LATE LITERARY NEWS.—General Lord Wolseyley makes a most important contribution to the literature of the China-Japan war. In an article for the February Cosmopolitan, he discusses the situation and does not mince matters in saying what China must do in this emergency. Two other noted foreign authors contribute interesting articles to this number. Rosita Mauri, the famous Parisian danseuse, gives the history of the ballet, and Emile Ollivier tells the story of the fall of Louis Philippe. From every part of the world, drawings and photographs have been obtained of the instruments used to torture poor humanity, and appear as illustrations for a clever article, by Julian Hawthorne, entitled, "Salvation via the Rack." Mrs. Reginald de Koven, Anatole France, W. Clark Russell, Albion W. Tourgee, and William Dean Howells are among the story tellers for the February number of The Cosmopolitan.
District school libraries are practically worthless unless they are under intelligent supervision. New York began forty years ago spending money on such collections of books and after thirty years had spent nearly \$2,000,000. A careful investigation showed that practically no result had been produced. Books had been bought by dribbles, lost, loaned and stolen, and the money was about wasted. Unless the bill introduced by Mr. Keen, in the lower chamber at Harrisburg, and permitted School Directors to spend not to exceed 2 per cent. of the sum raised for schools on school district libraries, is provided with suitable safeguards for the care, custody and use of the books and for regular reports, under penalty, to the Superintendent of Education, twenty years from now a great sum will have been spent and there will be nothing to show for it.

A Tribute of Respect to the Memory of Bro. C. A. Romig

WHEREAS, the Great Ruler of the universe, through the mysterious workings of His Divine providence has permitted the grim monster death to strike down so suddenly and with a single blow the form of our beloved young brother C. A. Romig, whose sad and frightful death, seated by the side of his loving father, when both in the early morning hours of that fateful Friday, January 26th, 1895, in the shocking accident on the railroad at Kreamer station, were instantly hurled into eternity, and which has also brought so much sorrow, distress and anguish to many joyous homes, as well as to the community at large— Truly can we say of his excellent father, Isaac D. Romig and his dutiful son Charles, our beloved Brother, what the Psalmist says of Saul and Jonathan, they were "lovely and pleasant in their lives, and in their death they were not divided." Therefore be it
RESOLVED, that in the loss sustained by our order in the death of our beloved Brother, C. A. Romig, that although we bow with humble submission to the will of our supreme Master we do not the less mourn for our departed brother.
RESOLVED, that in his death, Selingsgrove Lodge No. 137 I. O. O. F., has lost a worthy and esteemed brother, a true and noble young man, who not only enjoyed the friendship and love of the brothers of his lodge, but also that of
truthfully say that we will ever cherish his memory in our hearts.
RESOLVED, that the heartfelt sympathy of our lodge be extended to the sorely stricken mother of our brother in this her double bereavement, to his brothers and sisters, his friends comrades and acquaintances, and that as a mark of our respect, our charter be draped in mourning, and that we wear the usual token of respect for his memory, and as we look on these emblems, it admonishes us to be also ready when the dread summons come to call us away from all our earthly hopes and pleasures.
RESOLVED, that the thanks of our Lodge be tendered to the members of Union Lodge, No. 163 and Selingsgrove Lodge, No. 611 for their presence and participation with the funeral ceremonies of the late of our lamented brother.
RESOLVED, that these resolutions be transcribed upon the records of our Lodge together with a brief account of the accident, with the nature of the injuries sustained by the persons composing the company on that disastrous occasion, when our dear young Brother and his Father met their untimely end, also that a copy of this testimonial of our sorrow and sympathy, be forwarded to the family of our departed Brother, and that copies be also furnished to the Snyder County papers and the Odd Fellows Siftings for publication.
