THE SELLS BROS. & FOREPAUGH.

Monster Aggregation of Animals and Performers.

Throughout the day our principal streets have been almost impassable, for blocks, owing to the thousands that turned out to welcome Sells Bros. & Forepaugh's monster circus.

The show arrived, in this city, at an early hour, this morning, and pitched its four-ring tent just east of the Southern Pacific passenger depot.

Besides the main tent there is a large menagerie, a united side show and over a dozen smaller tents in which are kept the horses, etc.

Every expectation, regarding the circus, was more than realized in the parade, which covered a distance, of over a mile.

Unlike most aggregations, Sells Bros. & Forepaugh's show bills do not exaggerate or overestimate the peerless performances of the company.

The performance this afternoon, was witnessed by several hundred people and those present highly complimented the management.

The admission price, which has heretofore been \$1, has been reduced to 50 cents, which should insure a crowded tent at the evening performance.

Salem people should show their appreciation, of a first-class circus, by liberally patronizing the one now here.

It is far superior to any aggregation that has visited our city for years.

A NOVEL FEATURE.—An amusing and attractive feature of the Bryan ratification will be an eight horse load of wheat contributed by the farmers of Marion county to be sold at public auction at the corner of State and Commercial streets to be turned into the campaign fund to show the interest that farmers are taking in the fight against the British gold standard.

Notice to the Public. Some very busy person, with more time to attend to other people's affairs than his own, has reported that we are not buying wheat now days at the mill. Please take notice that we are at all times in the market for wheat.

JIM ANDERSON NO MORE.

His Monkeyship Dislocates His Neck and Expires.

Yesterday evening occurred a sad and distressing accident, which takes from our midst a character well known to the Salem public. Jim, the father of Old Bill Anderson's family of pet monkeys, had the misfortune to become entangled in his chain and threw himself over a beam in such a manner as to dislocate his neck, and when found had expired.

Jim was a kind and obliging father, a good provider and a warm friend of his people. He leaves a wife and child to mourn his sudden departure to the great unknown. He was buried this morning on a plot of ground adjoining his summer residence on Paradise alley, with all pomp and ceremony usual to such occasions.

Max Smith on Trial. Portland Tribune, Aug. 21: Max Smith, of Salem, who tried to entice Maud Howe, a country girl, into the disorderly house on Fifth and Pine street, kept by Edna Carlisle, is having a trial in the municipal court this afternoon, Mr. J. T. Milner presiding in the absence of Judge Sweek.

The evidence of Chief of Police Minto, Detective Cody and Miss Howe, was substantially the same. The defendant had promised to secure a situation for the complaining witness and had lured her into the disreputable house and asked the proprietress to pay him \$15 for her. Instead, Mrs. Carlisle notified the police and caused his arrest.

Self Supporting Students. Fully half the students enrolled at the State Normal at Monmouth are either wholly or partially self-supporting. At least 90 per cent come from the country. Many teach a year and attend school a year. The expenses are very light—from \$100 to \$130 a year for living, books and tuition. Twenty-four counties were represented last year.

FOR STEALING CHICKENS.—Friday evening George Hillier was arrested charged with stealing chickens. It seems H. O. Brown, of Highland, discovered yesterday morning that fourteen of his spring chickens had left quite unceremoniously the preceding night. He immediately reported his loss to Chief of Police Dilley, who notified the various hotels and boarding houses, about the city of the theft, and requested them to report to him, if anyone should call with chickens for sale. Last evening, in response to a message from Mrs. M. E. Pogue, who conducts a boarding house on Front street, Chief Dilley repaired to that part of the city, where he found Mr. Hillier with fourteen dressed chickens in his possession. He was at once arrested, and taken to the city jail. When brought before Recorder Edes this morning, Mr. Hillier asked until Monday at 10 a. m., to plead.

BRUTALLY BEATEN.

A. White Attacked at His Place of Business.

About 4 o'clock Friday afternoon James Stricklin, a horse trainer, made a brutal attack on Ashley White, the State street feed dealer at the latter's place of business. It seems James Long accompanied by James Stricklin came in from the fair grounds to order some feed. Mr. Long filling the order with Mr. White, Stricklin, whom Mr. White had never seen before then began a conversation with the feed dealer, in which he alleged that Mr. White did not weigh grain correctly. To this Mr. White replied "my opinion of you is that you are a stinking skunk." Stricklin then struck Mr. White two blows, knocking him down and that his cowardice might be better exhibited, Stricklin kicked Mr. White twice squarely in the face. The assailant then took to his heels but was later arrested by Chief Dilley and taken before Recorder Edes when he was released on \$20 bail, the customary amount required on charge of assault and battery. He will be given a hearing before Recorder Edes Monday morning.

E. J. Swafford, Jos. Schindler and others reached Mr. White within a

few seconds after the attack when they cared for unfortunate man until the arrival of Dr. Byrd. Although the cuts on Mr. White's face will cause him considerable pain they are not of a serious nature. Altogether it was a very cowardly and unwarranted attack on the part of Stricklin, especially after he had knocked Mr. White to the floor.

Deafness Cannot Be Cured by local applications as they cannot reach the diseased portions of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out, and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars; free.

Will Not Perform Miracles But It Will Cure.

DR. MILES' RESTORATIVE NERVE CURE cures nervous prostration. Not miraculously, but scientifically, by first removing the germs of disease, and then supplying healthy nerve food, increasing the appetite, helping digestion and strengthening the entire system. Desperate cases require prolonged treatment as shown by the following: "As the result of a lightning stroke, the physicians said I had a light stroke of paralysis, my limbs would all drop up. I would have throbbings in my chest that seemed unendurable. For three months I could not sleep and for three weeks did not close my eyes. I prayed for sleep, and felt that if relief did not come I would be dead or insane. I took Dr. Miles' Restorative Nerve and the second night slept two hours and from that time on my health improved; slowly at first, but steadily and surely. I took in all 40 bottles, and I cannot express how grateful I am, for I am now perfectly well, and have taken no medicine for over four months." Dr. Miles' Restorative Nerve is sold by druggists on guarantee that first bottle benefits or money refunded.
