NATURAL GAS NEAR OGDEN. San Francisco Capitalists Purchase a Mexican Gold Mine—Rate War Begun.

It is estimated that something like 20,000 rabbits were slain near Fresno in the recent drive.

The question of retaliation by the United States against Canadian goods is causing some excitement among business men of Vancouver, B. C.

General Eli H. Murray has begun a suit at San Diego against the Mexican Land and Colonization Company.

El Peono mine in Sonora, Mexico, an excellent gold property, has been sold to San Francisco capitalists.

C. A. Warren, owner of the Butte (Mont.) Inter-Mountain, has just won his suit in the United States Supreme Court.

The transfer of the Seattle, Lake Shore and Eastern railroad to the Northern Pacific has been completed.

Work is going ahead vigorously on the new road known as the Santa Fe, Prescott and Phoenix.

The rate war between the Union Pacific and the opposition steamboat lines on the Portland and Astoria route has been formally begun.

Natural gas has been found near Ogdén. After boring six days and attaining 200 feet a six-foot flow of perfectly odorless gas was struck.

Resident sealers at Vancouver, B. C., are determined to take advantage of the refusal of the British government.

The majority of the inhabitants of Fallbrook, San Diego county, Cal., have voted upon 12,500 acres of land.

Representatives Oates from the Judiciary Committee of the House has submitted a report to accompany the bill to change the naturalization laws.

The President has made public a reciprocity proclamation with Nicaragua, which Republic agrees to admit duty free.

A deal has been perfected by which the Baltimore and Ohio railroad secures control of all the Richmond Terminal properties.

The emigration movement continues in Arkansas, and from present indications it is estimated that fully 2,000 negroes will emigrate within the next two or three months.

A Congressional apportionment bill, which is nearly as possible divides the State equally between the two parties.

A number of light-weight gold pieces from California have been received at the New York Subtreasury.

NATIONAL CAPITAL. Diplomatic Relations Between Italy and the United States Are About to be Re-established.

William G. Gilbert of Oregon has been confirmed United States Judge of the Ninth Judicial Circuit.

The project of a deep-water channel through the connecting waters of the Great Lakes has practically received the approval of a majority of the House Committee on Rivers and Harbors.

The House Committee on Reform in the Civil Service has agreed to report favorably the bill to exclude political influence in the employment of laborers.

The House Committee on Merchant Marine and Fisheries has agreed to report Fithian's bill for free admission to American registry of ships built in foreign countries after January 1, 1893.

Representative Hermann has secured pensions for the following old soldiers of the late war: George W. Blanton of Ontario, Robert Koldewey of Corvallis and Gottfried Merker of Newport.

Senator Allen has introduced a bill setting apart certain land of the Fort Walla Walla military reservation for a park for that city.

Senator George of the Committee on Agriculture reported to the Senate a substitute for Mitchell's bill for the encouragement of silk culture.

It is learned semi-officially that arrangements have been made for the re-establishment of full diplomatic relations between the United States and Italy.

The diplomatic and consular bill as completed by the House Committee consolidates the mission to Peru with that of Bolivia and Colombia with Ecuador.

The House Committee on Public Lands has ordered a favorable report on the bill amending the act of 1891.

The widow of Jefferson Davis has brought suit in the United States Circuit Court in New York to restrain the Belford Company from selling her book.

The prospects of a large yield of fruit in Southern Indiana were never better than at present, with the exception of the peach crop.

The well-known economist and financier, Erasmus Wiman, talks seriously of war between England and the United States as the outcome of the Behring Sea complications.

The New York Stock Exchange has placed in the unlisted department \$25,000,000 of new sugar stock.

Barrett Scott, Treasurer of Holt county, Neb., has been impeached by the Board of Supervisors.

A deal has been perfected by which the Baltimore and Ohio railroad secures control of all the Richmond Terminal properties.

The emigration movement continues in Arkansas, and from present indications it is estimated that fully 2,000 negroes will emigrate within the next two or three months.

A Congressional apportionment bill, which is nearly as possible divides the State equally between the two parties.

A number of light-weight gold pieces from California have been received at the New York Subtreasury.

Government Flower of New York refused to sign the Cross-town Elevated railroad bill and the East-river bridge bill recently passed by the Legislature.

EASTERN ITEMS. Jerry Simpson's Choice for President. Expert engineers pronounce Chicago's big tunnel a failure.

A new road is projected to connect Lakes Superior and Michigan. Washington is passing through an epidemic of murder and suicide.

The Attorney-General is investigating rumors of a cattle trust in Kansas City. Ex-Auditor Laville of Daviess county, Ind., is now known to be short \$18,463.

The President has made public the reciprocity proclamation with Nicaragua. Fred Douglas accepts the position of representative from Hayti to the World's Fair.

Fourteen indictments in all have been found against the Louisiana lottery officials. Legal proceedings will at once be begun against all the lotteries in Kentucky.

Jerry Simpson's choice for the third-party Presidential candidate is Ignatius Donnelly. Central Park, New York, is reported to be invaded by a lot of wild and ferocious dogs.

San Antonio, Tex., is without money. It was unable to pay its officials for the past month. According to the recent State enumeration New York would be entitled to three more Congressmen.

Dr. Thomas S. Robertson of New York has a new treatment for alcoholism, and many patients testify to its efficiency. It is expected that the long-distance telephone line between Chicago and New York will be completed within a year.

The relief fund in Philadelphia for the Russian famine sufferers now amounts to \$101,206. It is in charge of Drexel & Co. The Legislature of Ohio has decreed that the car stove must go by September 1, 1893, on all roads over forty miles in length.

