

BAD CHECK ARTIST STINGS MERCHANTS BUT IS ARRESTED

J. A. Ray alias J. O. McGuire, was arrested late Saturday evening after he had passed a number of worthless checks on local merchants. He will be given a hearing this afternoon before Justice of the Peace Taylor.

Ray first visited C. M. Kidd's store Saturday afternoon and purchased a pair of shoes for \$4.50 cashing a \$25 check. He then passed a check for \$10 at Nicholson's hardware store buying a carving set. Leaving there he went to Warner, Wortman & Gore's where he cashed a check for \$3.50. The first two checks he signed J. A. Ray and the third one J. O. McGuire.

Ray aroused suspicions at Warner's and an investigation followed which culminated in Ray's arrest. He arrived from the south Friday evening.

CATTLE STEADY IN PORTLAND MARKET BUT HOGS LOWER

PORTLAND, April 14.—Receipts for last week: Cattle, 1670; calves, 156; hogs, 2226; sheep, 2573; horses, 8.

Market steady to a shade lower. The yards were filled with a very liberal run. Trading was extremely active the first period, but lost prestige toward the close. Only one load of prime steers sold at \$8.25 Monday. Bulk of sales averaged from \$7.60 to \$7.90. Weight decreased and beef quality graded medium to good. Butcher stock sold well throughout, especially cows and bulls. Bulk of cow sales ranged between \$6.50 and \$7, with a few small lots realizing over 7 cents. Bulls are firm, but a slight loss to the real trade shaded the \$9 top to \$8.75. Generally the cattle market is 67 to 10 to 15 cents with demand not so urgent. \$8 to \$8.15 for best steers, \$7 to \$7.15 for cows, \$6 to \$6.25 for bulls and \$8.75 for calves are extreme quotations.

The hog market was shattered in quick time after buyers commenced hammering the high level of last week. Falling eastern markets, together with liberal liquidation gave them an opportunity to lower bids and thereafter the decline was rapid. From the unsteady Monday top of \$9.60, prices hit bottom at \$9.30 on Wednesday and Thursday, where it settled temporarily at least. All grades of swine decreased proportionately with the best light variety and is still on unsteady basis.

Mutton buying was limited to a half dozen cars of wethers, ewes and lambs, all selling at recent high prices. Wool wethers at \$7.25 and ewes at \$6.25 indicate the range in prime stuff. Best lambs sell easily at \$8. All sheared stock a dollar less.

Both Brown and Anderson wound up their training yesterday. Anderson had not intended to box, but he felt so foolish that he found it necessary to plow through a dozen spirited rounds, in which he showed to advantage. Brown also finished his preparation with a flourish.

Anderson, his camp claims, is in 50 per cent better condition than upon the occasion of his first meeting here with Brown, which resulted in a draw. He is near the required weight, without being stale or over-trained, Manager Donald declares. Brown's condition is apparently perfect.

BUD IN BETTER SHAPE THAN FOR FORMER BATTLE

LOS ANGELES, Cal., April 14.—There is ten dollars in Los Angeles ready to bet on Bud Anderson for every eight dollars to be wagered on K. O. Brown for the second meeting at the lightweight limit in Vernon arena tomorrow night. It was predicted that ten to eight or possibly a slightly longer price will prevail at ringside.

OVER HALF AN INCH OF NEEDED RAIN FALLS

The present rain storm has done much good in the valley and ranchers and orchardists are rejoicing accordingly. Sixty-nine one-hundredths of an inch of rain fell.

Some concern is felt regarding pollination. With the blossoming season at hand sunshine is needed to allow the bees to work. It is not believed, however, that the present weather will hold any length of time. Showers are predicted for tonight and tomorrow.

SUPREME COURT FAILS TO DECIDE ANY CASES

FIND NO APPLES UPON TABLES OF OREGON HOTELS

Albert Tozier, a newspaper man, whose summer home is in the Hood river valley, is in the city and within the past three weeks Mr. Tozier has been in forty-two towns from Hood River to Dunsuir, Cal., and from Dunsuir to Klamath Falls and return this far and he says that in only two places in Oregon and one in California has he seen an apple on the table.

"What is the matter with the apples" he asks. "I have seen in Jackson county, apples displayed at 35 cents a box and yet no hotels or restaurants will not serve the green apple on the table. The guests at Hood River hotels and restaurants find no apples on the table."

"Apples are a nice table ornament," he says, "and tender. There are thousands of people who enjoy eating them at meal time. Why not place them on the table? In Hood River county the excessive high price will not permit of serving apples except in pie, but elsewhere there appears to be no real reason for omitting this fruit."

"On the trains it is possible to buy a very small apple for a nickel. In a county that produces such excellent fruit as does Jackson, the hotels and restaurants should encourage citizens as well as the traveling public to eat apples. It travels the state."

Mr. Tozier called attention to a matter that to him seems an excellent way in which to advertise the Shasta route. "At Shasta Springs" says he, "as some know, there are thousands of gallons of mineral water going to waste, yet in order to obtain a drink of that water while the train stops there one must drop a nickel in the slot to obtain a paper cup, and if desiring to take along some of this water and without a vessel in which to hold the same, must pay 25 cents for a bottle of the water, and this right at the springs. Why bless you, good elder vinegar can be had at any store in the state for ten cents a bottle, but right at the Shasta Springs where thousands of

gallons of go unused the water costs 25 cents per bottle.

"It would seem that the Southern Pacific would supply Shasta water on the train. But Shasta water is a California product, while Jackson county apples are grown in Oregon. Boost Jackson county apples."

ECHOES FROM PHOENIX

Phoenix Happenings Always Interest Our Readers.

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Phoenix resident leaves no room for doubt on this point.

Mrs. J. Waterman, Phoenix, Oregon, says: "I have no hesitation in recommending Doan's Kidney Pills, as I have had ample proof of their merit. Over-exertion or being on my feet for any length of time, caused my back to ache and sent sharp pains through my loins. Frequent headaches and spells of dizziness also bothered me. I knew that my kidneys were at fault and, hearing Doan's Kidney Pills highly recommended, I procured a supply. I began using them and they relieved the difficulties which had so long distressed me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
