CITY WILL FORCE ACTION IN REGARD TO LIGHTING RATES

At a special session of the city council at 9 o'clock Thursday morning a committee composed of Councilmen Campbell, Miller and Summersville was appointed to meet at once with representatives of the Oregon-California Power company and submit a proposition in regard to rates for electricity in the city. Failing to receive a proper response on the part of the power officials the council will draw an ordinance fixing rates from which the company cannot get away except on appeal to the public utilities commission.

ASSOCIATION SUES RAU FOR DEBTS HE LEFT BEHIND HIM

On behalf of thirteen local merchants, claimants for amounts ranging from \$3 to \$400, and aggregating \$329, the Medford Merchants association has brought suit against W. F. Rau, formerly of this city but now of Chilo. A note sent to the Jackson county bank by Rau for collection has been attached. It is reported that the \$329 does not cover all that Rau owes in the city in open accounts but only the sums owed members of the Merchants association. The complaint has just been forwarded for service on him. The case will be heard later in the circuit court.