The Standard Oil Company is said to possess all the gas leases in Indiana, with the exception of those of Peru and Kokomo. The new Woodbridge gun under construction at Watertown arsenal is expected to throw a 600-pound projectile twelve miles.

George Francis Train modestly declines to talk of his chances for a Presidential nomination by the third party at Omaha on July 4. Fifty-eight negroes from Arkansas sailed last week from New York for Liberia. They were sent out by the American Colonization Society.

A syndicate at Indianapolis has been given a thirty days' option on the Citizens' Railway Company of Chicago. The option price is \$2,750,000. The widow of Jefferson Davis has brought suit in the United States Circuit Court in New York to restrain the Belford Company from selling her book.

The prospects of a large yield of fruit in Southern Indiana were never better than at present, with the exception of the peach crop, which will be very much smaller.

The well-known economist and financier, Erasmus Wiman, talks seriously of war between England and the United States as the outcome of the Behring Sea complications.

The New York Stock Exchange has placed in the unlisted department \$25,000,000 of new sugar stock, which was authorized at the last meeting of the stockholders of the sugar trust.

Barrett Scott, Treasurer of Holt county, Neb., has been impeached by the Board of Supervisors and removed from office for depositing moneys in his own name and pocketing the interest.

A deal has been perfected by which the Baltimore and Ohio railroad secures control of all the Richmond Terminal properties, the Richmond and Danville system with its leased lines and the East Tennessee system.

The emigration movement continues in Arkansas, and from present indications it is estimated that fully 2,000 negroes will emigrate within the next two or three months.

A Congressional apportionment bill, which is nearly as possible divides the State equally between the two parties.

A number of light-weight gold pieces from California have been received at the New York Subtreasury.

Government Flower of New York refused to sign the Cross-town Elevated railroad bill and the East-river bridge bill recently passed by the Legislature.

WORLD'S FAIR NOTES. President Diaz Favors a Fine Showing of Mexico's Progress and Advantages at the Fair.

Ceylon will conduct a teahouse on Midway Pleasance. Queen Margaret of Italy has promised to loan her famous collection of rare lace for exhibition at the fair.

The grand entrance to the mammoth manufacturers' building will be decorated at an expense of about \$12,000. Iowa in its exhibits at the exposition will show the various forms in which corn products are useful as food and also the processes of their preparation.

Regulations for exhibitors in the several departments of the exposition have been issued, and can be obtained by all intending exhibitors by applying for them either in person or by mail.

Sultan of Turkey has consented to the erection of a mosque at the exposition grounds for the religious services of Mohammedans who attend the fair. It is reported that \$3,000 will be expended in its erection.

The enormous steel trusses to sustain the roof of the manufacturers' building are the largest ever made for architectural purposes. They span 368 feet, and rise to a height of 211 feet.

The total amount reported appropriated for foreign nations and colonies for their representation at the exposition so far as heard from is \$2,951,053. Quite a number of those which have decided to participate have not yet made appropriations.

The Illinois State Board of Agriculture has offered a number of prizes, ranging from \$50 to \$250, for the best exhibits shown at the State Fair, to be held at Peoria in September.

The Illinois State Exposition Board has set apart \$40,000 as a special fund for the encouragement of live-stock exhibits at the fair. The fund is apportioned as follows: 11 res, 37 per cent.; cattle, 30 per cent.; hogs, 15 per cent.; sheep, 12 per cent.; poultry, 6 per cent.

H. Gloster Armstrong of London is in Chicago making application for space upon which to show a reproduction of the Tower of London, or rather the most interesting portions of it, such as the White Tower, Beauchamp Tower, Tower Green, Traitor's Gate, etc.

The United States Treasury Department has decided that machinery imported to the exposition from foreign countries either wholly as an exhibit or to be shown in connection with the illustration of some manufacturing process shall be admitted free of duty.

M. Seranno, Mexico's special World's Fair Commissioner, who visited Chicago a short time ago, made a thorough inspection of exposition progress and affairs, has made to his government a report exceedingly favorable to the exposition.

A bill protecting foreign exhibitors of patented articles from all possible prosecution for infringement has been passed by the Senate, and is pending and reported sure to pass in the House.

The bill reads as follows: "That no citizen of any country shall be held liable for the infringement of any patent granted by the United States or any trade mark registered in the United States, where the act complained of is performed in connection with the exhibition of any article or thing at the World's Columbian Exposition at Chicago."

Jackson Park will retain as one of its permanent attractions the building which Japan will erect for its headquarters at the exposition. The building will be modeled after one of the most famous and architecturally unique of Japan's ancient temples, and with its surrounding garden will cost \$70,000.

About 40,000 square feet will be occupied. The South Park Commissioners have accepted the offer of S. Regima, representative to Chicago on condition that it be kept permanent and in repair, and that one room in it be devoted to public exhibit of Japanese works of art, which the Japanese government agrees to replenish from time to time.

King of Greece Threatened for Dismissing His Ministry—Ages of Presidential Candidates. Baroness Burdett-Coutts believes that sapphire blue velvet is the proper mourning color.

General Palmer, like many other big men, has a little wife. Mrs. Palmer is described as a "mite of a woman." Brother Joseph Cook intimates that Sunday newspapers are published to make money. Well, what is a Monday lecturership for, anyhow?

Collis P. Huntington thinks wood is the best exercise for young men. Not that he used to think so in the time when he sawed wood himself.

And now the King of Greece is threatened in menacing letters for his court in dismissing the Ministry. The "RT" business," as A. Ward called it, is being decidedly uncomfortable.

Mr. Cleveland is 55, Senator 53, Senator Allison 63, Senator 62 and Senator Carlisle 58, while Gray and Sherman are past mid-life, and Grant, who was inaugurated in 1869, is said to have been the youngest president.
