney and bladder trouble not beyond the reach of medicine. No medicine can do more. Burnaugh & Mayfield.

The people of Curry county are discussing the matter of having a new courthouse. The present courthouse has been in use for about 35 years and is too small for the present business of the county, which has doubled in the past five years, and the officials need more room.

"Foley's Kidney Pills Have Saved Me." The above is a quotation from a letter written by H. M. Winkler, Evansville, Ind. "I contracted a serious case of kidney trouble. My back gave out and pained me.
