"For Weston farmers to go elsewhere in search of land reminds one of carrying coals to Newcastle," remarks the Weston Leader. It isn't exactly a matter of carrying coals, as we observe the situation. They simply carry a good sized wad of Umatilla county money to Condon for investment in wheat lands in the best wheat belt in the Pacific Northwest. That's all.

A sad, sad story comes from the capital city of California where a number of members of the state legislature have been found guilty of taking bribes. One member, more unfortunate than the rest, was attacked by a serious illness after being indicted and, the dispatches tell us, while it is known that he has the money which he received from the bribe givers, he is unable to use it to pay doctor's bills and hospital fees for the reason that the money was all marked before being paid to him and its use in this time of dire need would surely convict him. His fellow legislators, however, moved to compassion by his most awkward predicament, have started a subscription paper to help him out and now they are afraid to pay their subscriptions for fear their money may also bear a secret mark which might get them in trouble. It should now be in order for the legislature to pass a stringent law making it a capital offense to mark coin or currency of the realm which might at any time be needed for purposes of bribery of legislators. Such a practice may readily be shown to be in restraint of trade and also as tending to cast reproach on poor but honest (?) politicians who are desirous of paying their bills.

Inflammatory Rheumatism Cured.
 William Shaffer, a brakeman of Dennison, Ohio, was confined to his bed for several weeks with inflammatory rheumatism. "I used many remedies," he said. "Finally I sent to McCaw's drug store for a bottle of Chamberlain's Pain Balm, at which time I was unable to use hand or foot, and in one week's time was able to go to work as happy as a clam." For sale by Condon Drug Co.

Hollenbeck Building Sold.
 A deal was closed last Friday whereby the Hollenbeck building, on North Main street became the property of J. E. Hunt, of Portland, the consideration being \$2300. Mr. Hunt is an experienced hardware man, having been engaged in that line of business in Portland for many years, and as soon as his building can be remodeled he will open a complete stock of hardware here. He expects to have his stock in and be ready for business about April 1st.

A Favorite Remedy for Babies.
 Its pleasant taste and prompt cures have made Chamberlain's Cough Remedy a favorite with the mothers of small children. It quickly cures their coughs and colds and prevents any danger of pneumonia or other serious consequences. It not only cures croup, but when given as soon as the croupy cough appears will prevent the attack. For sale by Condon Drug Co.

Wilson Smith, of this place, who went to Portland some time ago to have his eyes treated, returned Saturday. His left eye was in very bad condition but the operation to which he was subjected relieved the trouble and he seemed on the high road to recovery but the trip home seemed to aggravate the trouble and on Monday it was about as bad as before he went to the city.

Fred and Frank Wilson left Saturday morning for Twin Falls, Idaho, where they go to look for a business location. If they are not suited with the prospects at that point they will probably go on to Wyoming.

The Colonel's Waterloo.
 Colonel John M. Fuller, of Honey Grove, Texas, nearly met his Waterloo, from Liver and Kidney trouble. In a recent letter, he says: "I was nearly dead, of these complaints, and, although I tried my family doctor, he did me no good; so I got a 50c bottle of your great Electric Bitters, which cured me. I consider them the best medicine on earth, and thank God who gave you the knowledge to make them." Sold, and guaranteed to cure Dyspepsia, Biliousness and Kidney Disease, by all druggists, at 50c a bottle.

New Addition Platted.
 County Judge Dunn is having a portion of his ranch adjoining town platted in acre tracts and even before the ground is surveyed, is finding a ready market for the tracts. This shows the rapid pace at which Condon is growing. On all sides homes are springing up and the indications are that before the town is another year older its population will have been increased by more than 100 per cent. Condon is the coming town of this section of Oregon and the friendly "tip" here given does not cost the reader one cent.

Incredible Brutality.
 It would have been incredible brutality if Chas. F. Lemberger, of Syracuse, N. Y., had not done the best he could for his suffering son. "My boy," he says, "cut a fearful gash over his eye, so I applied Bucklen's Arnica Salve, which quickly healed it and saved his eye." Good for burns and ulcers too. Only 25 cents at all druggists.

Treasurer's Notice.
 All county warrants registered prior December 1, 1903, will be paid upon presentation at my office. Interest ceases January 8, 1905.
