NEW GIRL AT HOME OF CHESTERS, ADAMS

(Special Correspondence). Adams, Ore., Jan. 17.—A thirteen pound baby girl was born to Mr. and Mrs. Chester Gumble Friday, January 12. Dr. Neuman of Athena was attending physician. Mother and child are doing nicely. Mr. and Mrs. G. A. Lueallen were Pendleton visitors Saturday. Eileen Bowling returned to school in Pendleton after spending Sunday at home. Miss Lola Rogers entertained a number of friends Saturday evening. Those present were: Clark Maxie, Morton, Frank Krib and Miss Ruth Krib of Pendleton. They played games and spent a very pleasant evening. Mrs. T. C. Reid, who is confined to her home with influenza, is improving. Dr. McFaul passed through Adams Monday evening on his way to Athena. Mr. and Mrs. G. M. Lewis and children are visiting relatives in Pendleton for a few days this week. Mr. Bannen of Pendleton, was a business visitor Monday.

BIG TYPEWRITER DEAL ON.

Smith-Premier Said to Be Arranging to Sell to Remington. New York.—It was asserted on good authority in the financial district this afternoon that the Smith-Premier Typewriter company had completed negotiations to sell out to the Remington Typewriter interest and that the consummation of the deal would be officially announced in a few days. Officers of both companies refused to confirm or deny the report or to make any comment on it.

TO MATCH MISSING MATES.

Associated Charities Has Plan to Marry Widows and Widowers. Minneapolis.—A matrimonial bureau to aid the Associated Charities and the probate office has been suggested, that the widows for whom the charity organization is caring may marry some of the widowers who have children under the supervision of the probate office. "I know half a dozen widowers, needing wives," said Miss Sarah Fitzgerald, a probate officer. "They cannot get housekeepers and they cannot have their homes run properly without wives."

CAN'T TEACH TURKEY TROT.

Mayor Gaynor Puts Ban on Instructions in "Ragging" Dance. New York.—Under instructions

NORWEGIAN PLANS LONG TRIP ON ICE

Spokane Resident to Go Afoot and on Skis to His Native Land. San Francisco.—A trip on skis and afoot from New York to his native land—Norway, is the ambitious project mapped out by L. S. Rinday of Spokane, Wash., who is visiting here, stopping at the American hotel. Rinday said that if he is successful he will be the first ever to have accomplished the feat. He estimates that the jaunt will take two years and will land him in Christiania, Norway, in time to take part in the celebration of the 100th anniversary of the independence of Norway. This is May 17, 1914. Rinday will go to New York by rail and will then set out through Canada to Alaska, crossing Behring Strait, then over the ice, through Siberia, Russia, Germany, France, Holland and

Denmark. In northern Siberia and Russia he says he will probably use dog teams. He will have a companion through Siberia but will make the rest of the trip alone.

RUNAWAY NEGRO GIRL IS KILLED BY TRAIN

Young White Woman Companion Is Injured When Engine Hits Two Sleepers.

Chehalis, Wash.—Magnolia Moss, a 15-year-old negro girl, and Olene Cochran, white, aged 16 years, were struck by Great Northern train No. 369, due here at 3:25 a. m., and as a result the former died in St. Helen's hospital and the latter has been returned to the state training school, from which institution both ran away. The right arm of the colored girl had to be taken off, and she was also injured internally, dying as the result of the latter injuries. The white girl was only slightly bruised. She says they were sleeping alongside the track a short distance south of Newaukum, 10 miles south of this city, having become exhausted by the walk from the school. Both of the girls were sent to the school from Seattle.

SAYS GERMS LIKE THIN MEN.

Japanese Expert Asserts Fat Persons Have Fewer Microbes. Berlin.—"Good News for Fat Men" is the title of a little pamphlet issued at Breslau by the Japanese doctor, Hikada. Dr. Hikada says that, contrary to the general opinion, the thinner a man is the more germs he has on his skin. The average healthy man has 1,520 germs to the square centimeter (394 of an inch) but fat men have 29 per cent fewer than the lean, and men have many more than women.

French Steamer Held.

Tunis, Jan. 17.—A wireless message received here today says the French steamer Carthage, bound from Marseilles for Tunis, has been arrested on the high seas by Italian torpedo boat destroyers and taken to Cagliari island of Sardinia. The Italian authorities consider that an aeroplane belonging to the Aviator Duval and parts of another, belonging to Aviator Obre, aboard the Carthage, were contraband of war. Duval and Obre, who are both here to give

exhibition flights, learned of the seizure of the Carthage and lodged a protest at the residency general. Obre points out that he recently made flights at Cagliari and Suzbara and had been authorized by the Italian authorities to take his machine back to Marseilles.

Alaskan Blockade Ended.

Seattle, Wash., Jan. 17.—The snow blockade which has tied up traffic on the Copper River & Northwestern railroad, the longest railway in Alaska, since the first of the year, was lifted today and trains are running through from Cordova, at tide water to Kennecott, the inner terminus. The snow was responsible for one death, an engineer being killed when his engine fell through a burned bridge, the condition of which was hidden by a huge snowdrift. Mail to points along the railroad was carried on dog sleds during the blockade.

Favors Hobbie Skirts.

Los Angeles, Jan. 17.—Dr. L. M. Powers, city health commissioner, wants women to continue wearing hobbie skirts which were recently condemned by the convention of American modistes in Chicago. "It's all right and beneficial, although it has been looked upon as a freak," declared Dr. Powers. "Let it remain in style; it gives much more exercise than other kinds of dresses."

PLAN GETTYSBURG MEMORIAL

Fiftieth Anniversary of Battle to Be Celebrated in 1913. Washington.—Plans for the celebration of the first four days of July, 1913, of the fiftieth anniversary of the battle of Gettysburg were made public today when the Pennsylvania committee, having the matter in charge appeared before the joint congressional committee. Congress will be asked to appropriate \$500,000 for

the laying of the corner stone of a peace memorial to be erected by the nation at the entrance of the battlefield. The president will be asked to preside at the ceremony.

MAN OF 92 STARTS LIFE ANEW.

Abner Hammond and His 80-Year-Old Wife Go to "Sunny California." San Francisco.—Abner Hammond, 92 years old, and his wife who is 80, arrived in San Francisco from Lyons, Wayne County, New York, "seeking new opportunities."

From an old wallet bound with a string of interminable length, he drew a real estate folder showing a rose-bowered bungalow and extending an invitation to "come to sunny California." "We weren't getting on very well," he said, "and we thought we'd come out here and get into something. We had \$150 in the bank, but it took it all to get out here."

LIVE GOOSE FOR TAFT'S COLD.

Indiana Man Will Urge President to Use Old-Fashioned Remedy. Washington.—A live goose that came all the way from Indianapolis for President Taft's delectation arrived at the White House, conveyed by former Representative "Jim" Watson of Indiana, and Jacob Finkelstein. Mr. Finkelstein was the donor of the goose, and he expects to dilate on the merits of goose grease in curing such a cold as is now bothering President Taft.

Robert Mantell Weds.

Pueblo, Colo., Jan. 17.—Robert Brue Mantell, the actor, was married in the county court here today to Miss Genevieve Hamper, of Detroit, a member of his company. Every effort was made to keep the marriage secret.

Before You Move Investigate

Be sure your new home has that important modern convenience—electric lights. There are many such and they are in great demand by those who know how to enjoy them. The modern electric light is so much better than any other that no one need hesitate about the cost. The General Electric Company has perfected its MAZDA lamp which gives twice as much light as ordinary electric lamps using an equal amount of electricity.

We Have G. E. MAZDA Lamps

For all those who live in wired houses we offer an opportunity of getting the benefit of the great light giving qualities of these lamps. For those who own unwired houses on our distributing line we will give advice of value in wiring houses for electric lights.
