

BLOODY FIGHTS IN PROGRESS ON TOKIO STREETS

Third Day of Rioting Following Parliament's Refusal to Censure Naval Grafters—Police Charge Large Crowds, Which Resist With Clubs.

Two Hundred Under Arrest and Scores of Shop Fronts Smashed—Newspapers Suppressed.

TOKIO, Feb. 13.—Bloody fighting occurred here early today between the police and throngs of anti-tax rioters.

It was the third day of disorder, following parliament's refusal to censure the government for the grafting recently discovered in the navy. The trouble reached a climax some time after midnight when a detachment of five hundred police undertook to disperse a crowd of many thousands, gathered to hear perhaps a score of speakers denounce the squandering of the money wrung from the people by literally crushing taxation.

The throng showed fight. Again and again the police charged, wielding their sabres remorselessly. The rioters resisted with clubs and paving stones, torn from the streets where the battle raged. In the end the crowd was scattered but not until a large number had been injured, 200 were under arrest and scores of shop fronts in the vicinity had been demolished.

Only the fact that the government regulations make it practically impossible for the average citizen to own firearms prevented a long death-rol.

Several newspapers which have criticised the government's policy have been suppressed and their editors locked up. The prisons were filled today. There has also been trouble at Osaka, Kobe and elsewhere.

REBELS PREPARE TO ATTACK FOUR CITIES AT ONCE

MEXICO CITY, Feb. 13.—That the rebels were preparing to attack Torreon, Monterey, Tampico and Mazatlan simultaneously was the news received today by War Minister Blanquet.

President Huerta has received a letter from Maximo Castillo, the bandit whose destruction of the Mexican Northwestern railroad tunnel at Cumbe caused a passenger train wreck in which more than fifty lives were lost, offering his services to the federals. It was not stated whether Huerta would accept. The letter was dated February 6.

With its oil supply from Tampico again cut off, the Mexican capital faced once more a serious fuel situation. It was said the railroad track was so badly torn up that repairs would take some time, even if the rebels did not oppose them.

Of the fight which preceded the work of destruction nothing was known, or at least made public, further than that a train was partly dynamited, nearly all of the military escort of fifty men were killed and that many of the passengers lost their lives or suffered wounds.

ENGLISH FREIGHT STEAMER SINKS IN ENGLISH CHANNEL

LONDON, Feb. 13.—The freight steamship My Own sank in the English channel today off Shoreham, and it was believed the crew of eight were drowned. The captain alone was found by lifesavers clinging to the rigging.

CANAL ZONE POLICEMEN.

An unusual problem has been solved in policing the Panama canal zone. One of the most cosmopolitan populations in the world has been gathered in Panama. The workmen are obliged to live very close together. Many wild stories are told of crime and violence on the isthmus in the old days. With the coming of the Americans, however, all this was changed. A large, well disciplined force of policemen have patrolled the zone, and life and property have become as safe as in any part of the United States. Two typical members of the zone police are shown in uniform in the accompanying illustration. The photograph was taken recently by a tourist on one of the cruises of the Hamburg-American liner Victoria Luisa. It is said that a criminal never long escapes the police on the zone, as it is impossible to get away. The jungle which borders the zone on either side is impenetrable, and not even the most desperate criminal dares to chance his escape in their direction.

GAY FOR CORONOR WALKER FOR SHERIFF

The latest candidates to throw their hats into the ring political are Chas. B. Gay, who seeks the democratic nomination for coroner and Amos W. Walker, who seeks the republican nomination for sheriff. Both are old timers and popular among a large circle of friends. Mr. Gay will not have any rival, so far as is known in the democratic ranks and will make the race against A. E. Kellogg of Gold Hill, republican, the incumbent.

Mr. Walker is proprietor of the Nash livery stables and has a wide acquaintance in the county. He will oppose Sheriff Singler at the primaries.

In exchange for all these properties, Mr. Davis gets a large Venetian apartment house on Lake Merritt, in Oakland; a fine residence in Oakland and a tract of farm land near that city.

Mr. Nordwick is now in Medford with his family and will personally look after the management of his holdings here.

MOTHER! IF CHILD'S TONGUE IS COATED

If Cross, Feverish, Constipated, Bilious, Stomach Sour, Give "California Syrup of Figs"

A laxative today saves a sick child tomorrow. Children simply will not take the time from play to empty their bowels, which become clogged up with waste, liver gets sluggish; stomach sour.

Look at the tongue, mother! If coated, or your child is listless, cross, feverish, breath bad, restless, doesn't eat heartily, full of cold, or has sore throat or any other children's ailment, give a teaspoonful of "California Syrup of Figs," then don't worry, because it is perfectly harmless, and in a few hours all this constipation, poison, sour bile and fermenting waste will gently move out of the bowels, and you have a well, playful child again. A thorough "inside cleansing" is oftentimes all that is necessary. It should be the first treatment given in any sickness.

Beware of counterfeit fig syrups. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has full directions for babies, children of all ages and for grown-ups plainly printed on the bottle. Look carefully and see that it is made by the "California Fig Syrup Company." Don't be fooled!

PEORIA, Ill., Feb. 13.—Joe Cannon at the Lincoln anniversary dinner last night criticized Wilson for breaking precedents, addressing congress personally, abandoning January 1, the White House reception and the progress of the democratic administration generally.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back hurts or Bladder bothers—Drink lots of water.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate clogged kidneys, to neutralize the acids in urine so it is no longer a source of irritation, thus ending urinary and bladder disorders.

Jad Salts is inexpensive and cannot injure; makes a delightful effervescent lithia-water drink, and nobody can make a mistake by taking a little occasionally to keep the kidneys clean and active.
