SOLDIERS BONUS BILL PASSED HOUSE TODAY

Measure Passed Without Record Vote Now Goes to Senate Then to President.

BORAH AMENDMENT TO LIBERIAN BILL PASSED

Capper-Tincher Grain Future Bill Passed Senate and Was Sent to Conference.

WASHINGTON, Sept. 14.—(A. P.)—Without a record vote the house today approved the conference report on the soldiers' bonus bill. The measure now goes to the senate and with final action there will be sent to the president. After a short debate the senate today passed and sent to conference the Capper-Tincher bill holding inoperative certain sections of the present law regulating trading in grain futures. Acting Chairman McKenzie of the house military committee put into the congressional record today the text of a prayer signed by over two hundred thousand citizens of southern states, urging congress to act speedily on Henry Ford's offer for the Muscle Shoals nitrate plant. The amendment by Senator Borah to the administration Liberia loan bill to appropriate twenty million for the completion of western land reclamation projects was adopted by the senate today.

JAPANESE PURCHASE SHEEP FROM WYOMING

LARAMIE, Wyo., Sept. 14.—Representatives of the Japanese government have been the largest purchaser here. The sheep will be shipped to Japan immediately, going by rail to Vancouver and thence to Tokyo by steamer. The purchase included nearly 300 Rambouillet ewe yearlings.

CITY BUDGET COMMITTEE TO MEET THIS EVENING

Members of the city budget committee will have a real session tonight when they meet to recommend a budget for 1923 for the city of Pendleton. At least they will have some real problems if the meeting of the city council last night forms any basis for judgment, because the city dads worked until about 11:30 o'clock in making up their data which will be presented to the committee tonight.

Because there will be plenty of work to do Mayor G. A. Hartman has called the meeting for 7:30 o'clock. Adjourning may be taken by midnight, but there isn't any assurance that the committee will have all the wrinkles ironed out of the proposed budget in that short a time.

The city should have an income of \$112,000 to run its affairs in a business like manner for 1923, the city council thinks, and a conservative estimate of income on the present basis of taxation will be about \$95,000. That leaves \$17,000 additional to be secured if there is to be an emergency fund of \$5,000. There is an overdraft of \$2,000 to be met which existed at the beginning of the year.

The budget committee will make a recommendation as to what the budget should be at its meeting tonight. It is expected. This recommendation of the budget committee as a whole will then be acted on later by the council.

JANE BURNS ALBERT

Patrons of Happy Canyon this year will have many new features offered for their entertainment, and not least on the bill will be the solo work of Jane Burns Albert of Portland, who has been secured to appear at the night show. The Portland girl possesses a high soprano voice and is in much demand all over the Northwest. She formerly was an operatic star. Western when it comes time to appear before the wild crowd of Westerners at the night show. She will also sing for the Rotarians at their conference next Wednesday.

MORROW EXHIBIT AT HAY AND GRAIN SHOW LARGER THAN IN 1921

Seed Treating Machine to be Sent by Heppner Firm; List of Exhibitors Given.

Morrow county's exhibit at the coming Northwest Grain and Hay Show, to be held here during Round-Up week, will be twice as large as that of last year.

It is expected that Morrow county growers will take a number of prizes, as Burton H. Beck, of Heppner, won first prize for Turkey Red and C. E. Carlson of Tona won first for Forty Fold at last year's show, while other exhibitors from that county won most of the prize money for baled alfalfa.

An interesting feature from Morrow county will be a seed treating machine which is being sent by the Heppner firm which makes it and which will demonstrate during the show. It is attached to the seed cleaner and runs with the same power. It treats with copper carbonate and arrangements have been made to have Umatilla county farmers bring in several loads of wheat for treatment.

Saving Shown Last year's treatment demonstrated that copper carbonate controlled smut on an average as well as other treatments, that the plants were more vigorous, growth was prompter and saved at least 25 per cent. If the method proves satisfactory, at least 50,000 bushels can be saved annually, says Fred Bendon, county agent, as one of the largest items is charged to injury to smut-treatment.

C. C. Callida, Morrow county agent will be here Saturday to start the machine in operation. Following is the list of Morrow county's exhibitors, whose wheat, in part, tests from 25.5 to 29.85 per cent, and who, in many cases, will exhibit their grain at the State Fair after showing it here.

Turkey Red Exhibitors: Certified—L. Redding, Edinboro, E. H. Peterson, Tona, Hays, McIntire, Lexington, H. W. Brown, Tona, and E. E. Mason, Lexington.

Not Certified—Wm. Davidson, Morgan, H. V. Swanson, Tona, Park Bros., Lexington, S. E. Stinson, Lexington, Geo. White, Lexington, and Myler E. Martin, Lexington.

Forty Fold Exhibitors: Certified—Garr, Kelchler, Edinboro, L. Carlson, Tona, L. Redding, Edinboro, and C. E. Carlson, Tona.

Not Certified—Jesse Warfield, Tona, Jeff Jones, Heppner, and Chas. Wagner, Tona.

Hybrid 428: Certified—Phil Coker, Heppner, and L. A. Palmer, Lexington, not certified.

