

BUD ANDERSON WILL RE-ENTER RING OCTOBER

That Bud Anderson, the fighter who ventured forth from Medford a little less than a year ago on a tour that was to set the boxing world on fire, and which resulted in his defeat at the hands of Leach Cross and "Kid Appendicitis" on last Independence day, is to re-enter the ring within the next two months is practically certain.

Dick Donald, Anderson's manager, who has been summering in Medford, received a flattering offer today from one of the foremost boxing promoters of the country. The offer, which is good for the latter part of October or November, is open for a week, and Donald will try Bud out in a short training course before finally accepting. Bud was scheduled to box Sammy Goode at the Walla Walla, Wash., fair, but in view of the enticing offer received by Donald, it is thought he will cancel this bout.

Fans around town who heard the news are overjoyed at the prospect of Bud getting a good match and considering the success of the operation and the small incision many fans expressed the determination to back Bud with the same loyalty as when he carried the appendix with him.

WOMAN FARMER HOLDS LAW AT BAY FIVE DAYS

OAKLAND, Cal., Sept. 19.—Mrs. Joseph Biet was locked up in the county jail today, charged with resisting several officers, but it was not, the officers said, until after she had defied her farm at Hayward against them for three days and given five of them sound beatings.

Two deputy constables first visited the farm Tuesday to levy on two hay ricks for a \$500 debt. They say Mrs. Biet drove them off with a club. They tried again the next day, and say they were beaten again.

Then they appealed to the sheriff, who sent three deputies. Mrs. Biet knocked two of them down, it is charged, but the third overpowered her.

MARY NASH, WHO PLAYS THE PART OF THE POOR GIRL IN "THE LURE"

Miss Mary Nash, who plays the part of the girl who almost becomes a red-light victim in "The Lure," which has at the opening of the opening of the theatrical season caused a commotion in New York City, believes the lesson taught by the drama should be widely known. But several newspapers and public officials have been shocked at what they call the indecency of the performance—the portrayal of the interior of a

brothel on the stage—and have demanded the producers take off the piece. A grand jury has visited the theater and will later decide whether or not the drama violates the law. The managers have agreed to abide by the judgment of the grand jurors. Miss Nash, who is a rising young actress, is a cultivated, well-bred young woman, with considerably more refinement than most "leading ladies."
