How Much Would the KAISER Tax Your Business?

Think this thought twice over: "If we should go to war, what would happen to my business?"

What is left of business in the invaded districts of France and Belgium? What will be left of business here, if we fail to crush the Kaiser's German marauders? How much would you have after the taxes and levies imposed by a victorious Germany?

Defend Yourself With LIBERTY BONDS

This is not only a war for Democracy and Liberty, but a war of self-defense. Germany menaces our rights, our property, and our very homes and means of livelihood.

Every citizen—every business man—has weapons of defense ready to hand. These weapons are Liberty Bonds.

Buy all the bonds you can. Go to your bank and buy them. Buy more than you ever thought you could buy.