Hybrid 63: A. A. McCabe, Inc., not certified. Galapagos: W. G. Palmatier, Morgan, not certified.

One sack of Missouri grown by E. H. Turner of Tona and one sack of Turkey Red grown by Chas. A. Foster also of Tona, neither of which are certified have been entered.

NEAR EAST WAR HAS DEVELOPED INTO WORLD WAR

French Cabinet Meeting Today in Effort to 'Reestablish Durable Peace in Near East'

SOVIET RUSSIA MAKES DEMAND OF ALLIES

Ambitious Millions of Moslem World Threaten Great War With War Weary Europe.

RAMBOUILLET, France, Sept. 14. (U. P.)—Seeking to avert the world war threatened by the Turkish possibilities in Asia Minor the French cabinet meeting here with President Millerand decided on a policy to "reestablish durable peace in the near east." They also discussed the reparations crisis, the German payment to Belgium being due tomorrow.

In two brief weeks the near east stands a new changed from a petty war of national aspirations in Asia Minor to the actual verge of a great conflict involving in the way the weary nations of Europe in a clash between the ambitious millions of the Moslem world. Great Britain is almost stammered. The Turks are reported to have halted their advance on Constantinople with the British barring the way to enforce the Sevres treaty barring the Turks from Europe. But soviet Russia's intervention demanding the freedom of the Dardanelles, added tremendous weight to the Mustafa Kemal threat to retake the port.

TRANSCONTINENTAL FLIGHT

WASHINGTON, Sept. 14.—(U. P.)—The army dirigible C-2, on its transcontinental flight reached Arkon, Okla. at noon. It started from Langley Field, Va., this morning.

ROD AT MINNESOTA INSANE HOSPITAL

ST. PETER, Minn., Sept. 14.—(U. P.)—One June was shot dead, three months beaten and over a hundred scars—endured in a riot at the state insane hospital here today. Fifty national guardsmen finally quelled the 48-hour riot.

VERSATILE DOCTOR UP AGAINST HOUSE PROBLEM

2925 Special to Arrive Thursday Morning at 7:30

Portland Business Men Will Ask Voters for Right of Portland to Tax Self.

Pendleton's moral support to Portland's 2925 special will be urged by the 125 business men of that city who will make up the personnel of the Portland special which will arrive here Thursday, September 21, at 7:30 a. m. to remain here until Friday at 12:30 a. m.

Monroe Goldstein, advance representative of the special, who is here today, met with Henry W. Collins, president of the Round-Up Association, and George Hartman, mayor of Pendleton, who promised a cordial reception to the visitors. They will be met by the band which later will lead a parade to some centrally located spot where Mayor George Baker will speak. It is possible that he may speak also at Happy Canyon.

COMMITTEE CHOSEN

The commercial association committee in charge of the reception of the special consists of Alger Fox, E. B. Aldrich, N. D. Swearingen, J. W. Maloney, L. L. Rogers, Rex Ellis and Judge G. W. Phelps.

Mr. Goldstein, in explaining the purpose of the special, says that Portland is now asking permission to finance itself for \$3,000,000 for a period of three years and in order to do so there must be a constitutional amendment. This will be submitted to Oregon voters and Portland hopes for their aid and the assurance of a large vote in favor of the amendment. The special is to visit various parts of Oregon. A motion picture machine is a feature and here, as in other cities, motion pictures will be taken.

JAPAN EXPECTED TO RECOGNIZE SOVIET RUSSIA

Only Formal Diplomatic Announcement Needed for Recognition of Moscow.

AGREEMENT CONSIDERED IMMEDIATE POSSIBILITY

Negotiations at Chang Chun Advanced to Where Recognition is Accomplished.

TOKIO, Sept. 14.—(U. P.)—Only formal diplomatic announcement of Japan's definite recognition of the Moscow government of Russia remained today to complete such recognition, it was believed here. Negotiations at Chang Chun between Japan and Russia have already advanced to the point where such recognition is virtually accomplished. A general Russo-Japanese agreement is considered an immediate possibility.

BUFFALO MEAT MAY BE SOLD IN U. S. MARKETS

OTTAWA, Ont., Sept. 14.—One thousand bulls in the herd of the Canadian Government's park at Wainwright, which are considered unnecessary to further development of the herd, may be slaughtered and their meat sold in the markets of the United States and Canada according to present plans of the Department of Parks, Buffalo meat, especially the hump, was formerly considered a great delicacy by the pioneers. When the last census was taken of the herd it numbered 6,146 head, the largest in the world. The nucleus of the herd, numbering 700, was originally obtained from Michael Pablo, a half-breed Indian of Montana, thirteen years ago and has multiplied more than eight times since then.

NEED FOR NEW DUMP GROUND PRESENTED TO CITY COUNCIL MEMBERS

Scavengers May Refuse to Haul Unless Conditions Are Better Than They Are Now.

Refuse from homes and places of business in Pendleton may not be hauled away much longer by scavengers unless a new dump ground is secured, or conditions at the present municipal grounds west of the city are improved, it was intimated last night at the meeting of the city council. An attitude on the part of scavengers not to continue in business was reported by Councilman C. E. Penland after the attention of the council as to the condition of the grounds was called by Councilman Maxwell Friendly.

