SICK, SOUR STOMACH, INDIGESTION OR GAS

Take "Pape's Diapepsin" and in Five Minutes You'll Wonder What Became of Misery in Stomach

Wonder what upset your stomach— which portion of the food did the damage—do you? Well, don't bother. If your stomach is in a revolt; if sour, gassy and upset, and what you just ate has fermented into stubborn lumps; head dizzy and aches; belch gases and acids and eructate undigested food; breath foul, tongue coated—just take a little Pape's Diapepsin and in five minutes you wonder what became of the indigestion and distress.

Millions of men and women today know that it is needless to have a bad stomach. A little Diapepsin occasionally keeps this delicate organ regulated and they eat their favorite foods without fear.

If your stomach doesn't take care of your liberal limit without rebellion; if your food is a damage instead of a help, remember the quickest, surest, most harmless relief is Pape's Diapepsin which costs only fifty cents for a large case at drug stores. It's truly wonderful—it digests food and sets things straight, so gently and easily that it is really astonishing. Please, for your sake, don't go on and on with a weak, disordered stomach; it's so unnecessary.

NEW HAVEN LOSSES CONTINUE ON MARKET

NEW YORK, Sept. 19.—California Petroleum and New Haven were very weak at the opening of the stock market today, the former losing 1 1/2 and New Haven 1. Except for one point decline in Canadian Pacific, there were no other chances exceeding small fractions.

Later Lobich, St. Paul, Reading, Peoples' Gas, Seaboard preferred, Consolidated Gas and Northern Pacific became strong. During the afternoon the entire list showed a better tone. Bonds were steady.

The market closed strong.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Bilious, Stomach Sour, Give "California Syrup of Figs."

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! if coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation, waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!
