COMPLETED.—The spire of the new Presbyterian church, was completed last week. It is certainly a very neat, well proportioned and modest looking structure, and adds considerably to the appearance of the building.

The new illustrated Circular of the Iron City College is doubtless the finest thing of the kind ever gotten up in this country. Copies of the same can be obtained free of charge, on addressing the Principal, Smith & Conley, Philipsburg, Pa.

THE THIRD STREET NUISANCE.—It is anticipated that the Borough Dads, content with receiving proposals for the removal of that old stumpy on Third street. The job being a heavy one, it is expected that several firms in New York and Philadelphia, will put in bids—after the election.

A WARNING.—The Washington City authorities have been sued \$10,000 damages, by a man who fell into a sewer and broke a leg. Our Borough Fathers had better take warning, and have some of the man-traps repaired—otherwise they may get the selves in a similar predicament, one of these days.

DESTRUCTIVE FLOOD.—A very destructive freshet occurred in Maine, the latter part of last week. Swift river rose thirty feet in twelve hours. Scores of farms were covered several feet deep with sand. Hay, horses and barns were swept away. All farmers along the river are impoverished and homeless. The people barely escaped with their children to the mountains.

FRANK HAVENSTEIN.—In another column we published the letter of Father Hyatt from which it appears that he has taken objection to some of the measures to be taken at the Educational Council. We meet at Rome in a few weeks, and that he has been consulted by his superior for his duty in this respect. The letter will be published with interest by our readers generally.

METHEOLOGICAL REPORT for the week ending Saturday, October 9th, 1869, as furnished by E. Fenon, Esq., of Penn. pt. of observations of thermometer, 70 on Oct. 8th; 70 on Oct. 9th; 70 on Oct. 10th; mean, 65. Daily observations—7 a. m. and 2 and 3 p. m.—50. Mean of barometer 28.16. Most of the week clear, warm and dry, except on the night between Saturday and Sunday, the 2nd and 3rd, .558 inches.

NOTICE.—We notice by the proceedings of the District Convention, held at Brownsville, Pa., on September 25th, that one of our friends, S. Alex. Fulton, Esq., was nominated as the Republican candidate for State Senator in the Third Senatorial district of that State. Mr. Fulton is a young man of fair abilities, and good business connections, and will, no doubt, make a creditable State Senator. We tender him our congratulations, and hope he will be elected.

HUSBAND AND HOME.—The new volume of the "Husband and Home" is a very interesting and excellent paper, commencing on January 1st. Price, 50 cents; Three copies, to one address, \$1.50; Five copies, \$2.50; All over five copies at the same rate, invariably in advance. At the reduced rates, (\$2.40 each) we will send you the "Husband and Home" for one year, or for two or more years. It is expected the challenge will be met. The Shiloh Meeting.

BRADFORD T. P. Oct. 9th, 1869.
EDITOR JOURNAL.—Dear Sir: According to notice given, a large number of the Republicans of Bradford township met at Shiloh School House, in Mainer's settlement, on Friday evening, October 9th.

The following officers were announced, viz: President, John M. Kater; Vice Presidents, John Woodridge, Jos. Winery, Jacob R. Peters and Henry Grafius; Secretaries, E. Dale and W. H. Shirey.

The object of the meeting was stated in a brief but appropriate manner by the President, and A. A. Adams, Esq., was introduced to the audience. Mr. A's remarks were confined principally to the records of the two candidates for gubernatorial honors; and, though it was his first attempt, he did credit to himself and the cause for which he spoke. At the conclusion of Mr. A's remarks, T. H. Murray, Esq., was called upon, who, with fluency of speech and fulness of ideas, spoke before his hearers the great principles of the Republican party. He showed the distinction between the two parties—the progress of the one and the decline of the other. He discussed the 15th Amendment, explained the tax question, alluded to the pardoning power which Gov. Geary has been charged with abusing by the grant, and rehearsed the career of Geary and Packer.

Had it not been for a single individual—who calls himself a Democrat, but would be better characterized by the name Rebel—who attempted to disturb us, we should have had a perfect order. This old political machine, however, does not belong to the vicinity of Shiloh, and had he not been accompanied by a drunken man, there would have been none to notice his insignificant attempts to disturb us. Thanks, therefore, to the Democrats of Shiloh, for their presence and good behavior.

The meeting was well attended, considering the shortness of the notice, and adjourned with quiet and good feeling.

From Neighboring Counties.

JETTERSON COUNTY.—On Sunday morning, October 31, a little son of P. B. Weaver, of Punxsutawney, being left alone a few moments, went to a drawer and getting an old pistol discharged it, the contents passing into his stomach. The child lingered until 11 o'clock, when death ended his sufferings.

CENTRE COUNTY.—On Friday, the 1st instant, a woman by the name of Webster, the wife of a laborer in the employ of Mr. Thomas, was accidentally killed on the Railroad track near Bellefonte, by the Snow Shoe train. She was walking on the track, and was called to get out of the way, but apparently paid no attention to the warning. Whether she heard or not, or whether she was so alarmed and confused as not to know what she was doing, we do not know; but as it was not possible to stop the cars in time to save her, she was run over, the accident tearing off one of her arms and cutting off a leg. She only lived a few moments after the occurrence of the sad affair.