The question of providing the city with a new dump ground has been bobbing up at intervals for more than a year now, and it came back last night more insistent for a solution than at any previous times. The present ground is so well covered with refuse that teams must be driven over trash that already has been dumped before a place to unload can be secured, members of the council stated.

A discussion of sites for a dump that might be available was held by the councilmen last night, and some talk of condemnation proceedings being brought to secure a site was heard. An investigation is to be made further an effort to remedy the present conditions.

Plans and specifications for improvement district No. 51 were adopted last night, and an ordinance authorizing receiving of bids on paying bluff, Willow, Aura and Cedar streets on the south side of the city was adopted. Plans and specifications for improvements on Wilson street between Madison and Logan streets were adopted.

A letter from the state fire marshal was read in which he commented in laudatory terms on the recent building code which the council considered. The fire marshal urged that the code be adopted.

HOUSE LEFT IN STREET WHILE MOVERS SQUABBLE

CINCINNATI, O., Sept. 14.—Because the owner of a house and a man who contracted to move it disagreed over terms after the business of moving was begun a two-story brick house has stood in the street of St. Bernard for the last nine months. But now the complaining citizens of the village have been told these differences have been patched up, and it is likely that another three months at the most will see the house standing on its intended lot. The mayor of St. Bernard explained that official action in the matter would have been fraught with difficulty, as the Safety Director of the former administration issued a permit to move the house, but neglected to specify a time limit.

IS CONVALESCING

WASHINGTON, Sept. 14.—(U. P.)—Mrs. Harding is reported convalescing. Her condition is satisfactory.

SHOPMEN ON 60 ROADS TO RETURN TO THEIR JOBS

General Strike Will be Called on Roads Not Accepting Terms of Peace Pacts.

TWO OF BIG ORDERS MAKING ARRANGEMENTS

Trainmen and Conductors to Sign Two Year Agreement With Thirteen Roads.

CHICAGO, Sept. 14.—(U. P.)—Shopmen on sixty railroads prepared to return to work today. Separate agreements will be signed. Every railroad will be offered the same inducement to sign with the strikers. Actual agreements on these sixty roads will be signed within three days. They will work at the railroad labor board wage scale fixed for July first. Seniority is unmentioned. Men now employed in the shops will be retained if the roads desire. "Die hard" roads not signing the agreement are threatened with a general strike, according to Bert Jewell, three of the foremost of these are the Pennsylvania, Burlington and Union Pacific. Railroad officials estimated the strike cost the public over half a billion.

W. H. Finley, president of the Chicago and Northwestern, is expected to sign the agreement today, the remaining sixty railroads following suit as soon as the agreements reach them. Shop leaders declared that despite the claim of the three die hard roads that their newly formed unions would withstand the attacks by Jewell forces, there would be a general exodus from the roads refusing to sign. Strike ballots have been mailed to thirty-five thousand clerks on the Pennsylvania.

Among the roads to sign the agreement are: Milwaukee, Tacoma and Eastern, Seattle, Fort Angeles and Western, Puget Sound and Willapa Harbor, Bellingham and Northern.

NEW YORK, Sept. 14.—(U. P.)—

Agreement between two of the four powerful railroad brotherhoods and thirteen carriers for the renewal of the present wage contracts will be answered by the roads at noon tomorrow, according to W. G. Lee, president of the Brotherhood of Railway Trainmen. Lee said L. E. Sheppard, president of the Order of Railway Conductors, together with the chairman and secretaries of the general grievance committee, met with the rail executives in a closed session here.

A. H. Smith, president of the New York Central, called the meeting. The new agreement which would not only continue the present wage of conductors, brakemen, baggage-men, flagmen, yard foremen, helpers and switch tenders, but would also continue in force all the rules governing the working conditions is expected to be signed in its present form. The pending settlement means that all questions of wages and working

REINEMAN FILES FOR STATE SENATORSHIP

L. A. Reineman, east end orchardist and former watermaster, this afternoon filed his petition for state senator from Umatilla county. The papers were placed with County Clerk R. T. Brown this afternoon and this means that Mr. Reineman is definitely in the race as an opponent of Senator Roy W. Ritzer. Reineman is a republican but is making the race as an independent.

LEAVE GUNS AT HOME BUT WEAR REGALIA FOR HAPPY CANYON DANCE

Shooting irons are taboo, but fancy shirts, passionate vests and big broad brimmed hats will be in style for men at the dance to be given by the Happy Canyon management tomorrow evening. This will be the second dance to be given by the management as a part of pre-Round-Up activities.

Lester Cronin is paying in some extra work on the floor of the dance hall to get it in first rate condition for the crowd of dancers which is expected to be present. There will be no ticket selling campaign, but the postboards may be purchased by the men at the door. Ladies may walk in without squaring themselves with the ticket man.

Dancing will begin at 8 o'clock and will be concluded at midnight.

NOW COMES THE FOOTBALL SEASON.
