

Smiles By the Typewriter. "A Square Deal for Oregon," is the significant motto of the Willamette Valley Development League.

The Portland Journal editorially endorses the work done by the Willamette Development League. Well, that is something.

The Journal is making a persistent and consistent fight for the development of Western Oregon. Those who understand what that means and who realize the energy that is put behind the fight are subscribing for The Journal—see our bargain day offer.

Whatever the Republicans may do in the way of nominations, they will not take a recent convert from the ranks of Democratic office holders who came over at a convenient opportunity to office in the Republican party and put him into the highest place on the ticket.

The report on taxation, submitted by J. A. Carson, of Salem, was not only well received by the convention, but has been generally approved as an able presentation of the subject. Mr. Carson showed himself a man of ability to draw up such a report, and secure the unanimous support of the conservative committee with which he worked.

There are no factions among the Marion county Republicans. They stand for good work. The city government is clean and accounts honestly for its revenues and tries to be progressive. The county is out of debt and our people seem to believe in the political church of the best licks.

Charles A. Johns, of Baker City, announces his candidacy for Governor in the Portland Journal. Not a bad place to announce it, considering that the Journal has won every fight it has made in a political way.

The Oregonian's proposition that the State University and State Normal schools be consolidated and located at Portland is a fine expression of liberal Portland thought for the development of the whole state. Move the state cap-

A CREAMY FOOD
Scott's Emulsion is cod liver oil prepared as a food—not a food like bread or meat, but more like cream; in fact, it is the cream of cod liver oil. At the same time it is a blood-maker, a nerve tonic and a flesh-builder. But principally it is food for tired and weak digestions, for all who are fat-starved and thin. It is pleasant to take; children like it and ask for more.

ital there and the state fair, and then there will be no need of building any railroads into the interior. We can take up some that we have.

That noted clam-digger, Hon. B. F. Jones, of Lincoln county, was at the Development Convention, and a telegraphic invitation to the big dinner at the American Inn was forwarded to him, costing \$1.31 telegraph charge. He paid it and wired a telegraph reply to President Goode, of the Lewis and Clark fair board, that would have cost that gentleman about \$6.50. There is nothing slow about the man from Toledo.

Rev. Elayer, of Independence, left his pulpit work long enough to attend the Eugene Development Convention. He does not wear a long-tailed black coat and white tie, but looks you square in the face and meets men as one of them. He made one of the brightest speeches at the convention and got a great burst of applause for his eulogy of James J. Hill, as a railroad magnate, whose coming to Oregon meant something.

The Spring Valley telephone line, in Klamath county, is now in operation, and people living in the upper part of the valley can communicate with Dairy or Bonanza. The subscribers own their own phones, and pay no rent.

WHAT TO EAT
Is very often a hard question for the person to solve who is afflicted with a weak stomach. Experience has taught him to select his food with great caution or else suffer from attacks of heartburn, bloating, headache, indigestion, cramps, dyspepsia, vomiting, costiveness and biliousness. MURDER MOST FOUL
William W. Booth of Hillsboro Killed in the Heart of the Town

William W. Booth, of Hillsboro, was brutally shot down on the streets near the center of that town Saturday night. Several persons heard the shot, and it was but a few moments until Booth was found and carried to his home. He was unconscious, and died about three hours after the shooting. The bullet entered his left eye, and was found in the brain in the autopsy. Suspicion at once fell upon Sydney Brugger, a degenerate, aged about 15 years. He was arrested Sunday, and confessed the crime. He says he had no intention of killing Booth, but wanted money, and that when he pointed his revolver at Booth the latter struck him on the pistol hand with a cane, and the pistol was discharged. Brugger fled, without attempting to take any money. His wife resides in Albany, also two daughters. Mrs. Guy Powers and Mrs. Herbert Kafer. A brother, Edwin Booth, and a sister, Mrs. J. H. Gay, are residents of this city.

SOCIAL EVENTS

Sims-Landess.
Miss Lorna Pearl Landess and Mr. Austin Sims were married at the home of Mr. and Mrs. A. C. Spencer, No. 269 North Twenty-second street, in Portland, Wednesday evening last. The ceremony was performed by W. S. Gilbert, pastor of the First Presbyterian church, of Portland, and was witnessed by a number of relatives and intimate friends.

Miss Mercedes Sims, sister of the groom, played the wedding march from Lohengrin as the party entered, and during the ceremony she rendered Mendelssohn's bridal chorus. The bride was attended by Miss La Verne Fenton, cousin of the bride, while Arthur Derby, of this city was best man.

The bride wore a handsome costume of crepe de Paris, with trimmings of Duchess lace, and carried a shower bouquet of bride's roses. Both the young people have many friends here. Mr. Sims is a son of Thos. Sims, of this city, and resides in Portland. The bride is the daughter of Mr. and Mrs. G. W. Landess, of Lafayette, Ore.

Special Musical Program.
Special music was given at the First Methodist church yesterday, at both morning and evening services. Professor T. S. Roberts, who is blind, presided at the organ, and gave several numbers, while the choir rendered several anthems.

Whist Party.
Mrs. George E. Waters entertained a few friends at an enjoyable whist party last Wednesday, in honor of Mrs. Virgil Ramsey, of Seattle, Wash. Mrs. B. O. Schucking won the first prize, while Mrs. J. R. Whitney carried off the consolation.

Enchre Club.
The fortnightly Enchre Club will be entertained for the first time this season at the home of Mrs. S. A. Dyer, on South Commercial street, Friday, November 3d.

Asylum Hop.
The dance given by the employees of the Oregon insane asylum Friday evening was much enjoyed by a large number of guests. The music and the floor were excellent, and from 8 to 10 the hall was a scene of much enjoyment.

Last Hope Vanished.
When leading physicians said that W. M. Smithart, of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of the grave. He says: "This great specific completely cured me and saved my life. Since then, I have used it for over ten years and consider it a marvelous throat and lung cure." Strictly scientific cure for Coughs, Sore Throats or Colds; sure preventive of Pneumonia. Guaranteed, 50c and \$1.50 bottles at J. C. Perry's drug store. Trial bottle free.

Former Salem Girl Married.
Miss Jennie Goswick, of Aberdeen, Wash., formerly of this city, was married Thursday to Mr. S. Yaker, of Chicago, Ill., at the home of her parents in Aberdeen. Miss Goswick has many friends in this city who wish them many years of happiness. They were in the city yesterday, and left last night for Portland, where they will remain a few days, after which they leave for Chicago, where they will reside.

Cheated Death.
Kidney trouble often ends fatally, but by choosing the right medicine, E. H. Wolfe of Bear Grove, Iowa, cheated death. He says: "Two years ago I had kidney trouble, which caused me great pain and suffering and anxiety, but I took Electric Bitters, which effected a complete cure. I have also found them of great benefit in general debility and nerve trouble, and keep them constantly on hand, since, as I find they have no equal." J. C. Perry, druggist, guarantees them at 50c.

JOYS OF MATERNITY
A WOMAN'S BEST HOPES REALIZED

Mrs. Potts Tells How Women Should Prepare for Motherhood
The darkest days of husband and wife are when they come to look forward to childless and lonely old age. Many a wife has found herself incapable of motherhood owing to a displacement of the womb or lack of strength in the generative organs.

Mrs. Anna Potts
Frequent backache and distressing pains, accompanied by offensive discharges and generally by irregular and scanty menstruation indicate a displacement or nerve degeneration of the womb and surrounding organs.

The question that troubles women is how can a woman who has some female trouble bear healthy children?

Mrs. Anna Potts, of 510 Park Avenue, Hot Springs, Ark., writes: "My Dear Mrs. Pinkham:— During the early part of my married life I was delicate in health; both my husband and I were very anxious for a child to bless our home, but I had two miscarriages, and could not carry a child to maturity. A neighbor who had been cured by Lydia E. Pinkham's Vegetable Compound advised me to try it. I did so and soon felt that I was growing stronger, my headaches and backaches left me, I had no more bearing-down pains, and felt like a new woman. Within a year I became the mother of a strong, healthy child, the joy of our home. Lydia E. Pinkham's Vegetable Compound is certainly a splendid remedy, and I wish every woman who wants to become a mother would try it."

