COLUMBIA DEMOCRAT.

ALEM H. TATE, LOCAL EDITOR.

Saturday Morning, April 4.

☞ On the first page of to-day paper, will be found articles entitled:—Lines to a Blue Bird,—The Broken Hearted,—Normal School in Allentown,—Gen. Packer's Acceptance,—Withdrawal of Judge Lewis,—Hoop-de-dooden-doo, &c.,

☞ The Hon. WARREN J. WOODWARD, President Judge of this judicial district, has arrived with his family, and located in Bloomsburg.

☞ LODGED IN JAIL.—On Monday last, *Joseph Herst*, was arrested on the charge of taking forcibly from the premises of H. M. Fuller, at Light Street, a horse, and lodged in Jail to await his trial at the coming Court, in May next.

☞ MOVING DAY.—Wednesday last, was "turn out" and "turn in" day; but the worst 'turn" was, the turn out of rain—making it anything but an agreeable 1st of April.

☞ Is the voice of the "Grand Inquest inquiring for the body of Columbia county,' to be regarded? Twice or thrice has the Grand Jury recommended that the Iron railing about the Court House grounds, be painted black; *yet this is not done.*

☞ Rev. N. W. Colburn, will peach in the Methodist Church, in Bloomsburg, on next Sabbath morning, at 10 o'clock.

☞ We invite the attention of the ladies of Bloomsburg, to the card of Miss MARY BARKLEY, in to-day, paper, announcing the arrival of her Spring and Summer Millinery Goods.

☞ FANCIFUL.—The fop we saw in town the other day, with switch cane, double barred breeches, and corn colored gloves. He forgot that we knew his honest old father, who is a cobbler among the mountains.

☞ The most reliable accounts from every section of the country, give very encouraging hopes for a bountiful harvest. The growing crops from one end of the country to the other are represented as looking remarkably fine.

☞ Capt. N. S. PRENTISS, started last Tuesday, for New York City, with a large drove of horses.

☞ SENSIBLE MAN, THAT.—The gentleman from Phil delphia, who a day or two since, remarked in our presence, that he had seen more handsome young ladies in Bloomsburg, than he had seen in the city, for the last month.

☞ The Press which was to have arrove, has arriven.—Dr. JOHN will issue his first number of the "*Columbia County Republican*" in a few days.

☞ OUR DEVIL'S DREAM.—*Scene*—Bed Room.—The devil hears footsteps; he rubs his eyes, and grasps his dagger leaps from the bed and walks slowly and quietly to his intruder, seizes him, "pins him to the wall," and stabs him to the heart! His victim is a *bed-bug*.

☞ BLOOMSBURG.—We have at different times had occasion to notice incidents and improvements occuring in and around town, and now, concisely, we will notice the general state of things existing at present. All will agree that the town is in a very prosperous condition, and with all the modern improvements extant, it bids fair to surpass all aspiring neighbors. Its access is easy, having railroads radiating from it near to all points. Among the many incentives to prosperity, we have immense iron works, machine shops, furnaces, tanneries, boat yards, warehouse and the dear knows what not. With these manufacturing establishments, and their associating operations, our town this summer will spread its sails in a good gale and move from its former mooring of lethergy to take part in the business strife of the world. The enormous rates at which property is held, and the exhorbitant rates and constant demand for place of business, dwellings and offices, all swell the idea of the tide which has been taken at the flood, and which will flow on to ultimate success—a consummation devoutly wished for by the people of our vicinity.

necessary requisites to become a gentleman happiness [illegible] without these, the journey through life becomes a weary pilgrimage, the prospect hourly darkens to the view; the mind becomes shadowed with despair and filled with the melancholy reflection that the happiness of another becomes blighted with our own.

The many thousands cured at this institution within the last 15 years, and the numerous important Surgical Operations performed by Dr. Johnston, witnessed by the reporters of the papers and many other persons, a notice of which have appeared again and again before the public, besides his standing as a gentleman of character and responsibility, is a sufficient guarantee to the afflicted.

Take Notice.

N. B.—There are so many ignorant and worthless Quacks advertising themselves Physicians, ruining the health of the already afflicted, that Dr. Johnston deems it necessary to say, especially to those unacquainted with his reputation, that his credentials or diplomas always hang in his office.

To remedy this evil and establish confidence in the trade, LIPPINCOTT & CO., fi a uniform low price on all their goods, (very much b low the usual rates,) and will never vary one cent under any circumstances.

EVANS & WATSON'S,

TRUTH IS MIGHTY AND WILL PREVAIL!

Report of the Committee, appointed to superintend the Burning of the Iron Safes, at Reading, February 27, 1857.

READING, March 4, 1857.

