SUCKING BABES WED WITH TRIBAL RITES

BOMBAY, March 4.—With imposing tribal ceremonies 800 native children of ages varying from ten years to 12 years have just been married at Surat, India. Early marriages are common in the East, but the Lewa Kumbi sect only celebrate weddings every ten years, so practically every child over one year was rounded up and duly married off. Not one of the brides was over 12, and the majority were between one and seven years of age, while the bridegrooms varied from three to nine. Most of the "happy couples" had to be nursed by their parents during the ceremony, and sucked candies in blissful ignorance of their fate.

WARNING!
Since its introduction into the United States, the sales of Parisian Sage have been phenomenal. This success has led to many imitations. Look out for them, get the genuine. See that the girl with the auburn hair is on every package.
Parisian Sage is the quickest acting and most efficient hair tonic in the world.
It is made to conform to Dr. Sangrebon's (of Paris) proven theory that dandruff, fallin hair, baldness and scalp itch are caused by germs. Parisian Sage kills these dandruff germs and removes all trace of dandruff in two weeks, or money back; it stops falling hair and itching scalp and prevents baldness.
And remember that baldness is caused by dandruff germs, those little hard working, persistent devils that day and night do nothing but dig into the roots of the hair and destroy its vitality.
Parisian Sage is a daintily perfumed hair dressing; not sticky or greasy, and any woman who desires luxuriant and bewitching hair can get it in two weeks by using Parisian Sage. 50 cents a large bottle at Charles Strang's and druggists everywhere.
