BRINGING IN GIFTS TO GO OUT THROUGH THE CHRISTMAS CLUB. The two children shown in the photograph are typical of the boys and girls who are coming to the Evening Ledger Building, at 608 Chestnut street, every day to leave their presents for the children of the poor. Some bring their favorite toys, others their pennies. The distribution will be made through the churches at Christmas time.

EYEING XMAS TREE IN EVENING LEDGER BUILDING. No sooner had the gift-bearing tree of the Public Ledger Christmas Club been put on display than all the children in the neighborhood discovered it and gathered around to discuss it.

GREAT TABERNACLE BEING BUILT FOR 'BILLY' SUNDAY'S REVIVAL MEETINGS NOW TAKING SHAPE. The present work of the great structure, being put up at 17th Street, 10th and Vine streets, shows an idea of what the appearance will be when finished. The roof, which will be 144 ft. in area, is being laid in and the plan is being completed. It is estimated that it will be ready for occupancy in the fall. It will hold more than 20,000 persons. In the center is the largest stained glass window in the city.
