RESTORED LANDS ARE GOING FAST

MANY SCOURING COUNTY FOR DESIRABLE CLAIMS—SQUATTERS IN PINE CREEK.

The recent withdrawal from the forest reserves and the restoration to entry of several townships in Wallowa county has called the attention of many people this fall to the land still available to entry under the homestead laws of the United States. Scores are scouring the county and consulting maps and plats in the office of the United States Commissioner with a view to becoming the owner of a quarter section of land. Many of the land hunters are now and have been residents of the county for some time, while others are from various parts of Oregon, Washington and even the Eastern states.

One family from Michigan was fortunate enough to find a homestead within four miles of Enterprise and will soon take up their residence thereon.

In the judgment of many of the old settlers there is very little desirable land yet remaining open to homestead entry, but other old settlers will recall the fact that in but few instances did the first settlers in the county file on the best land. Frequently they selected homesteads that are now considered very inferior, and lands now considered the best lay vacant for many years. And such may be the case now. Practically all land on which there is running water has been taken up years ago, but running water is not the only consideration for desirability. A few years hence may see some of the land now vacant pronounced the best in the county and

we will all recall the time when we could have been the owner of it for a trifle.

Reports from the Pine Creek, Chesapeake and contiguous country are to the effect that there are numerous squatters holding down claims until November 21, when they can file on land hitherto in the forest reserve. Others are not so much impressed with the land thrown open to entry but are looking nearer the valley and have found land just as desirable. Tents have been pitched on many quarter sections, rude shacks spring up in a night, while others post a notice declaring their selection of the surrounding lands as a site for a future home and go on ready to build a house and barn.

One man from the East was looking over the land in the Crow Creek country and finally found a place that satisfied him. He prepared to establish his residence and went on November 21, having brought his bed and a tent with him. After fixing up camp a little he strolled down and over a nearby hill where he found much to his surprise a tent with evidences of being inhabited. He investigated further and found that a young lady had moved onto the place at 12:15 a. m. and claimed the same land. He was about 10 hours too late.

The ladies of the Christian church will serve chicken dinner Election day, November 8, in the vacant room east of Weaver & Weaver's Racket store.

Frank Reynolds of this city, Mac Wood, W. T. Church and C. S. Dunn of La Grande returned Wednesday from a hunting trip on the Big Sheep and Innahs.

Carl Roe has been appointed United States Commissioner in place of C. M. Lockwood, who recently resigned to accept a position in La Grande. The Commissioner's office will remain in Room 2 Berland Building.

BIG CONVENTION WILL BE HELD

STATE GOOD ROADS ASSOCIATION PLAN ENTHUSIASTIC MEETING.

Portland, Nov. 1.—Arrangements are now being made by the State Good Roads Association upon the expected passage of Amendment No. 34 to the Constitution, giving the privilege to counties to bond themselves, to call a convention of good roads enthusiasts to be held in Portland immediately after the election on Nov. 8. This convention will be made up of delegates to be appointed from the State Thresher's Association by Secretary Phil S. Bates, from the County Good Roads associations organized by Chairman D. R. Webster, and will also include all county judges as well as members of the State Automobile Association. At this convention the proper methods of handling the expenditure of the bonding issues will be discussed as well as the appointment of a state highway engineer and the utilization of the state convicts and county prisoners in the work in view.

The result of this convention will be the basis for an appeal to the next session of the legislature at which time it is expected that Oregon will place the most advanced good roads laws on her statute books of any state in the union. Oregon is now leading nationally in good roads work and this meeting will be the largest of its character ever held in the United States.

Dates for the Hood River Apple Fair have been set for November 23-26 inclusive. The aristocracy of apples will be on exhibition at Hood River on those dates, and all who admire fine apples, and who does not should plan to attend if possible.

Pendleton will have a big poultry show lasting one full week commencing December 13. The poultry exhibition is now a permanent feature for Pendleton, it having recently been incorporated under the name of the Umatilla-Norrow Country Poultry Association. Last year's exhibit was declared to be the most successful "first show" ever held in the Northwest and hereafter there promises to be a splendid collection of poultry on view at each annual exhibition. Pens have been arranged so that over 1,000 fowls can be properly housed at the approaching show.

