### ANGLERS CENSURE WESTERLUND'S AND CARKIN'S ATTITUDE

At a meeting of the Rogue River Fish Protective association held Thursday evening at the library hall, resolutions deploring the attitude of Representatives Westerlund and Carkin in subordinating the fish bill to the armory were passed and the representatives censured for not giving Representative Reames hearty support. The armory project does not meet with the enthusiastic support of the fishermen.

It was decided to continue the work of circulating petitions to the governor asking for a veto on the fish bill and to invoke the referendum provided the measure was passed over the veto by the legislature next week.

The matter of cooperation with the state game commission for stricter enforcement of fishing laws next season was discussed and a fund will be raised to prosecute delinquents.

Word was received from Rod Macleay, representing the lower river interests, that he would meet the local anglers Saturday and discuss the situation as well as tell of the legislative struggle. A meeting of the association will be called to meet him Saturday evening.

### UNION REVIVAL SERVICE HELD AT JACKSONVILLE

The union revival services at Jacksonville, conducted by Capt. C. O. Branson's wife, are gaining in interest every day.

Last Sunday 32 young people of the M. E. Sunday school united with that church and at the morning services six adults.

Rev. Handy having to be absent last Sunday will give an opportunity Friday to those wishing to unite with the Presbyterian church.

At the final meeting Sunday night so many accepted Christ it was decided to continue the meetings another week.

Tonight the captain will give a talk on his work in the slums and on Monday night following the close of the meetings he will give his lecture on "The Devil's Twins and His Bible." Captain Branson is an "old-time preacher of the Peter Cartwright style; he is a strong, forceful speaker and strong men are seeing themselves in a new light and are accepting Christ as the Savior.

### "FAGED-OUT WOMEN"

**Will Find a Helpful Suggestion in This Letter.**

Overworked, run down, "faged out" women who feel as though they could hardly drag about, should profit by Miss Richter's experience. She says: "Last winter I was completely run down and felt faged out all the time, was nervous and had indigestion.

"One of my friends advised me to take Vinol and it has done me great good. The tired, worn-out feeling is all gone and I am strong, vigorous and well. The stomach trouble soon disappeared and now I eat heartily and have perfect digestion. I wish every tired, weak, nervous woman could have Vinol, for I never spent any money in my life that did me so much good as that I spent for Vinol." Marie Richter, Detroit, Mich.

Thousands of women and men who were formerly weak and sickly owe their present rugged health to the wonderful strength-creating effects of Vinol. We guarantee Vinol to build you up and make you strong. If it does not we give back your money. Medford Pharmacy, Medford, Oregon.

### KIDDIES INVITED TO SEE SHOW FREE

Saturday will be a great day for the kiddies at the Ugo theatre. The management of the popular little West Side theater have announced that they have sold their matinee Saturday afternoon to a citizen of Medford, who does not wish his identity disclosed, for the sole purpose of entertaining the children of the city. Every child in the city under 15 years of age will be admitted free as the guest of this gentleman.

The program is one that will appeal to the children as well as grown-ups. A two-reel Pathe feature, "The Great Steeplechase" depicts a starting race from start to finish and is full of action. A splendid comedy has been provided as well as a drama. The show will entertain the children so let them come. Matinee starts at 2:30 p. m.

"The Great Steeplechase" is the feature for the week. It will interest all. The Moving Picture World, motion picture's harshest critic, says of it:

"The Great Steeplechase"—In this special two-reel drama the feature is easily the steeplechase. It is a thrilling contest. There are spills, three of them. How the riders escape with their lives will puzzle the beholders. The villain is played by Bigelow Cloper, the well-known Edison player. His work is carefully done, as always. An element of comedy is introduced through a young African, who takes the role of stable boy. The scenes of the race course and of the race will interest any audience. The production really is a feature."

Friday evening the "Rusty Hinge" quartet will sing. It is a great favorite in the city all of the boys, Cousin Mittleberger, Shorty Lawrence, Buster Merrill and Fletch Fish, being well known. The boys, according to their sparring partners are in great condition for a four round bout. So hear them.

### 7 AMENDMENTS TO BE VOTED UPON

SALEM, Or., Feb. 28.—According to the joint resolutions today on file in the office of the secretary of state, there will be seven amendments to be voted on by the people in 1914. They are:

Providing that only fully naturalized aliens may vote; allowing indebtedness to be incurred for reclamation of arid lands; creating the office of lieutenant governor; relating to powers of assessment and taxation; providing for uniform rules of assessment and taxation; providing for methods whereby cities and towns may be merged into adjoining cities and towns, and to allow the city of Portland and Multnomah county to be merged under one government.

### Clean hair brushes with GOLD DUST

To clean hair brushes without injury, have ready two basins, one three-fourths full of boiling water and the other with the same amount of cold water. In the boiling water, dissolve a teaspoonful of Gold Dust washing powder and shake the bristles up and down in the solution until they are thoroughly clean, then at once rinse well in cold water and stand the brush to dry in the air or in a warm place, but not too near the fire. Of course the back of the brush must not be wet.

Good hair brushes are costly, but if properly cared for they will last for years.
