The greatest and best county fair ever held in Eastern Oregon is the verdict of visitors who saw the Union and Umatilla fairs in their best days.

The splendid grounds and fine buildings are the admiration of all. Enterprise has more than done her part.

The town itself has on her best clothes. The business houses are profusely yet tastefully decorated, and strings of electric lights on the principal streets make a beautiful night scene.

The show of live stock, especially horses, is a credit to the state. The fruit is superb. All farm products make a fine showing.

And the crowds are here, and everybody is enjoying the splendid entertainment given by the fair association.

There was a big Tuesday crowd. W. C. Dorrance won the E. M. & M. contest of plowing. There were two entries: prize, steel beam J. I. Case plow.

Burt Cole's Fleetfoot won the quarter mile dash, Frank Pierce's Tom Thumb second.

Mrs. Jack Tippetts won the W. R. Holmes \$10 prize as best lady rider.

Judge Tippetts won the L. Berland \$5 prize as best gentleman rider.

**FREE EXHIBITIONS.**  
There are two big free exhibitions each day from these four—Slide for Life, Barrel Jump, Trapeze Act, Strong Man. The high diver went back on his contract after getting transportation. The fair management at big expense immediately got the other acts which more than make up for the Diver's non-appearance.

**CANDIDATES COMING.**  
All the candidates on both tickets promised to be here Friday if successful and the successful ones have been wired to come without fail—Bowerman, Lafferty, West, Crawford, Miller, et al.

**UNION COUNTY DAY.**  
A big special train of 10 or more coaches will bring in hundreds of Union county people Thursday. The train will leave La Grande at 7:20 a. m.

**FOOTBALL GAME.**  
Wallowa County and La Grande high schools play football Saturday afternoon on the fair grounds.

**HARVESTING BEETS.**  
The sugar beet harvest is on in earnest, the first carload going out Monday. The crop is first-class both in quality and quantity. By next week a couple of hundred men will be employed in the harvesting, hauling, loading, etc.

The Church of Christ, Gifford Ernest, minister: Subject of sermon, Sunday morning, Oct. 2, "What Shall We Preach?" subject of evening sermon, "Christ or Jesus?" Evening services begin at 7:30 hereafter; and the morning services will begin promptly at 11. Bible school at 9:45. Christian Endeavor at 6:30. This will be a congregation service.

**CATTLE BRING \$4.50.**

"Can be depended upon" is an expression we all like to hear, and when it is used in connection with Chamberlain's Colic, Cholera and Diarrhoea Remedy, it means that it never fails to cure diarrhoea, dysentery or bowel complaints. It is pleasant to take and equally valuable for children and adults. Sold by Burnaugh & Mayfield and all good druggists.

Charlie McAnulty, while practicing for the relay race Tuesday evening, broke his leg between the knee and ankle. He was making a quick dismount to change horses when the saddle turned, throwing him to the ground.
