CHINESE MULCTED OUT MILLIONS BY SWINDLERS

SAN FRANCISCO, Feb. 3.—The San Francisco Chinese World is authority for the statement that more than a million dollars was secured from the Chinese of the country and Canada by agents of Oriental swindlers who traded upon the patriotism of their countrymen. They claimed that the Russian empire was preparing to swoop down upon China and wrest control from the infant republic, the swindlers securing sums ranging from \$10 to \$250, from thousands of Chinese. The Chinese Six Companies learned of the plot recently, according to the editor of the World, and has taken steps to notify the Chinese president that there is absolutely no truth in the fears spread by the bunco operators.

CALIFORNIA SENATE OPPOSES SINGLE TERM

SACRAMENTO, Cal., Feb. 3.—The senate went on record today against the single six year term for president, the vote being 23 to 10. QUEEN GUARDED FROM SUFFRAGETTES

LONDON, Feb. 3.—Ostensibly to protect Queen Mary against suffrage activities but in reality to guard her from suspected attempts at assassination by Indian malcontents, a heavy detachment of soldiers and police surrounded the Royal carriage today when the queen motored from Windsor Castle to hold the pre-Lenten court at Buckingham Palace. The queen's levee will be held tomorrow and the court on Friday night.

HAYWOOD ARRAIGNS AMERICAN FEDERATION

SEATTLE, Feb. 3.—Speaking to 2500 people at Drenthland Rink, William D. Haywood, the noted direct actionist, arraigned the American Federation of Labor as the greatest foe to the laboring classes, and openly advocated sabotage. He declared that the United Mine Workers of America as an example, has been turned over to the bosses. The labor federation, he said, by dividing into trade unions failed to muster the power of its supposed numerical strength. He advocated one great union, and admitting to membership all classes of workers and not only those of "skilled labor."

THE RETURN OF BLOOD ERUPTIONS

No Reason Why Anyone Should Suffer With Such a Disheartening Experience.

No case of erysipelas blood poison is ever cured until the last particle of the virus has been removed from the circulation. The least taint left in the blood will, sooner or later, cause a fresh outbreak of the trouble, with all its hideous and destructive symptoms of ulcerated mouth and throat, copper colored spots, falling hair, sores and ulcers, etc. No other medicine so surely cures erysipelas blood poison as S. S. S. It goes down into the blood and steadily and surely drives out every particle of the infection. It absolutely and perfectly purifies the blood, and leaves this vital fluid as fresh, rich and healthy as it was before the destructive virus of contagious blood poison entered the circulation. S. S. S. quickly takes effect on the blood, and gradually the symptoms disappear, the health is improved, the skin cleared of all spots, sores and other blemishes, the hair stops coming out, the mouth and throat heal and when S. S. S. has cleansed the system of the poison no trace of the disease is left. S. S. S. cures contagious blood poison because it is the greatest of all blood purifiers, tested and proven in hundreds and hundreds of cases all over the country. You will find S. S. S. for sale in all drug stores at \$1.00 per bottle. Write to The Swift Specific Co., 127 Swift Bldg., Atlanta, Ga., for private medical advice and a very instructive book on all blood diseases, sent free, sealed in plain wrapper.

BUDAPEST, Feb. 3.—Police investigation today traced to the blunder of a girl telephone operator, a triple tragedy which shocked the Hungarian capital. Mme. Bela Gross, a married woman, arranged over the telephone a rendezvous with an admirer, M. Feldink, a prominent bank official of Budapest. Accidentally the telephone operator switched in a third connection while Feldink and the woman were talking, and Neuburg, a poor laborer, heard their conversation. Realizing that he might cash in on his information, Neuburg told Gross where he could find his wife and her companion, and when Gross came upon them Mme. Gross and Feldink killed themselves. Neuburg, too, then killed himself, leaving a note which said that he received \$12.50 from Gross for the information that cost two lives.
