BRYAN SEES HOPE OF UNIVERSAL PEACE

NEW YORK, Dec. 11.—With a message of friendship to those who represented Canada and with the declaration that in his belief the time was coming when there will be universal peace, Secretary Bryan spoke tonight at the annual dinner of the Canadian Society of New York.

Secretary Bryan spoke on "The Land We Live In." Giving the reasons why the United States and Canada, as a dominion of Great Britain should especially desire peace with all nations.

He said this country had invited to its shores the people from all parts of Europe and "therefore when we extend our hand in friendship we extend it to people everywhere, and when we determine there shall be no cause for war between the United States and Great Britain we also determine there shall be no cause for war between the United States and any other country in the world.

"I believe we are making progress. While it is not likely those now living can hope to see the day when there will be no war, I believe in the future there will be such a day."

Cheap and Easily Made, But Ends a Cough Quickly. How to Make the Very Best Cough Remedy at Home. Fully Guaranteed.

This pint of cough syrup is easily made at home and saves you about \$2.00 as compared with ordinary cough remedies. It relieves obstinate coughs—even whooping cough—quickly, and is splendid, too, for bronchial asthma, spasmodic croup and hoarseness. Mix one pint of granulated sugar with 1/2 pint of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (Ritz cents) worth in a pint bottle, and add the Sugar Syrup. Take a teaspoonful every one, two or three hours. Tastes good. This takes right hold of a cough and gives almost instant relief. It stimulates the appetite, and is slightly laxative—both excellent features. Pinex, as perhaps you know, is a most valuable concentrated compound of Norway white pine extract, rich in quercetin and the other natural healing pine elements. No other preparation will do the work of Pinex in this mixture, although strained honey can be used instead of the sugar syrup, if desired. Thousands of housewives in the United States and Canada now use this Pinex and Sugar Syrup remedy. This plan has often been imitated, but the old successful combination has never been equaled. Its low cost and quick results have made it immensely popular. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. Your druggist has Pinex, or will get it for you. If not, send to The Pinex Co., Ft. Wayne, Ind.
