

The Electric Laundry

Whether you do your own washing, hire a helper, or send the work out, you can save money, time and wear and tear by installing up-to-date home labor savers driven by

ELECTRIC MOTORS

You will be surprised to see how little it costs to run these motors. Their first cost is soon offset by the saving in labor. Less than a cent an hour will operate most of the machines for home laundry work. A couple of hours will suffice to finish a good sized wash the electric way.

Will you try one of these machines in your home?

NOTICE

Notice is hereby given, that the county court will consider bids for the maintenance of the poor of Josephine county, Oregon, for a period of one year from January 1, 1919, according to certain terms and conditions, to-wit:

All bids must specify the exact amount per capita per month.
The successful bidders to provide the necessary food, clothing and to take care of the inmates whether sick or well, and if any inmates are sick, they are to be provided with all the necessary nursing as required by the county physician.
The county will furnish nothing besides the necessary medical attention and medicine.
The county home will be furnished if desired, no rent will be charged for the use of the same, but an inventory of all furniture, dishes, and fixtures, etc., is to be made before the successful bidder takes charge

of things, and he must see that all things inventoried are returned to the county at the termination of the lease, in as good condition as when they were received, with the exception of the usual wear and tear.

If the poor are taken care of at any other place other than in the county home, the successful bidder must provide all the necessary bedding, etc., and the county not to be required to buy any of said goods purchased at the termination of the contract.

The county court shall have the right at all times to inspect said place, or home, where the inmates are being cared for, to ascertain whether they are receiving the attention required.

A bond of \$4,000 will be required for the faithful performance of the contract.
All bids must be filed on or before 10 o'clock a. m. of the 5th day of December A. D., 1918.

The court reserves the right to reject any or all bids or award the contract according to the best interests of the county.

By order of the county court of Josephine county, Oregon.
E. L. COBURN,
County Clerk.

THE MEN IN CLASS A 1

A sound, healthy man is never a back number. A man can be as vigorous an dable at seventy as at twenty. Condition, not years, puts you in the discard. A system weakened by overwork and careless living brings old age prematurely. The bodily functions are impaired and unpleasant symptoms appear. The weak spot is generally the kidneys. Keep them clean and in proper working condition and you will generally find yourself in Class A 1. Take GOLD MEDAL Haarlem Oil Capsules periodically and your system will always be in working order. Your spirits will be enlivened, your muscles supple, your mind active, and your body capable of hard work.
Don't wait until you have been rejected. Commence to be a first-class man now. Go to your druggist at once. Get a trial box of GOLD MEDAL Haarlem Oil Capsules. They are made of the pure, original imported Haarlem Oil—the kind your great-grandfather used. Two capsules each day will keep you toned up and feeling fine. Money refunded if they do not help you. Remember to ask for the imported GOLD MEDAL Brand. In three sizes, sealed packages.

Care of Interned Germans.
It costs the United States just 51 cents a day to keep each German interned in the big colony at Hot Springs, N. C., or \$176.15 apiece a year. Of that 51 cents 30 cents a day is the cost of food, or, about 10 cents a meal. The entire cost of maintaining the 2,300 Germans during the last year has been about \$400,000. The camp itself cost \$125,000 to build. Probably the whole bill will be submitted to Germany when the war is over, as no doubt the German government will render its bill for the keep of American prisoners of war. The United States is caring for about 5,000 prisoners in all camps in this country at present.

He Failed to Salute.
When my brother was stationed at Camp Logan, Houston, Tex., he received a new man in his company. One day he noticed that the rookie had on a wide black tie. "He called to him and told him to take off the tie and wear a regulation tie. The next day he noticed the rookie had on a bow tie, and once again told him to wear the regulation black string tie. The following day he met him again and the rookie failed to salute. My brother stopped him and said: "Why don't you salute an officer?" to which the rookie replied: "I thought you were mad at me."—Chicago Tribune.
