DR. HEATH'S many years' experi-
ence in curing the debilitated and diseased
disclosed the startling fact that three-fourths of
those suffering with *Dyspepsia, Nervous Debility,
Exhausted Vitality, Consumption, Cancerous Affec-
tions, Disease of the Liver, Epilepsy, Paralysis,
and Diseases of the Kidneys and Bladder,* were
cured by and could only be cured after cutting them
of *Scantling Weakness.* His immense practice has
made his treatment as near perfection as possible.
Many of his patients had paid from \$100 to \$500
for medicine and treatment before seeing him. No
one can be cured without a searching examination of
all symptoms and complications, and a scientific
treatment by an experienced physician. Those at a
distance can be cured at their homes without an
interview. Advice free at 710 Broadway, New York.
There are so many un-
successful physicians, Dr. HEATH will merely say
he is the author of two elaborate works on Medicine
and Surgery and one on Chemicals.

Drilling Jars.

We would respectfully announce to our custom-
ers and the public generally that we keep con-
stantly on hand

Cast Steel Drilling Jars

Which for Strength and Durability excel any Steel
Lined Jar heretofore in use.

The Advantages we Claim

Over Lined Jars are that, being ALL STEEL, they
are stronger than Jars composed partly of Iron,
that presenting a Steel surface to the rock, they are
protected from wear on the outside, and will keep
their shape longer.

We also keep on hand

Cast Iron Working Barrels.
