 BARKLEY AND PENNOYER.
 Another Bryan Supplement With Two Great Speeches.
 Not all could hear Pennoyer and Barkley at the great Bryan ratification at Salem. So THE JOURNAL has printed in supplement form the great speeches made on that occasion by those two gentlemen. They will be supplied from this office at \$1 per 100 or \$7 per 1,000 postpaid. We have still supplements with Bryan's speech of acceptance at New York and Mitchell on the impossibility of International Brotherhood.
 NO MORE LOW FARE.—Commencing tomorrow morning the extremely low fare of \$1.50 per round trip between Salem and Portland via the good on any and all trains, (Shasta Limited excluded) good for thirty days, will go into effect. The local has been enjoying a very liberal patronage from the Salem traveling public since the law rates went into effect and it will not be taken off so long as it can be operated with a reasonable profit for the company.
 BRYAN CLUBS.—The Bryan club of Eola has sixty members and speaking Saturday night. The Salem Bryan club has now over 400 members enrolled. The campaign funds are all being used in distribution of literature and education of the people. The Silverton club has 250 members and a majority of the voters of the two Silverton precincts are for Bryan. H. L. Barkley speaks at Jefferson Friday evening.
 Weather Forecast.
 For Wednesday and Thursday fair warmer. Rains have fallen all over the valley the past 24 hours, helping out the late potato crop. No damage has been done to hops.
 NO COUNCIL MEETING.—The city fathers assembled in the council chambers last night but no business whatever was transacted. A motion to adjourn until next Monday evening passed unanimously after assembling.

UNIVERSITY OPENS TODAY.
 Choral Society Reorganized—Other News From Our Local University.
 The various buildings and campus of Willamette University will give unmistakable evidence of school work between now and next June. The doors of Willamette were thrown open this morning for the opening of another school year. The number of new pupils this year is certainly remarkable, fully one half registering for the first time. This morning President Hawley had enrolled 90 students and ere a few short weeks have passed, it is estimated the enrollment will have passed the 200 mark in the College of Liberal Arts alone. This year promises by far to be the most successful in the history of school and the management is greatly pleased with the outlook.
 Chapel exercises were conducted this morning by President W. C. Hawley, all members of the faculty, with the exception of Prof. Emil Winkler, being seated on the rostrum, while numerous visitors were accommodated with seats in the rear of the chapel. Following the usual chapel exercises President Hawley made a short address in which he impressed upon the students' minds the importance of preparing themselves for the various undertakings in the business world. He directed the attention of his hearers to the policy of the school, in regard to mental, moral and physical development.
 The forenoon was devoted to assignment of lessons for tomorrow's recitations.
 The two Christian associations will give a reception to new members, probably the last of this week when a delightful time is anticipated.
 Prof. R. A. Heritage will organize a glee club consisting of all "musically inclined" students, who will spend about a half-hour every morning learning college songs.
 A reorganization of the Salem Choral Society was effected last evening at the university chapel. About seventy-five of Salem's best vocalists were present and placed their names on the membership roll. A great many others who were unable to be present last night will probably add their names to the membership roll ere another meeting is held. The officers elected last night were: President, Scott Bozorth; vice-president, J. B. T. Tutthill; secretary, Miss Anna Atwood; treasurer, J. W. Bleford; first marshal, C. E. Roblin; second marshal, Miss Tenta Kimball; vocal instructor, R. A. Heritage; assistant instructor, Emil Winkler; pianist, Emil Winkler; assistant, Miss

 Rev. John Burgess, Keokuk, Iowa, writes: "I have been a Minister of the Methodist Episcopal Church for fifty years or more, and have never found anything so beneficial, or that gave me such speedy relief as Dr. King's New Discovery." Try this Ideal Cough Remedy now. Trial bottles free.—Fred A. Legg's Drug Store.

AT MARIONS CAPITAL.
 Business Transacted in the Various Departments.
 In matter of estate of Peter Best, E. H. Dunham, of Detroit, was Tuesday appointed administrator. The decedent left personal property consisting of \$230 in gold and a home-stand claim on which he had not proved up at the time of his death.
 Judge Terrell ordered citation to issue yesterday to Marcela C. Grierson and F. W. Durbin, administrators of the estate of David Grierson, requiring them to appear before him on the 28th of September, at 10 a. m., to show cause, if any, why a claim of the Capital Consolidated Gold and Silver Mining Co. for \$389.92 claimed as due on assessments levied on the capital stock on September 2, 1889, and October 13, 1891, should not be paid. The petitioner (being the company) also prays for an order of the court, allowing and approving the claim against the estate and directing the administrators to pay the same out of the property of decedent.
 Bids for sawing of the court house wood have been opened. The bids were as follows: Taylor & McCracken—Fir, 25 cents per cord, oak, 30 cents; James Shantz—Fir, 25 cents, oak, 40 cents; W. M. McIntire—Fir, 15 cents, oak, 35 cents; W. H. Cross—Both 25 cents per cord. The latter being the lowest was awarded the work.

 McKinley Mitchell, of Gervais, today filed a hop contract with the county clerk for Thompson & Co., of New York, whereby W. H. Egan and John C. O'neal agree to furnish 10,000 pounds of the crops of 1898-'97-'98-'99 at 7 cents per pound for the first year's crop, and 8 cents for the three years' crops succeeding; four cents is to be advanced about September 1st each year, for picking.
 Geo. G. Brown was today appointed administrator of the estate of David Waldo, deceased, and filed a bond with the county clerk, for \$1200, with Wm. Waldo as surety.
 A marriage license was today issued to C. A. Brown, of Franklin, Lane county, and Winnie M. Kinser, of Silverton. Since the bride is under 18 years of age the consent of her parents to the marriage was necessary before the license could be issued.
 Hop contracts were filed with Recorder F. W. Waters today as follows: M. J. and J. R. White, of Marquam, are to deliver Elsas & Pietz, of Cincinnati, O., 8,000 pounds at 5 cents per pound. Nick Rirchet to Elsas & Pietz, 5 cents per pound, no picking money to be advanced.
 The motion on the part of the heirs to set aside the will of the late J. L. Parrish if being argued before Judge G. P. Terrell today. It is likely the case will occupy two or three days before all testimony on either side has been given. Attorneys for the heirs are D'Arcy & Richardson. Mrs. Mattie A. Parrish is represented by Geo. G. Bingham and ex-United States Attorney-General Williams, of Portland.

Let The Whole World Know The Good Dr. Miles' Heart Cure Does

HART DISEASE has its victim at a disadvantage. Always taught that heart disease is incurable, when the symptoms become well defined, the patient becomes alarmed and a nervous panic takes place. But when a sure remedy is found, and a cure effected, after years of suffering, there is great rejoicing and desire to "let the whole world know." Mrs. Laura Wineinger, of Selkirk, Kansas, writes: "I desire to let the whole world know what Dr. Miles' Heart Cure has done for me. For ten years I had pain in my heart, shortness of breath, palpitation, pain in my left side, oppressed feeling in my chest, weak and hungry spells, bad dreams could not lie on either side, was numb and suffered terribly. I took Dr. Miles' Heart Cure and before I finished the second bottle I felt its good effects. I feel now that I am fully recovered, and that Dr. Miles' Heart Cure saved my life."
 Dr. Miles' Heart Cure is sold on guarantee that first bottle restores money refunded.
