

Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

We have a Sunday train service, but don't appear to be able to get the mail carried on it. As the train without the mail, is not of much service to us, we believe it would be well for the Toledo and Newport Commercial clubs to take this matter up. Everyone would appreciate getting their mail Sunday.

Several of our friends and readers on the south side called in Wednesday and thanked us for our efforts in aiding them to secure a bridge. While we went into this fight because we honestly thought the bridge badly needed, and would do more to develop the south side than any other one thing, still the thanks are very acceptable and make us feel that our efforts are appreciated. But thanks or no thanks it is our desire to work for the upbuilding of the whole of Lincoln county, and you will always find us behind all worthy projects, no matter what part of the county they are located in.
