The Vorwaerts says it reached its conclusion from what is already known of the current budget, pointing out that the increase in army and navy expenditures over that stated by the government is \$31,400,000.

YOU NEED S. S. S.

Every sufferer of Rheumatism needs S. S. S. because this great blood purifier is a certain cure for the painful disease. Rheumatism is caused by an excess of uric acid and other corrosive, irritating impurities in the blood, which are carried through the circulation to the different portions of the system. This acid matter coats the nerves, muscles and joints with a fine, caustic deposit and the sharp cutting pains or dull, constant aches are produced. S. S. S. cures Rheumatism because it is a perfect blood purifier. It goes into the blood, neutralizes the acids, and dissolves the irritating particles and forces them out of the system through the natural excretory channels. Then all inflammation and swelling subside, the pains and aches cease, and not only is Rheumatism permanently cured but under the tonic effects of S. S. S. the entire health is benefited and built up. S. S. S. reaches inherited cases as well as those which have been acquired, and good results always follow its use. S. S. S. is an absolutely safe remedy because it contains no strong minerals to damage the system. It is made entirely of roots, herbs and barks. Book on Rheumatism and any medical advice free to all who write and request same. S. S. S. is for sale at leading drug stores. THE SWIFT SPECIFIC CO. ATLANTA, GA.

All Evidence of Impure Blood and a Run-Down Condition

When the blood becomes thin, poor, devitalized nature cries out through such external and often painful evidence for help, and the safest, surest and most helpful remedy we know is Vinol.

This is because it is a combination of the two most world famed tonics—the medicinal curative elements of cod liver oil (without the oil) and tonle iron for the blood. Vinol strengthens the digestive organs, creates a hearty appetite purifies and enriches the blood, creates strength.

Mary Lang of Altoona, Pa., says: "Ever since childhood, I have been delicate, and my blood poor, thin, and devitalized. Nothing seemed to help me until I took Vinol and it has built me up and made me strong."

We say positively there is nothing like Vinol to purify and enrich the blood and build up weak, run-down people. If it should fail in your case we will return your money. Medford Pharmacy.
