MEDFORD BEST PLACE
SAYS J. C. SCHMIDT

That Medford is the best place of all is evidenced by the following letter received by J. A. Westerlund from J. C. Schmidt at Los Angeles, who until recently was a resident of Medford and having disposed of his interests here decided to go to California and look around the country:

"I have covered more than 1000 miles in my auto since leaving Medford but have not seen a place in all that distance that has as many good features, and so few bad ones as the Rogue river valley. There are only two things you need—good roads and irrigation to have any place in California beat. Here the great dry water, water! They can't get enough water. Nearly everything in this country for sale. Those that can get away are going north or want to."

HALL TAXI CO. TO TAKE
CRATER LAKE CONTRACT

The Hall Taxi company will have charge of the auto part of the Crater Lake excursions this year in connection with the Pacific & Eastern railroad, taking the excursionists from Derby, to the lake and return. They have also arranged to take people from Medford to the lake and return for \$15 for the round trip.

A regular schedule will be arranged to leave Medford three times a week, but people will be taken any day not on the regular schedule. You can also make the trip from Medford to the lake and return via Derby and from there by rail or vice versa.

Court Hall, proprietor of the taxi company, says he thinks the season will be open about July 10.

The Southern Pacific will sell tickets from San Francisco, Portland or intermediate points to Crater Lake via Medford this year for the first time. The Pacific & Eastern will also sell tickets to the lake and return.

ARROW SHIRTS

?

Does it not sound reasonable to you

Mr. Good Dresser

That manufacturers who build shirts can build collars to fit their shirts better than the manufacturer who makes just collars and knows nothing of the special points of the shirt?

If you have overlooked this point you are depriving yourself of considerable comfort.
