YANKEE MOGULS STILL LACKING IN FORESIGHT

While Chance Resigned, He Really Was Forced Out by Owners' Refusal to Make Him Supreme.

Long Term of Years Is Necessary to Build Up Club Which Can Compete for Highest Honors.

The story of Frank Chance's resignation from the New York American League club is one as ancient as the national game itself. It has ever been the policy of the majority of club owners to adopt a shifting method of developing a team rather than one of watchful waiting...

To build up a winning ball club, Connie Mack says, requires at least five years. Chance has been in New York a little less than two seasons. It is true that he does not seem to have made any rapid progress this year...

From several quarters it seems to be a rumor about that, after all, Chance will remain in New York at least for the rest of the season. That, however, is little bearing on the question...
