New Life

is given by using BROWN'S IRON BITTERS. In the Winter it strengthens and warms the system; in the Spring it enriches the blood and conquers disease; in the Summer it gives tone to the nerves and digestive organs; in the Fall it enables the system to stand the shock of sudden changes.

In no way can disease be so surely prevented as by keeping the system in perfect condition. BROWN'S IRON BITTERS ensures perfect health through the changing seasons, it disarms the danger from impure water and miasmatic air, and it prevents Consumption, Kidney and Liver Disease, &c.

H. S. Berlin, Esq., of the well-known firm of H. S. Berlin & Co., Attorneys, Le Droit Building, Washington, D. C., writes, Dec. 5th, 1881:

Gentlemen: I take pleasure in stating that I have used Brown's Iron Bitters for malaria and nervous troubles, caused by overwork, with excellent results.

Beware of imitations. Ask for BROWN'S IRON BITTERS, and *insist* on having it. Don't be imposed on with something recommended as "*just as good.*" The genuine is made only by the Brown Chemical Co. Baltimore, Md.

What Senator Jones Thinks.

CHICAGO, Dec. 10.—During the course of a conversation, yesterday, with a reporter, Senator Jones expressed the opinion that this country was evidently verging towards hard times. The reporter asked, "What is your opinion of the political situation?"

"Carlisle's election," he said, "of course means that the Democratic party is committed to tariff reform, and he for one was glad to see it. It will cause a healthier state of politics, this dividing of the two parties on the line of issue, than to have gone into another presidential contest with simply the offices at stake, or on war issues. The sectional issues are dead, as no portion of the Anglo-Saxon race in this country will ever consent to the negro socially or politically, where he may be in the numerical ascendancy, and the rest of the country will have to come to understand this and the sooner the better. Do you suppose all the power in the United States could ever make the people of the Pacific coast tolerate Chinese, supposing the latter were naturalized and outnumbered them? It is always in politics a question of force, and the greatest force is bound to get the supremacy of the ballot, which simply presents a certain force, and if it does not represent a greater force it amounts to nothing. Realizing that they are a greater force morally, intellectually and physically, the whites of the south will never respect the ballots of negro majorities."

A Dreadful Warning.

A New Orleans *Times-Democrat* Greenville, Miss., special of the 10th inst., says: At a difficulty Saturday night at a political meeting between a colored man named Homer and Frank Montgomery, as is usual in such occurrences, pistols were drawn and shooting commenced. Sam Finley (white) was seriously injured. Three negroes were shot. One is dead and one is expected to die. The other is slightly wounded. A coroner's jury found that Homer was killed by Montgomery and Finley, local politicians.

The Walla Walla *Journal*, under the head of "Startling Rumor," says: The rumor has currency here and at Wallula that the Union Pacific people have leased the Baker City branch of the O. R. & N. line for a long term of years, to be used as a link in the extension of the Oregon Short Line to the Sound, via the Yakima country and the Cascades, and the work on the projection, which is to start from Wallula, where is a fine natural location for a bridge, will be begun in the spring. The alleged lease is said to be the concession which the Oregon & Transcontinental company made to the Jay Gould party in consideration of the cessation of war on the O. & T. stocks. The rumor here is given without endorsement, for what it is worth. If true, the matter is of immense importance to the northwest and particularly to Walla Walla, which would thus gain not only direct communication to the Sound, but be placed on a through line to the east shorter than the Northern Pacific, and, if no combination is formed, acquire every advantage to be had from competition in freight rates.

The new trail to the Cœur d' Alene mines from Heron Siding is finished. It is reported almost impassible. There is but one mule in the Cœur d' Alene country and the owner of the animal demands $15 a day for him. Quartz prospecting has ceased. Every foot of ground in Pritchard gulch is already taken up. Eagle City is being built at a lively rate. There are five saloons and a stud horse game in each of them. Many men are going into the new camp daily and almost as many leaving. Such is the location of Eagle City that the sun disappears from sight at noon daily.

I BEAUTY SOAP

TO keep the pores open, the oil glands and tubes active, and thus furnish an outlet for impurities in the perspiration and blood which cause humiliating blotches, blackheads and minor skin blemishes, especially of infants; to cleanse, whiten and beautify the skin, remove tan, freckles, sunburn, and oily matter; to keep the hands soft, white and free from chaps or roughness, prevent contagious skin and scalp diseases, and provide an exquisite skin beautifier and toilet, bath and nursery sanative redolent with delicious flower odors and CUTICURA healing balsams, use the CUTICURA SOAP. Indorsed by physicians and chemists as absolutely pure and highly medicinal. Sales 1881-2 1,000,000 cakes.

THE HERITAGE OF WOE

Misery, shame and agony often bequeathed as a sole legacy to children by parents, is neglected Scrofula. To cleanse the blood of this hereditary poison, and thus remove the most prolific cause of human suffering, to clear the skin of disfiguring humors, itching tortures, humiliating eruptions, and loathsome sores caused by it, to purify and beautify the skin, and restore the hair so that no trace of the disease remains, CUTICURA RESOLVENT, the new blood purifier, diuretic and aperient, and CUTICURA and CUTICURA SOAP the great skin cures and beautifiers, are infallible

I HAD SALT RHEUM

In the most aggravated form for eight years. No kind of treatment, medicine or doctors did me any permanent good. My friends in Malden know how I suffered. When I began to use the CUTICURA REMEDIES my limbs were so raw and tender that I could not bear my weight on them without the skin cracking and bleeding, and was obliged to go about on crutches. Used the CUTICURA REMEDIES five months, and was completely and permanently cured. MRS. S. A. BROWN, Malden, Mass.

COPPER COLORED

I have been afflicted with troublesome skin disease, covering almost completely the upper part of my body, causing my skin to assume a copper-colored hue. It could be rubbed off like dandruff, and at times causing intolerable itching and the most intense suffering. I have used blood purifiers, pills, and other advertised remedies, but experienced no relief until I procured the CUTICURA REMEDIES, which, although used carelessly and irregularly cured me, allaying that terrible itching, and restoring my skin to its natural color. I am willing to make an affidavit to the truth of this statement.

A Little Story with a Large Moral —One Man who Knew his Own Business.

"No, my dear," said the venerable keeper of a country store to a timid little girl whose head scarcely came up to the level of the counter. "No, my dear, we haven't any red flannel, but we have some first rate New Orleans molasses." Softly hinting that she didn't think that would answer the purpose quite as well, the child went her way in search of the article she wanted.

"Have you BENSON'S CAPCINE PLASTERS?" asked a gentleman of a certain druggist whose name could be given were it desired. "I am troubled just now with a touch of my old friend, the lumbago, and the Benson's Plaster seems to go to the spot almost as soon as it touches the skin."

"Not at present," replied the druggist, genially "but, we have lots of plasters just as good. There is Allcock's, the Capsicum and others—won't one of them do as well?"

"My dear sir," retorted the gentleman, with a slight show of temper, "I say nothing against those articles, but I am a business man, and always ask for precisely what I want, and for nothing else. I may enlighten you, however, when I say that sometime ago, for another disease, of which the Capcine has since cured me, I tried all those you mention, with no appreciable benefit. They are inefficient, every one of them, the meanest act of the proprietors of some of them being this: that they make plasters with similar sounding names to deceive the unwary into believing they are the same thing. Experience taught me the difference. I'll go to the next man in your line. Good day."

Be on your guard against imitations. The genuine has the word CAPCINE cut cleanly in the middle of the plaster. All others are impositions.