BLAIR COUNTY.—A melancholy accident occurred on Saturday afternoon, Oct. 1st, in Frankstown township, in which Mr. Daniel Null unfortunately lost his life. He was in a field drilling grain, and not coming home in the evening, his wife became alarmed and made search for him, but not finding him, she got several of the neighbors to search him, when his remains were found in the field, near some bushes, on the top of the machine, his face mashed and his neck supposed to be broken. It is thought he took a fit, to which he was subject, and fell with his head in the wheel. He was found but a few feet from the scene of the accident, the horses having stopped. His death must have been instantaneous. Mr. Null was an estimable citizen, universally respected. He leaves a wife and two children, and his sad death is deplored by many friends. . . . Mr. Joseph Geesey, an aged citizen of Frankstown, met with a very severe accident on Sunday morning, October 2nd. Mr. Geesey had got out of bed, intending to go down stairs and get a drink of water. Instead of opening the door at the head of the kitchen stairway, he unfortunately opened one over the basement cellar, and to which no stairs were attached. He instantly fell to the basement, and in his fall struck an iron hoop lying upon the top of a keg. A portion of his nose and the entire upper lip were completely severed from his face, and his upper jaw broken. Surgical assistance was immediately summoned, and his injuries properly attended to—the jaw reset, and the nose and lip sewed on again. Owing to his extreme age, about 70 years, Mr. Geesey's injuries will be very severe upon him, and we learn that his friends are very doubtful of his recovery. . . . The Blair County Agricultural Fair was a decided success. . . . The Altoona Park Association Fair, was all that its projectors anticipated—a complete success in all its details.

SPECIAL NOTICE.

Schenck's Pulmonic Syrup, Seaweed Tonic and Mandrake Pills will cure Consumption, Liver Complaint and Dyspepsia, if taken according to directions. They are all three to be taken at the same time. They cleanse the stomach, relax the liver, and put it to work; then the appetite becomes good, the food digests and makes good blood; the patient begins to grow in flesh, the diseased matter ripens in the lungs, and the patient cures the disease and is well. This is the only way to cure the consumption.

To these three medicines Dr. J. H. Schenck, of Philadelphia, owes his unrivaled success in the treatment of pulmonary consumption. The Pulmonic Syrup ripens the morbid matter in the lungs, nature throws it off by an easy expectoration, for when the phlegm or matter is ripe, a slight cough will throw it off, and the patient has rest and the lungs begin to grow in flesh. Seaweed Tonic and Mandrake Pills must be freely used to cleanse the stomach and liver, so that the Pulmonic Syrup and the food will make good blood.

Liver Complaint is one of the most prominent causes of Consumption. Schenck's Seaweed Tonic is a gentle stimulant and alterative, and the alkali in the Seaweed, which this preparation is made of, assists the stomach to throw out the gastric juice to dissolve the food with the Pulmonic Syrup, and it is made into good blood, without irritation or soiling in the stomach. The great reason why physicians do not cure consumption is they try to do too much; they give medicine to stop the cough, to stop the spit, to stop night sweats, hectic fever, and by so doing they derange the whole digestive powers, checking up secretions and actually the patient starves and dies. Dr. Schenck, in his treatment, does not try to stop a cough, night sweats or fever. Remove the cause and they will all stop of their own accord. No one can be cured of consumption, liver complaint, dyspepsia, catarrh, canker, ulcerated throat, unless the liver and stomach are made healthy.

If a person has consumption of course the lungs in some way are diseased, either tubercles, abscesses, bronchial irritation, pleura adhesion or the lungs are a mass of indurated matter, that is, they are stiff and do not expand. It is not only the lungs that are wasted but it is the whole body. The stomach and liver have lost their power to make blood out of food. Now the only chance is to take Schenck's three medicines, which will bring up a new supply of blood, the patient will begin to eat food, it will digest easily and make good blood; then the patient begins to gain in flesh, and as soon as the patient begins to grow the lungs begin to heal up, and the patient gets fleshy and well. This is the only way to cure consumption.

When there is no lung disease, and only liver complaint, and dyspepsia, Schenck's Seaweed Tonic and Mandrake Pills are sufficient without the Pulmonic Syrup. Take the Mandrake Pills freely in all bilious complaints, as they are perfectly harmless.

Dr. Schenck, who has enjoyed uninterrupted health for many years past, and now weighs 225 pounds, was wasted away to a mere skeleton, in the very last stage of pulmonary consumption, his physicians having pronounced him hopeless and abandoned him to his fate. He was cured by the several medicines, and since his recovery many similarly afflicted have used Dr. Schenck's preparations with the same remarkable success. The directions accompanying each make it not only safe, but necessary to take his case before the patients with their lungs examined, and for this purpose he is professionally at his Principal Office, Philadelphia, every Saturday, where all letters for advice must be addressed. He is also professionally at No. 32 Bond Street, New York, every other day, and at No. 25 Hanover St., Boston, every other Wednesday. He gives advice free, but for a thorough examination with his Respirator the price is \$5. Office hours at each city from 9 A. M. to 3 P. M.

Price of the Pulmonic Syrup and Seaweed Tonic, each \$1.25 per bottle, or \$5.00 for 3 bottles. Mandrake Pills 25 cents a box. For sale by all druggists.
