

### PICATO CLEVEREST IN RECENT YEARS

With all the great championship battles of Thanksgiving day over, local boxing fans will now turn their attention over to the home match, Bud Anderson and "Babe" Picato, who are scheduled to box ten rounds for the lightweight championship of the northwest on December 4th before the Medford Athletic club.

Although Picato is not yet out of his "teens" he is considered by famous sporting writers, to be the fastest and cleverest boxer produced in late years. Picato has only been in the ring three years, boxed his first year as an amateur, then branched out into the professional ranks and has yet to meet his first defeat in the boxing game.

Picato comes from a fighting family, he being the youngest of three brothers, the other two being Charley and Frank the latter a few years ago was considered a top notch lightweight and has had three ten round no decision bouts with champion Ad Wolgast. Charley another brother is now boxing with fair success around Los Angeles, but "Babe" is the star of the family. Boxing seems to have been hereditary with him, as in the ring he goes on about his business like a past master at the game.

In meeting Anderson, Picato realizes that the Vancouver whirlwind is a hard nut to crack but "Babe" says, "they all look alike to him."

### MANY WOULD HAVE POLICE MATRON JOB

According to members of the committee of the Greater Medford club named to recommend some person for the job of police matron in this city there is no dearth of candidates. A large number of applications have been received, not only from women in the city but from many outside cities, from Los Angeles to Seattle as well.

The women have not as yet decided as to which one of the applicants they will recommend, but are carefully looking over the list. The committee, however, is opposed to the importation of a matron.

### "HAS BEENS" FAIL TO DOWN THE KIDS

The high school football team Thursday came back into form and soundly trounced the heavier alumni team by a score of 18 to 12. For the first three minutes of the game the alumni looked dangerous but once they had run through their limited number of plays the high school boys solved the attack and had things their own way. A dense fog was responsible for the alumni scores, as the ball was twice lost in the mist and the older heads found it first. The high school played a strong defensive game, worked a forward pass successfully for a touchdown and made consistent gains through the heavier line. The team is in good shape for the game with Albany here on next Tuesday. It is hoped that a large crowd will turn out for the Albany game as the financial side of the season has been very unsuccessul.

### WET STREETS MAKES DRIVING DANGEROUS

The present condition of the city's streets is causing automobile drivers considerable trouble as the tendency on the part of machines to skid at corners and when brakes are suddenly applied is very marked, owing to the coating of slush on the pavement. A number of near accidents have occurred.

Dr. Morrison's car skidded suddenly Thursday on the east side striking a curb and crushing a wheel. A number of others have narrowly escaped a like accident.

### MADAME LABADIE PLEASAS MANY

A fair size audience at the Natatorium Thursday evening were charmed by the work of Madame Labadie in "Tomorrow." Throughout the evening she held the attention of her audience.

Madame Labadie appeared under the direction of the Greater Medford club.

### 1,000 THEFTS CREDITED TO SLAIN BURGLAR

JOSEPH VOGEL

DETECTIVE MARTIN F. FAY

### IDENTIFY VOGEL AS SAM V. DAVIDDOR

MILWAUKEE, Nov. 28.—That Joseph Vogel, master of a small army of thieving foreign working girls, who was shot to death in the Elsmere Hotel in The Bronx, New York, and Sam V. Daviddor, ex-Milwaukee clubman, stock and mining promoter and man about town, were one, is the opinion of police officials here.

If the deductions of the police department are right it will reveal the first information as to the identity of the man, who, the New York police say, directed more than 1000 robberies in that city.

Daviddor was a big mining, oil and stock promoter in Milwaukee until he was indicted by the grand jury for illegal use of the mails. Daviddor also went to Portland.

Or, where he was the chief promoter of the Washington Home Telephone company. A few months later the concern collapsed and Daviddor disappeared for about one year. At the same time, he was interested in several mining deals, posing as a promoter of mining properties of fabulous wealth.

Daviddor was next heard from in Portland in November, 1909, when he was indicted by the Federal authorities for alleged misuse of the mails to defraud investors in connection with the management of the Pacific Northwest Realty Associates.

