IF YOU ARE NERVOUS

or worried or vexed at trifles, your vital forces are slowly but surely deteriorating.

Scott's Emulsion overcomes nervousness better than anything else because its nourishing force enriches the blood and stimulates its flow to all the tissues and bathes the tiny nerve cells in the rich plasma by which they are nourished.

Shun alcoholic substitutes that stimulate and stupefy. Take Scott's Emulsion for your nerves. Its nutritive power is the greatest help that nature affords.
