SIGHT OF WATER CAUSED STAMPEDE

PLYMOUTH, Ind., March 27.—Gilbert Kessler, a refugee from the flood stricken city of Peru, Ind., arrived here today. He said: "The sight of the rushing water seemed to take the heart out of most of us, especially the women. Night and day we could hear the women shrieking. I piloted one rescue boat to the courthouse and filled it with refugees. One of the passengers was a woman. We were moving unsteadily when suddenly the woman arose and wailed: 'What is the use? We will all be drowned anyway!' Then she plunged into the torrent. 'The next moment I found myself in the water, and having no chance to swim, grabbed the stern of the boat and drew myself aboard. We then rescued another swimmer. 'I was later bringing in another boatload when another woman plunged out of the boat, despairingly, throwing us all into the muddy water. 'The current swept around the street corners at a tremendous rate."

How to Make Better Cough Syrup than You Can Buy

A Family Supply, Saving \$2 and Fully Guaranteed. A full pint of cough syrup—as much as you could buy for \$2.00—can easily be made at home. You will find nothing that takes hold of an obstinate cough more quickly, usually ending it inside of 24 hours. Excellent, too, for croup, whooping cough, sore lungs, asthma, hoarseness and other throat troubles. Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 3 minutes. Put 2 1/2 ounces of Pinex (fifty cents' worth) in a pint bottle, then add the Sugar Syrup. It keeps perfectly. Take a teaspoonful every one, two or three hours. This is just laxative enough to help cure a cough. Also stimulates the appetite, which is usually upset by a cough. The taste is pleasant. The effect of pine and sugar syrup on the inflamed membranes is well known. Pinex is the most valuable concentrated compound of Norway white pine extract, rich in gualacol and all the natural healing pine elements. Other preparations will not work in this formula. The Pinex and Sugar Syrup recipe is now used by thousands of housewives throughout the United States and Canada. The plan has been limited, but the old successful formula has never been equaled. A guaranty of absolute satisfaction, or money promptly refunded, goes with this recipe. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
