OAKLEY'S DEPURATIVE SYRUP.

THE valuable properties of Oakley's Depurative Syrup of Sarsaparilla, as a purifier of the blood, is so well known to the public generally, that it is unnecessary to occupy much space in setting forth the advantages to be derived from its use; wherever the medicine has once been introduced, it takes precedence over all others: every one that has taken it, have derived so signal beneficial results from it, that it is recommended by them with the utmost confidence. Physicians of the highest standing in the profession, prescribe it to patients under their care; containing nothing deleterious, but being composed of the most mild, yet efficacious vegetable materials, it is offered with confidence, as the cheapest and most efficient purifier of the blood now known. The use of a few bottles, especially in the spring months, will be attended with a most decided improvement in the general strength of the system, eradicating any seeds of disease that may have been generated, besides giving health and vigor to the body.—For the cure of Scrofula or Kings Evil, Rheumatism, Tetters, Pimples or eruptions of the Skin, White Swellings, Pustula, Chronic Cough Asthma, &c. The numerous certificates in the possession of the subscriber and his agents, from physicians and others, are sufficient to convince the most skeptical of its superiority over all preparations of Sarsaparilla.

Sole wholesale and retail, by the proprietor, GEORGE W. OAKLEY, North 5th street, Reading, Berks County, and to be had of the following persons:

In Northumberland County.—H. B. Masser, Sunbury; Ireland & Mixell, McEwensville; D. Krauer, Milton.

In Union County.—J. Gearhart, Selingsgrove; A. Gutwies, Millburg.

In Columbia County.—R. W. McCay, Washington.

Reading, March 14, 1843.

MR. OAKLEY.—I believe it the duty of every one to do whatever in their power lies, for the benefit of their fellow man, and having had positive proof in my own family, of the wonderful properties of your Depurative Syrup of Sarsaparilla, I must conscientiously recommend it to the afflicted. We had the misfortune to lose two of our children, by the breaking out of necrotic sores that covered the face, head and neck, although we had some of the most scientific physicians to attend them and had tried all the known remedies, including Swaim's Panacea, without avail. Another of my children was attacked in the same manner, her face and neck was completely covered; the discharge was so offensive, and the disease at such a height, that we despaired of her life. Seeing the wonderful effects of your Depurative Syrup of Sarsaparilla, we were induced to make trial of it, as the last resort; it acted like a charm; the ulcers commenced healing immediately, a few bottles entirely restored her to her health, which she has enjoyed uninterrupted ever since. As a purifier of the blood, I verily believe it has not its equal.

JOHN MOYER, Tolar, Walnut street, near Fourth, Reading.

Douglasville, April 19th, 1843.

MR. OAKLEY.—My son Edmund Lead, had the scrofula in the most dreadful and distressing manner for three years, during which time he was deprived of the use of his limbs, his head and neck were covered with ulcers. We tried all the different remedies, but to no effect, until recommended by Dr. Johnson of Norristown, and also Dr. Isaac Hunter, of Reading, to use your Depurative Syrup of Sarsaparilla, of which I obtained several bottles, the use of which drove the disease entirely out of his system, the sores healed up, and the child was restored to perfect health, which he has enjoyed uninterrupted ever since. To the astonishment of many persons who seen him during his affliction, I have thought it my duty, and send you this certificate that others who have like affliction in the family may know where to obtain so valuable a medicine. Yours truly,

AMELIA D. LEAF. Sept. 16, 1843.—1y
