MR. COTTLE FOR SILVER. The Former Salemite Now For Bryan and Prosperity.

The following friendly letter was received the other day by a Salem business man and old associate of H. W. Cottle, who is now located at Los Angeles:

LOS ANGELES, Cal., Oct. 15, '96. DEAR SIR AND FRIEND:—How are you all and how is everything and everybody at Salem?

We have moved to Los Angeles and I am in business right in the heart of the city: an manager for the Los Angeles office of the Escondido Land Co., a rich company. I also deal in city real estate and insurance.

My folks all like it here and are enjoying good health. All join in kind regards to yourself and family. Better come down this winter and see us. Times are reported dull here yet there are fine new buildings going up all over the city.

I have been for two years studying the political situation, reading all sides and listening to speakers on all sides and I tell you I have firmly come to the conclusion to vote for Bryan and with the people for prosperity and against McKinley, the candidate of the trusts, monopolies, railroads and the boodle elements. We will get no prosperity that is permanent under the gold basis. To make times good we must have free coinage of both gold and silver on equal terms. The Republican talk of international agreement is a farce. Everyone knows that England will not consent to such an agreement and that unless England does Germany will not. The gold basis in this country will make times much worse than now.

Let me hear from you. With kind regards, I am, Yours truly, H. W. COTTLE.

A Word With Dr. Cusick. THE JOURNAL has only gratuity and good will personally toward Dr. W. A. Cusick, the Salem bank politician and pioneer of Marion county. He has his strong and weak points, but when he goes out of his way to asperse the political motives of another he exposes himself to an investigation of his own record.

If he will publish all the warrants he has ever drawn on the public treasury the people will see how he has made his fortune and why he is for the gold standard. THE JOURNAL does not imply that he has made his money less honestly than others of the same class, but when he assumes the spotless toga of the innocent patriot, he will be called down every day in the year.

Dr. W. A. Cusick, of Salem, is a true type of a greedy Goldocrat. He has made a large fortune hogging the public treasury and gone into the banking business and of course he is now opposed to free coinage of silver. Although that was the platform his present party stood on in 1890, there is no evidence the Doctor would not stand on it today if there was a dollar in it. The truth is Dr. Cusick has no principle but the almighty dollar. From Rockefeller down to this insignificant bank politician they have only special worship of the almighty dollar back of all their activities and but for prostitution of principles and overreaching their neighbors, they would be ordinary men with no more dollars than the rest of mankind and their pretense to superior honesty and virtue causes even the angels in heaven to smile.

These are the men who buy, own and manage political banks and who want the privilege of handling the public funds, state, city and county and in the larger cities are the depositories of national funds. Every once and a while one of them falls up, puts his property in the hands of his relatives and stands on the streets and shouts "Sound money and the national honor must be preserved."

THE JOURNAL does not single Dr. Cusick out alone for this criticism. He is a true type of the whole crew, who, from Mark Hanna down, talk the gold standard only to deceive the public into giving them farther opportunity to fatten at public expense while prating of public virtue.

BAPTIST STATE CONVENTION.

A "Red Letter" Week for This Denomination—200 Delegates.

The prospects are most favorable for a very successful session of the Baptist-State convention and Ministerial conference to begin this evening.

Delegates began to arrive this morning and a great many are expected by this evening's boats and trains. It is probable that the number of delegates will reach 200, since 150 are assured to be in attendance at the convention.

The convention promises to be one of special interest and profit to the various societies of the church, and all who may attend its proceedings. The program for this evening and Wednesday is as follows:

7:30—Prayer service, led by Mark Noble. 7:30—Enrollment and organization. Sermon—Ray Palmer. Wednesday, Oct. 21.

9:30—Prayer service, led by A. J. Hunsaker. 10—The unchurched masses of Oregon, M. M. Lewis. Followed by discussion, opened by W. B. Hall.

AFTERNOON. 2—Opening of the convention, L. J. Trumbull. 2:30—Enrollment and election of officers. 3—Report of the board of managers, by Secretary Gilman Parker. Followed by discussion and prayer.

MARRIED. CRANSTON—FARMER.—At the First Congregational Church at Willard, Marion, Ore., at high noon, Tuesday, Oct. 20, 1896, Miss Lydia Cranston, of Willard, to Rev. J. P. Farmer, of Salem.

The ceremony was solemnized in the church at Willard in the presence of the only relatives and a few intimate friends of the high contracting parties. Rev. Curtis, of the East side congregational church of Portland, assisted by Dr. Wood, of Colorado Springs, Colo., officiated. Immediately following the ceremony, the party repaired to the house of the bride where a delicious wedding breakfast was served. After receiving the congratulations and well wishes of numerous friends, Rev. and Mrs. Farmer drove to the Baptist parsonage on Liberty street where a sumptuous wedding dinner was served at 5 o'clock this afternoon. Rev. and Mrs. Farmer here received congratulations from the members of Rev. Farmer's congregation and numerous other friends in this city.

The groom is the talented pastor of the First Baptist Church of this city and by his courteous disposition has made many friends during his short residence in Salem. Rev. Farmer is an earnest worker in the church and the further advancement of Christ's kingdom here on earth. The bride is the accomplished daughter of Warren Cranston, a highly respected farmer of the Waldo Hills.

Rally at Dallas. The common American people expect to hold a Bryan rally at Dallas, on Saturday, October 31. Ex-Governor Penney and Elder Barkley are to be the speakers. A rich treat is in store for all. Every one is invited to come. Speaking at 2 p. m. and 7:30 p. m.

