

We Must Have Money---Between Now and the 1st of January We Must Raise \$29,000.00

This is a Tremendous Amount of Real Cash and to Do It Requires the Most Drastic Price Cutting Ever Known of in Medford

Here are the plain facts---This valley this year raised the greatest crop in its history and this store, expecting as good business as a year ago and better, prepared for a big business. This business has not developed and in consequence we find ourselves obliged to pay \$29,000 between now and January 1, 1913.

Part of this money is now due and must be paid. Eastern wholesalers and manufacturers won't listen to any such nonsense as bad season, etc. All they want is their money.

So in order to sell this tremendous amount of goods we will start a sale on Saturday, Nov. 30th that will make all former sales look insignificant. Every article in this immense store will be reduced. Some goods will be sold as low as 40c on the dollar.

Now is the Time You Need the Goods---Now is When We Need the Money. Supply Your Needs at 40c, 50c, 60c on the \$

Store will be closed all day Friday, November 29th to mark down goods and get ready for this sale of sales. Doors will open at 9:30 Saturday morning.
