

REGARDING OREGON'S POLITICS

Opinions of the State Press On Political Events of the State and Day

No Land to Spare. The Observer is informed that the intention of Stockman county...

Oregon Leads. The popular election of United States senators has been practically adopted in Idaho...

Divide Grant County. Judging from newspaper reports division of Grant county seems to be in the ascendency...

Democratic Trickery. The Democrats are making the most of the few promises made them by President Haines...

Solar Plexus Blow. The clerkship graft got a body blow in the senate when the resolution committee voted to abolish well paid sinecures...

Portland General Gets It. The eight Willamette valley counties could afford to issue bonds and build locks at Oregon City...

Six Little Lambs. Guess Hedges will feel a little welcome, being that he is the sixth white-headed lamb in the black fold...

Cannot Do Much. Senator Fulton writes the people of Eugene that he has little hope of being able to obtain a \$50,000 appropriation for their desired public building...

Looking Both Ways. A perusal of the governor's message in detail leads to a conviction that "George" wrote it with a view to "catchin' 'em twine and comin' 'em back..."

With the Arnold Stamp. However, we are inclined to doubt

that 14 bright, brainy Republican senators would so far forget their political manhood to sell themselves to the opposition...

Hit the Bull's Eye. Judging from the remarks of the state press, Governor Chamberlain's message seems to have touched exactly the right spot...

Will Make More Jobs. As a matter of fact, if there is any politics in the question at all it lies with the advocates of county division...

Got Free Ride. The railroad company fails to be very much offended at the anti-corporation (?) Oregon legislators...

Chop Off Claws. Campbell of Clackamas is after the public service corporations, with bare knuckles and blood in his eye...

Salem Chronology. In Salem everything dates from the legislative sessions. Like the farmer planting his potatoes by the changes of the moon...

Bills long contracted are payable when "the legislature meets." Promises made during political campaigns, months in advance, are discharged during the golden 40 days...

Wants Railroad Commission. It is to be hoped that the present session of the legislature will devote its attention to that class of legislation that will converse the interests of the whole people...

Lucas County, wa. Frank J. Cheney makes oath that he is senior partner of the firm of F. J. Cheney & Co., doing business in the City of Toledo...

Sworn to before me and subscribed in my presence this 6th day of December, A. D., 1886. A. W. GLEASON, (Seal) Notary Public.
