**EAGLE POINT EAGLES.**  
(By A. C. Howlett.)

Mr. Ornel of Persist was a cutter has been quite a number of people here from different parts of the will be the busy ones.

George Givens and Ben Brophy who brought in a small load of squashes and other kinds of vegetables to be shipped on the P. & E. railroad. Alex Betz, Mr. Betty, Mr. Harton, the man who bought the Joseph Hader place, Mr. Hitchcock, Mr. Bishop of the Hollywood orchard. He says the electric light and power line that is coming to Eagle Point passes by his place and that they have about all the poles set in his neighborhood. John Rader, Timmy Dugan and Nick Young were here trying to arrange to have the telephone lines extended so as to reach them, as they want to put phones in their houses; also Peter Betz and W. W. Taylor are talking of having phones put in their homes.

Mr. Sweet has been hauling apples and canning them from the Health orchard above Brownboro for the past few days, and Mr. Corbin is loading another car with apples. I understand that he has shipped eleven carloads of No. 1 apples and one car of culms, the latter to San Francisco.

W. C. Daley, Carl Stanley and Young M. Berberstead were doing business with our merchants during the past few days.

Miss Jessa Riley, daughter of our ex-county commissioner Thomas Riley, and Miss Mattie Minter were also doing business among us, Miss Mattie taking the Eagle Point-Persist stage Wednesday morning for her home north of here.

Mr. Ornel of Persist was a cutter Tuesday, taking the car for Medford Wednesday and so was Ezra Whitley. Mr. Whitley has just come in from the Coquille country and reports that the woods from Coquille to Roseburg are in a frightful condition, that the staves are abandoned and ordinary wagons are substituted.

Anthony McCabe, who has a homestead along the P. & E. railroad was a pleasant caller and reports that the county road that was graded between the Reese Creek school house and the Vestal place is almost beyond the possibility of being traveled.

**NEW TODAY**

Anyone wanting to exchange for city property or acreage in Southern California, will do well to call on me, as I have some fine properties in and around San Diego, for which the owners will take ranch property here.

A fine home, five rooms, and bath, built in furniture, and first-class construction throughout. Owner will sell for \$2500.00 and take \$500.00 down and balance like rent. Here is a chance to get out of the rent rut. Do it now.

Two fine small homes, close to town, for exchange for Medford homes.

"At the solicitation of many citizens I have decided to become a candidate for the office of mayor at the coming election in January. In this connection I wish to state that if elected, I will use my best efforts to give the city a clean business administration."  
(Paid Advt.)

**C. E. Gates**

During the last ten days a number of citizens have called upon me, requesting me to become a candidate for mayor of the city of Medford. After due consideration and consultation with citizens in all lines of business, I have decided to announce myself as a candidate for said office. I therefore present to the voters of Medford, for their consideration, my platform, which is as follows:

An honest, open and above-board, clean cut business administration.  
A fair and square deal at all times.  
Equal rights to all. Special privileges to none.  
A genuine peoples public market.  
Regarding the liquor question. Personally I do not drink, never have, but as long as the government, state and city license saloons, and under strict regulation they obey the law, they are entitled to protection. Should they persist in disobeying the law, their license should be revoked.  
A careful accounting of all finances.  
All disbursements subject to public inspection and open for publication by the city press.  
Due consideration of all petitions for and against public improvements.  
A rigid practice of economy, except when such economy has a tendency to retard progress.  
I will further all progressive matters of general improvement for the city, but such must come within the scope of good business.  
I shall endeavor to use my best efforts for the keeping of the city in a sanitary condition at all times.  
Whereas, after years of struggle, the women have been given the privilege of exercising their rights of citizenship, due consideration will be given them on all matters of public importance. Should I be elected, I assure the people that I will be mayor in fact as well as name. I will not be the fool of any clique, and will be influenced only by what I believe to be right and equitable. If the above platform meets with your approval and you believe I am capable of filling the office, I will appreciate your support.  
C. E. GATES.