The undersigned, members of the committee, do respectfully report, that we saw the two safes, originally agreed upon by Farrels & Herring and Evans & Watson, placed side by side in a furnace, viz: The Safe in use by the paymaster of the Philadelphia and Reading Railroad Company, in his office at Reading, manufactured by Farrels & Herring, and the Safe in use by S. A. Lantz, in his store manufactured by Evans & Watson, and put in books and papers precisely alike.

The fire was started at 8½ o'clock, A. M., and kept up until four cords of green hickory, two cords dry oak and half chestnut top wood were entirely consumed, the whole under the superintendence of the subscribers, members of the Committee. The Safes were then cooled off with water, after which they were opened and the books and papers taken out by the Committee, and sent to S. A. Lantz's store for public examination and marked by the Committee.—The books and papers taken from the Safe manufactured by Farrels & Herrings were, in our judgment, damaged fully fifteen per cent. more than those taken from Evans & Watson's Safe.

We believe the above to have been a fair and impartial trial of the respective qualities of both Safes.

JACOB H. DYSHER,
DANIEL E. HUNTER.

Having been absent during the burning, we fully coincide with the above statement of the condition of the papers and books taken out of the respective Safes.

THE BOSTON OLIVE BRANCH

POPULAR AND PROFITABLE READING.

THE OLIVE BRANCH of the New Year has changed proprietors, and appears in a greatly improved form. Its new head is unsurpassed for elegance and beauty; and with a complete set of new type, and the finest and best of paper, the appearance of the OLIVE BRANCH is unexceptionable to the most fastidious taste.

But the external appearance of the OLIVE BRANCH is a matter of trifling consequence compared with the character of its contents; and in this respect it will be the aim of the proprietors to render it not only equal, but as a family journal.

SUPERIOR TO ANY OTHER PAPER IN AMERICA.

Editorial talent of the highest order will be employed upon its pages, and its columns will contain contributions from some of the most distinguished of American writers. No pains will be spared to render it a valuable as well as an interesting companion. The stories, both original and selected, will be fresh and sparkling. Under the editorial head will be found ably written articles upon a variety of interesting subjects—some solid and some light; some instructive and others racy and amusing.

The OLIVE BRANCH will contain sketches from

MANY GIFTED CONTRIBUTORS,

Thus guaranteeing a pleasant variety of thought and style. Occasional brief biographical sketches of distinguished male and female characters will be published. We shall give a resume of events of interest in the literary world, together with impartial notices and criticisms of newly published works. A portion of the columns will be devoted to choice gems of poesy, and in the ladies' department will be found matters of interest relating to the fashions of the day, and other subjects of especial value to ladies generally. The farmer will find in the OLIVE BRANCH an agricultural department, and his children will delight in ours veiling the mysterious pages of our reformed "Guess Work." The OLIVE BRANCH will also contain a summary of the important news of the day, with anecdotes, trifles, and a thousand little paragraphs, calculated to excite a smile, or illustrate a moral.

Subscription price, two dollars a year.

Sold by dealers everywhere for four cents a copy.

Holloway's Ointment.

A MEDICAL REVOLUTION.

The World Unanimous!

THE GREAT COUNTER IRRITANT!!

THE virus of disease often makes its way to the internal organs through the pores of the skin. This penetrating Ointment, melting under the hand as it is rubbed in, is absorbed through the same channels and, reaching the seat of inflammation, promptly and invariably subdues it, whether located in the kidneys, the liver, the lungs or any other important organ. It penetrates the surface to the interior, through the countless tubes that communicate with the skin in summer rain passes into the fevered earth, diffusing its cool and regenerating influence.

SKIN DISEASES AND GLANDULAR SWELLINGS.

Every species of exterior irritations is quickly reduced by the anti inflammatory action of this Ointment—Angry Eruptions, such as Salt Rheum, Erysipelas, Tetter, Ringworm, Scald Head, Nettle Rash, Scabies, (or Itch) &c., die out, to return no more, under its application. Hospital experience in all parts of the world proves its infallibility in diseases of the skin, the muscles, the joints and the glands.

ULCERS, SORE AND TUMORS

The effect of this unrivalled external remedy upon Scorbutic and other virulent ulcers and sores is almost miraculous. It first discharges the poison which produces suppuration and proud flesh, and thus the cures which its healing properties afterward complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS.

In cases of the fracture of the bones, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvelous remedy has been introduced by its inventor in person into all the leading Hospitals of Europe, and no private household should be without it.

UNDENIABLE TESTIMONY.

The medical staff of the French and English armies in the Crimea, have officially signed their approval of Holloway's Ointment, as the most reliable dressing for sabre cuts, stabs, and gun shot wounds. It is also used by the Surgeons of the Allied Navies.

Both the Ointment and Pills should be used in the following cases:
