**Deafness Cannot Be Cured**  
 by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and this is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
 We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O.

**Restless Nervous**  
 Do you get up in the morning tired, languid, and frequently with headache almost unbearable? You have been unable to rest or sleep. It is nervous exhaustion, and affects the heart, lungs, stomach and all the organs that depend upon the nerves for motive power. What you need is Dr. Miles' Nervine to restore nervous energy and give new life to the organs.

"For years I have been very nervous, suffered terribly with headache, I had always gone to the doctor, and was about to go one day to try him for the last time, when a friend advised me to try Dr. Miles' Restorative Nervine. I purchased a bottle and the results were so satisfactory I have been taking it ever since. It has helped me wonderfully. Dr. Miles' Nervine and Liver Pills have done lots of good for me.