Judge Crowell speaks at the Dallas city hall on October 24, at 7:30 p. m. Judge Crowell is an old soldier and an excellent speaker.

THE STILL RUNS.—In spite of the many rumors to the contrary, the Salem local still operates between the Capital and the Metropolis, although the Portland Exposition has closed. It will continue to do so until otherwise officially instructed. Travel on this train now compares favorably to that of any time since it was placed on the run. Also there has been a noticeable increase in the number of passengers, seeking passage via the overland, since the rate on the local has been raised.

SAD NEWS.—Rev. W. C. Kantner, pastor of the First Congregational church of this city, received a telegram today, announcing the death of his father, J. Kantner, at the advanced age of 80 years, at Cresona, Pa., at an early hour this morning. Unfortunately, Dr. Kantner will not be able to go East, to attend the funeral. He has the sympathy of his large congregation, besides that of numerous other acquaintances.

OLD FOLKS' WHIST CLUB.—The Old Folks' Whist club for this winter was held last evening at the elegant home of State Treasurer Phil Metschan, corner of State and Twelfth streets. Mrs. J. A. Richardson and ex-Gov. Z. F. Mooney carried off first prizes, while the boobies were awarded Mrs. E. M. Waite and R. B. Fleming. The club will meet with Hon. and Mrs. J. G. Wright at their Church street home next Monday evening.

A POLITICAL LIE.—Some very small politicians are industriously circulating the lie that Oscar Rennie, the printer, was discharged from THE JOURNAL force because he is a McKinley man. This is a lie told for political effect as Mr. Rennie's politics have been and still are unknown to the publishers. Try again.

CIRCUIT COURT PROCEEDINGS.

Today's Transactions in the Various County Departments.

J. B. Ludson has been appointed administrator of the estate of Orlean J. Crandall, deceased, the property of whom is valued at \$1900.

Sheriff F. T. Wrightman and Deputy D. W. Gibson were busy this morning, posting election notices, as provided by law, in a number of places in this township.

A suit in equity has been instituted in the Marion county circuit court against Mattie A. Parrish, the widow of the late J. L. Parrish. The parties plaintiff are S. B. and C. W. Parrish, Grace G. Pierce, Josie L. Slater and N. O. Parrish by Henrietta Parrish, his guardian, and Sam B. Parrish, as administrator of the estate of Josiah L. Parrish, deceased. Application was made by the plaintiffs to County Judge Terrell for a temporary writ of Injunction as mentioned in the last above clause of the prayer and the same was granted, it to be returnable at the next term of department No. 2 of the circuit court.

In replevin case of Capital Lumbering Company vs. Sarah T. Learned, action for money, the motion to strike out part of answer was sustained. Demurrer to separate answer overruled.

The replevin case of Ferdinand J. Goffin vs. F. J. Eldridge et al. was called before Judge Burnett at 4 o'clock Monday afternoon. A jury was secured and case commenced but at adjournment the case was continued till today. The case is on trial to a jury this afternoon.

In case of Sharp vs. Cardwell, action for money, which was argued before Judge Burnett Monday afternoon, jury returned sealed verdict in favor of plaintiff, for \$50.

The grand jury reported two true bills. It is likely the circuit court will have completed its work by Wednesday evening, when adjournment will be had.

Justice Court. Justice Johnson's court Monday was occupied in hearing the case of Fannie B. Fleener vs. O. H. Gilbert, constable of Lincoln precinct. The suit grew out of an attachment levied on three hogs, ten bushels of wheat and three tons of hay valued at \$25, which property was attached by the officer and for the recovery of which Mrs. Fleener sued. Court gave verdict in favor of the plaintiff.

A Fraternal Visit. Last night a number of the members of Centralia Temple, No. 11, Rathbone Sisters, made a fraternal visit to the Ella Houston temple, at Silverton. The trip was made via Basey's wagonette and the ride by moonlight across some of the prettiest country of the state, was greatly enjoyed. The party did not reach Salem on the return trip until 2:30 a. m. today and report a delightful time, the Silverton temple being entertainers of rare ability.

Those forming the party were: Mrs. F. W. Steusloff, Mrs. Col. Olmstead, Mrs. Morris Wiprut, Mrs. J. A. Dickey, Mrs. A. B. Gardner, Mrs. Geo. C. Will, Mrs. C. W. Knox, Mrs. F. T. Wrightman and Mrs. C. L. Parmenter. Misses: Anna Jensen, Edith Eisenhardt, Mona Bowman; Messrs: A. M. Hansen, U. J. Lehman and J. A. Dickey.

Apparently Being Converted. At the open meeting at the University, Friday evening, a straw vote was taken, which resulted as follows: McKinley, 73; Bryan, 45; Palmer, 2. This indicates a noticeable increase in the Bryan vote, over that conducted about four weeks previous, when the ratio of the votes stood about 3 to 1 in favor of McKinley. The increase in the Bryan vote is very gratifying to the members of the Bryan club, recently organized by several students of the University, since it shows their efforts have at least been appreciated. Before the November election, they hope to convince numerous other students of the error of their way, and "gather the wanderers in." Such missionary work on the part of Bryan students, in connection with their studies, is most commendable.

You Can Be Well. When your blood is pure, rich and nourishing for nerves and muscle. Friends of Bryan and Free Coinage who can contribute to the campaign fund, even so small a sum as 25 cents, should do so as funds are badly needed in the closing days of the campaign.
