People find just the help they so much need, in Hood's Sarsaparilla. It furnishes the desired strength by purifying, vitalizing and enriching the blood, and thus builds up the nerves, tones the stomach and regulates the whole system. Read this:

"I want to praise Hood's Sarsaparilla. My health run down, and I had the grip. After that, my heart and nervous system were badly affected, so that I could do no my own work. Our physician gave me some help, but did not cure. I decided to try Hood's Sarsaparilla. Soon I could do all my own housework. I have taken

Hood's Pills with Hood's Sarsaparilla, and they have done me much good. I will not be without them. I have taken 12 bottles of Hood's Sarsaparilla, and through the blessing of God, it has cured me. I worked as hard as ever the past summer, and I am thankful to say I am well. Hood's Pills when taken with Hood's Sarsaparilla help very much." Mrs. M. M. MISSENGER, Freehold, Penn.

The Booths Decline.

New York, March 24.—Ballington and Mrs. Booth issued a statement today through Major Glennie that they will under no circumstances take command of the Salvation Army in the United States. This was prompted by a report from London that efforts were being made to induce the Booths to accept their old command. The statement is as follows:

"Commander and Mrs. Booth will not for a moment consider any proposition whatsoever made to them from the international headquarters of the Salvation Army. While Commander Booth will not refuse to see his sister as a sister, both he and Mrs. Booth are positively and finally determined to enter into no discussion and listen to no propositions concerning a reconsideration of their position.

"Their step was taken definitely and prayerfully when they publicly, two weeks ago, committed themselves to the starting of a new movement, and no advances whatsoever will lead either of them or the officers who are at their side to depart from the declarations they have made.

"The international is perfectly aware of the reasons which underlie the whole question and which made it impossible for Commander and Mrs. Booth to continue under their orders."

The leaders of the new movement claim that the London officers are playing a trick; that they talk of reconciliation to prevent the American officers from leaving the Salvation Army to join the new movement.

Honor to Blackburn.

WASHINGTON, March 24.—Blackburn's return to the senate after an exciting and fruitless senatorial contest before the Kentucky legislature was signalled by an unusual demonstration by his colleagues. On the senator's desk was the most mammoth and elaborate floral design ever brought to the senate, rising twelve feet from the floor. The main design represented the coat of arms of Kentucky with two huge dolls clasping hands as central figures, around which were worked the state motto "United We Stand; Divided We Fall." The tribute came from Blackburn's senatorial associates.

Railroad Meeting.

CHICAGO, March 24.—A meeting of general passenger agents, representing about thirty-five railroads, large and small, in central traffic and Ohio river territory, will be held here tomorrow for the purpose of promoting the formulation of a permanent Central Passenger Association, which shall operate on lines similar to those laid down by the joint traffic associations.

**ASSIST NATURE** a little now and then in removing offending matter from the stomach and bowels and you thereby avoid a multitude of distressing derangements and diseases, and will have less frequent need of your doctor's service.

Of all known agents for this purpose, Dr. Pierce's Pleasant Pellets are the best. Once used, they are always in favor. Their secondary effect is to keep the bowels open and regular, not to further constipate, as is the case with other pills. Hence, their great popularity with sufferers from habitual constipation, piles and their attendant discomfort and manifold derangements. The "Pellets" are purely vegetable and perfectly harmless in any condition of the system. No care is required while using them; they do not interfere with the diet, habits or occupations, cause no pain, griping or shock to the system. They act in a mild, easy and natural way and there is no reaction afterward. Their help lasts.

The "Pellets" cure biliousness, sick and bilious headache, dizziness, costiveness, or constipation, sour stomach, loss of appetite, coated tongue, indigestion, or dyspepsia, windy belchings, "heartburn," pain and distress after eating, and kindred derangements of the liver, stomach and bowels. In proof of their superior excellence, it can be truthfully said, that they are always adopted as a household remedy after the first trial. Put up in sealed, glass vials. There is always fresh and reliable. One little "Pellet" is a laxative, two are mildly cathartic. As a "dinner pill," to promote digestion, or to relieve distress from over-eating, take one after dinner. They are tiny, sugar-coated granules; any child will readily take them.

Accept no substitute that may be recommended to be "just as good." It may be better for the doctor, because of paying him a better profit, but he is not the one who needs help.

# CASTORIA

for Infants and Children.

## MOTHERS, Do You Know

that Paregoric, Bateman's Drops, Godfrey's Cordial, many so-called soothing syrups, and most remedies for children are composed of opium or morphine?

**Do You Know** that opium and morphine are stupefying narcotic poisons?

**Do You Know** that in most countries druggists are not permitted to sell narcotics without labeling them poisons?

**Do You Know** that you should not permit any medicine to be given your child unless you or your physician know of what it is composed?

**Do You Know** that Castoria is a purely vegetable preparation, and that a list of its ingredients is published with every bottle?

**Do You Know** that Castoria is the prescription of the famous Dr. Samuel Pitcher. That it has been in use for nearly thirty years, and that more Castoria is now sold than of all other remedies for children combined?

**Do You Know** that the Patent Office Department of the United States, and of other countries, have issued exclusive right to Dr. Pitcher and his assigns to use the word "Castoria" and its formula, and that to imitate them is a state prison offense?

**Do You Know** that one of the reasons for granting this government protection was because Castoria had been proven to be **absolutely harmless?**

**Do You Know** that 35 average doses of Castoria are furnished for 35 cents, or one cent a dose?

**Do You Know** that when possessed of this perfect preparation, your children may be kept well, and that you may have unbroken rest?

**Well, these things are worth knowing. They are facts.**

The fac-simile signature of *Samuel Pitcher* is on every wrapper.