Actual sterility in woman is very rare. If any woman thinks she is sterile, let her try Lydia E. Pinkham's Vegetable Compound and write to Mrs. Pinkham, Lynn, Mass. Her advice is free to expectant or would-be mothers.

EMPIRE THEATER SECURED

For the Republican Conference and Reunion

State Chairman Baker informs The Journal that the Empire theatre has been secured for the reunion and conference at Portland, October 12. There will be seats for all, and no reservations will be made for the Portland people. The conference convenes Thursday morning at 10 o'clock. State Committeeman Hal D. Patton has replies from nearly all the Republican city and county committeemen, stating that they will be in attendance on the conference, and has assurances from many other Marion county Republicans that they will be in attendance, and the indications are that a large delegation will be present from this county. Chairman Baker will place the seats for the Marion county delegates in charge of Mr. Patton, who will have headquarters at the New Lange hotel, and will be there in person to issue tickets to all who attend from this county.

Frightful Suffering Relieved.
Suffering frightfully from the virulent poisons of undigested food, C. G. Grayson, of Lula, Miss., took Dr. King's New Life Pills, "with the result," he writes, "that I was cured." All stomach and bowel disorders give way to their tonic, laxative properties. 25c at J. C. Perry's drug store, guaranteed.

State Game Warden Baker has collected \$1340 in fines for the violation of the game laws.

Do You Believe In Signs.
A mark, note, token or symptom, indicates that by which anything may be known, that is, we are forewarned if evil is to befall us, or we have the pleasure of anticipation if the signs betoken a fortunate occurrence. Accidental occurrences all have their signs, every disease has its symptoms. The point is to heed the former, and counteract the effect of the latter. Spells of sick headache follow indigestion and stomach disorders, belching, biliousness and dyspepsia are signs of sickness. People that believe in these signs and know that they are true from experience, can get immediate relief and a speedy cure by the use of Dr. Gunn's Improved Liver Pills. Sold by druggists for 25c per box. Only one for a dose.

SALEM'S HIGH SCHOOL

Enthusiastic Body of 148 Students Get Acquainted With the Faculty

The Salem public schools opened this morning, with all teachers in their respective rooms, but with little more than half a registration of pupils. The hop yards and the prune orchards will keep many out for a week or two, while a large number, knowing that there would be no recitations today, put off showing up until there is no excuse for staying away.

The corps of instructors which has been secured is a very complete one, and the prospects are bright for a successful and harmonious year of work. The only drawback is going to be the congested state of affairs which will exist in the school rooms, until the new high school building is completed. The East building will suffer the most on this account. There will be 16 teachers in this building, and only 12 rooms. Both upper and lower halls and the basement have been pressed into service, and the superintendent thinks they will thus be able to manage for awhile.

There were 148 pupils registered in the high school this morning. Superintendent Powers assembled the high school students at 9 o'clock in the second floor of the building and explained the course of study which has been outlined for the high school. He spoke of the coming year's work, and then introduced the new high school faculty.

Principal Mariette was the first introduced, and his appearance was greeted by a storm of cheers from the assembled students, who have already learned to like him very much. He spoke briefly of the relations which he hoped to sustain with the students, and said he voiced the sentiment of the entire faculty when he said that there were three things which the high school faculty stood for, they were hard work, scholarship and student enterprises. He stated that he was an enthusiast on athletics, debating and all kindred enterprises, and would lend his hearty support to all such, in so far as they did not conflict with scholarship.

The other teachers were then introduced, but only Prof. Smith, of the Science department made a speech. The Misses Richards, Clark, Townsend and Swafford merely acknowledged the applause that followed the announcement of their names. It was certainly the most enthusiastic student body that ever assembled in a Salem school. The senior class was the first to reorganize for the year. President Harvey Slater called this class to order soon after the superintendent had dismissed them, and the work of reorganization was soon completed. The total enrollment in the East school was 352.