Daviddor was well known in Medford having visited here several times. He claimed to be seeking investments and was entertained by local real estate men. In appearance, he was a French dandy and a lavish spender.

### RIVERS VICTORIOUS OVER MANDOT

LOS ANGELES, Nov. 29.—After twenty rounds of hard fighting at "Uncle Tom" McCarrey's Vernon arena yesterday afternoon, Mexican Joe Rivers, was awarded the decision over Joe Mandot of Memphis, Tenn.

Mandot, the "Fighting Frenchman" led all the way to the eighth round, when his speed left him and he was unable to keep away from the Mexican's fierce onslaughts and only his extreme cleverness enabled him to stay the twenty rounds. In the final round, Mandot made a wonderful burst of speed and was fighting wildly when the gong sounded, but Referee Charley Eytan raised the right hand glove of Rivers' in token of victory.

Presbyterian Church Splendid Thanksgiving services were held at the Presbyterian church yesterday, and a large congregation was there to appreciate them.

Evangelist meetings commence Sunday, Dec. 1, and continue for two weeks. Dr. Wm. Parsons of Eugene will assist in these meetings. Dr. Parsons is one of the best preachers on the Pacific coast and we know him in Medford.

A luncheon in the chapel of the church, Monday evening at 6:30 for all the men to meet Dr. Parsons at the very first of the meetings and to be the better prepared to help in the work.

It being the regular election night the following officers were elected for the ensuing term. Past consul J. W. Ling, Consul Commander B. F. Mulkey, Adviser W. T. Shouits, Banker John A. Perl, Clerk W. B. Jackson, Escort B. C. Sivertson, Watchman F. E. Hammond, Sentry Charles McClain, Manager A. J. Anderson. A large amount of routine business was transacted.

### TELLS CRAWFORD TO MIND HIS BUSINESS

SALEM, Ore., Nov. 29.—"Attorney General Crawford is running his office and I am running mine." This was the extent of the comment Governor West would make when asked today if legal technicalities would stand in the way of the hunched executions of five condemned men December 13.

### BASEBALL MAGNATES AT BRUSH FUNERAL

INDIANAPOLIS, Ind., Nov. 29.—With many prominent baseball men in attendance, the funeral of John T. Brush, late president of the National League club, was held here this afternoon. The bier was literally covered with flowers.

The services were held in St. Paul's Episcopal church, and interment was in Crown Hill cemetery.

Among the dead magnate's former associates who paid their last respects were John J. McGraw, manager of the New York Giants; August Hermann, president of the Cincinnati Reds; Thomas J. Louch, president of

### Recovered From Severe Lung Trouble

While we all know that plenty of fresh air and good food are necessary to persons suffering from lung trouble, something more is needed to bring about full health. Eckman's Alternative is a medicine for throat and lung troubles, and so many reports have been received showing that it brought about good results in a number of cases which were declared hopeless, that all sufferers who are not benefiting otherwise, should, at least, investigate what it has done for others. It may be the means of restoring you to health. Investigate this now.

Medison Lake, Minn. "Gentlemen: In December, 1908, and March, 1909, I was taken with bronchitis and pneumonia, which confined me several weeks each time to my bed. These attacks were very weak and I coughed at night and could not sleep. My appetite also failed me. My doctor advised me to get West. So in September, 1909, I planned to go, and I had four more hemorrhages, which put me in bed for three weeks.

In November I started for Denver, Col. After my arrival, I met Michael Brody, who, upon hearing of my condition, urged me to take Eckman's Alternative. I kept on taking the medicine and improved fast. In March, 1910, I returned home. I think I am entirely well, have a good appetite and sleep well. When I left Denver my weight was 130 pounds. I now weigh 185, and my normal weight. I thank God and your Alternative for my recovery from tuberculosis. I will gladly do so.

Many different forms of treatment did me no good, but last spring I took Vinol and now I am so much stronger and better that I want you to know it. I don't know when I have felt so well and vigorous as I have since taking Vinol."