The 1911 national convention of the Christian church will be held in Portland, it having been secured for that city through Portland churches, the Commercial Club and the co-operation of the whole coast. A temporary structure housing 10,000 people, will be built to care for the gathering and thousands of delegates from all parts of the country will attend. The convention bureau of the Commercial Club has under consideration plans for the entertainment of the visitors.

The Harvest Festival that proved such a success this year will be perpetuated as an annual event. This

was decided at a meeting held during the past week by the Portland Fair & Livestock Association, at which the success of the Festival was recounted and considerable enthusiasm aroused. The double tracking of the street-car line to the fair grounds is considered requisite to the success of future shows and assurances have been given that this will be done by the trolley company as soon as property owners make arrangements to pave portions of the route traversed. It is planned to make next year's show the biggest ever.

J. L. THOMPSON NEW MANAGER OF LYRIC

J. L. Thompson has taken charge of the Lyric Theatre, Thomas Bruce, the former manager, leaving town last Monday morning. Mr. Thompson is an excellent moving picture operator, and has had several years experience as an operator to his credit. He stated to the writer that he would do his utmost to get nothing but the best films obtainable and to throw them on the screen in such a manner as to be distinctly seen. His performances the past week have more than fulfilled his statement to us. Mr. Schwartz, the owner of the show was in town the fore part of the week.

Former Theatre Manager Arrested

Thomas Bruce Arrested and Bound Over On Charge of Non-Support of Family.

Thomas Bruce, former manager of the Lyric theatre in this city, was arrested in La Grande Tuesday evening charged with non-support of his wife and family. His case was heard Wednesday afternoon and he was bound over in the sum of \$250. As he was unable to raise the bail required he was returned to jail.

Bruce has been running the Lyric for several months and seemed to be doing well, but last Monday morning he attempted to leave town without settling several bills outstanding and was held at the train by some creditors until he "came across" with the right amount, when he was permitted to board the train.

NOTICE OF HEARING OF FINAL ACCOUNT.

Notice is hereby given that the final account of Maggie H. Bloom as administratrix of the estate of Phebe Jane Bunnell, deceased, has been filed in the County Court of Wallowa County, State of Oregon, and that the 30th day of November, 1910, at the hour of 10 o'clock A. M., has been duly appointed by such court for the hearing of objections to such final account and the settlement thereof, at which time any and all persons interested in said estate may appear and file objections thereto in writing and contest the same.

WILD WITH EXCITEMENT

Enterprise, Oregon, in Fever of Excitement Over the Wonderful Cures Performed by

Dr. Madison

The Great Medical Expert and Bloodless Surgeon

DEAF MADE TO HEAR LAME TO WALK

Opera House Packed. Nothing Like It Ever Seen In Enterprise Before

Dr. Madison and staff of the Medical Institute of Liverpool, England, and Crawfordsville, Indiana, branch office Portland, Oregon, lectured to a large audience last evening. The doctors are agreeable and forceful speakers, and held the audience in close attention while they explained the theory and usefulness of their wonderful discoveries.

Many promises were made which seemed utterly impossible to believe and when the doctor invited those who were hard of hearing to come forward and be cured, John Calvin, James W. Rodgers and T. J. Wagner responded to the call and were made to hear in a few seconds.

The doctor then called for cripples on crutches and Lee Hammack responded.

He was afflicted with that giant disease, rheumatic paralysis and he was unable to walk except with crutches and great difficulty and pain.

He was operated on with medicine for twenty minutes and walked off the stage free from pain and stiffness followed by the wondering crowd, while the doctor broke his crutches. To say the audience was astonished and wild would be putting it mildly. The doctor was warmly congratulated. It seemed like a dream, but it was real. Ministers and doctors were in the audience, and they seemed as well pleased as anyone.

They treat the following diseases: Paralysis, catarrh, deafness, big neck, bladder and kidney diseases, rheumatism, scrofula, female diseases, bowel complaint, debility, dropsy, heart, liver and nerve diseases, cancers, piles and fistula cured without pain and all kinds of chronic diseases cured.
